Mayor Moore, Aldermen, and Ms. Billingsley,

I am deeply disturbed by the current media rounds Alderman at Large Gabrielle Hanson is making with regards to the Covenant Tragedy.

Her comments are defamatory, pure speculation (which she continually claims as fact with zero support), and so damaging to the victims, their families, and, frankly, all of us who are doing all we can to support the community in the wake of such tragedy and loss.

As a resident of Franklin, I am requesting a formal ethical review of Gabrielle Hanson's actions in spreading false, slanderous conspiracy theories while identifying herself as an Alderman for the City. In appearances on the Mill Creek View Podcast as well as SuperTalk 99.7 Ms. Hanson made slanderous statements regarding the victims in the Covenant School shooting as well as the motivations of the shooter. Additionally, she used her time on air to disparage her fellow Alderman and the Mayor, as well as a local church that provides an enormous amount of support to those in need. Making those kind of comments about her coworkers and an esteemed body of faith that does so much good also damages the reputation of our City.

What is the bar for alderman conduct? Is this really who we want representing the City of Franklin? This is not political disagreement - it is defamatory speech (she even claimed actress and Nashville resident Melissa Joan Hart must have known the shooting was going to happen or why was she there). Her comments are simply shameful.

Our community, as well as the families, are grieving the senseless loss of life in a terrible tragedy. It is unconscionable that she would make baseless, demonstrably false claims that cast the victims in a false light and bring more pain to their families. It is an embarrassment to the City that she chose to do so while identifying herself as a member of city leadership.

Her conduct is not becoming of this City. She should resign, and if she refuses, I would like to know what the options for discipline/removal from office are.

If there is a more formal complaint form I need to utilize or process I need to pursue in order to make an ethics claim against Ms. Hanson, please advise me how to proceed. I trust the Board and Mayor will take this issue seriously, as the reputation of our City and its' leadership is at stake.

Thank you for your consideration,

Mayor Moore, Franklin Aldermen, and Ms. Billingsley,

Today I write with great disappointment to request a formal ethical review of Gabrielle Hanson's actions in spreading false and slanderous conspiracy theories while identifying herself as an Alderman for the City. Mayor Moore,

It's been a rough month for those of us who call Middle TN, Williamson County, and Franklin home. Having moved here in 1993, I've seen the wonderful, welcoming nature of this area. It's drawn pro sports franchises, world leaders in business, and some of the nicest people I know to call this place home.

But while that evolution and growth have brought so many wonderful people to Franklin, it wasn't without collateral damage.

According to her website, in 2012, Gabrielle Hanson moved to Franklin. Maybe it's because she never got to experience the small-town charm of Earl's Fruit Stand during the fall. Or perhaps it's because she's only known mega-developments like Westhaven as her home. But one thing is clear: Gabrielle's values and perception of what Franklin is, or moreover, what it should be, don't align with those of us who grew up here. They certainly don't align with those of us who hope to raise our children here. And ultimately, they don't represent the compassion or neighborly love that we should hope to cultivate in our local communities.

Just today, it was published that Gabrielle has espoused some very troubling and deeply concerning viewpoints on the Covenant School shooting. And while this doesn't seem completely out of character for her, it only exacerbates the feeling that Gabrielle may not be acting in the best interests of the City of Franklin.

Delusional, slanderous material is, after all, a Hanson trademark. This was (verified and on-record) after she claimed that pre-teens were being exposed to rooms full of sex toys and that nude attendees flocked to the annual Franklin Pride event.

Is this who we want making decisions for our community? Is this who should be making decisions for my family? My kids? Gabrielle Hanson does not speak for me. She doesn't speak for my friends and family in the community. Clearly, Gabrielle should not be representing our interests with the City of Franklin.

Mayor Moore, please do the right thing and remove Gabrielle Hanson from her Alderman position immediately.

Thank you,

Franklin Government Officials-

As a Franklin resident I find Gabrielle Hanson's public sharing of non factual conspiracy theories about the tragic shooting at the Covenant School highly disturbing and vile. A Franklin Alderman should not only respect the extreme gravity and sorrow of this shooting, but also respect the due diligence of the officials investigating this horrific crime scene. I call for her immediate resignation or removal from office by her peers. There is no space for her imagined, hurtful, self-invented ideas about what happened that tragic day when 3, nine year old lives, and 3, selfless, adult lives were needlessly taken.

I am writing to submit a formal complaint against Alderman Gabrielle Hanson for her false and slanderous remarks in a podcast this past week and continued to repeat these lies on 99.7 about my friends who died in the Covenant shooting!

I am a lifelong Franklin resident, have lived here since 1977, graduated from Franklin High School in 1988. Ms. Hanson is a dangerous representative of my beloved community and city. She should be removed immediately. Our leadership must stand up to bullies who spread these conspiracy theories! She is creating more hate with her lies when we already have so much hurt, pain, and division. She violates basic ethics required of city public representatives.

Pastor Scruggs darling daughter is dead. Ms Hanson has the audacity to stand on that child's grave and slander her father and his community. She is shredding the hearts that are already broken. This cannot be overlooked or minimized. Enough. Please.

Dealer City of Franklin,

I'd like to file a complaint and seek removal of Gabrielle Hanson from representing the city of Franklin.

Ms. Hanson, doing her best version of the debunked conspiracy theorist Alex Jones, provided false and reprehensible information related to the recent Covenant school shooting in Nashville. Families are traumatized and our local leadership is using their pulpit to provide sickening and false revelations in order to push a personal agenda of intolerance. No one (including her) should ever have to suffer losing a child or loved one to gun violence - and her public response is sickening.

Shame on our residents for electing this reckless human being.

While I don't know our rules of decorum, I do hope our local leaders are able to take action toward Ms. Hanson's removal as she is clearly unfit to serve. Of course, it would be much easier if Ms. Hanson would do the honorable thing herself, and leave her role and save the citizens of Franklin further shame and embarrassment and more importantly save the families who have suffered from this heinous crime from further and completely unnecessary anguish.

Enough is enough.

Thank you,

Todd Solan

To whom it may concern,

I am a resident of Franklin (112 Zoe Ct) and writing in regards to recent lies and conspiracy theories spread in the media by our city alderman Gabrielle Hanson. As alderman for our great city, I expect more from our leaders. She went on a media podcast and spouted out lies and conspiracy theory which was in direct contrast to the Nashville police and FBI handling of the Covenant school shooting. She had no factual basis for her information and had no business speaking to media about the details of this shooting. Her tactics were used to spread misinformation in hopes of political gain against those wanting more common sense gun laws. The Nashville and middle Tennessee communities are already hurting and suffering with this latest gun tragedy so close to home. We expect more from our leaders. I am asking for her resignation or expulsion as alderman for our city.

Thank you,

Hello,

I just listened to the podcast and subsequent interview by Matt Murphy of Alderman Hanson. Using the word disappointed feels like a huge understatement, perhaps sickened is more appropriate. I'm a mother of three and I can't even begin to fathom the tragedy that the Covenant School families are facing. Now is a time for support from our community not compounding and adding to their grief. I'm embarrassed for Franklin. I'm originally from here and we are better than this. We are better than her messaging. She does not deserve to continue to represent us. She absolutely does not represent me. Please tell us what we can do to have her removed so that if she feels the need to continue this rhetoric she does so not as our alderman.

Thank you,

Dear Ethics Committee,

As a resident of Franklin, I would like to lodge an ethics complaint against Alderman Hanson. I was shocked to hear the recording of her blaming the victims at the Covenant School and Church regarding the recent deadly shooting there. I also believe she could potentially be a liability for the City if she is slandering these people in her official position as an Alderman.

It is so completely irresponsible to share unsubstantiated theories as to the motive when the investigators have not yet released a report. She is sharing hear-say as fact. This shows a complete lack of judgment on her part which, in my opinion, makes her unsuited for this position.

I hope the church or the individuals pursue slander or any other charges against her and hope the city will take a stand against her egregious behavior before that occurs.

Sincerely,

Good Afternoon,

My name is Ryan Sons, and I am writing to you as a concerned citizen and long time resident of Franklin. I would like to submit an ethics complaint about Gabrielle Hanson and recent comments that she made regarding the Covenant school shooting. She made probably false and slanderous statements about the shooting. I found her comments appalling, and believe they could potentially fall under legal definitions of defamation.

I believe, as do many others in the community, that she should be asked to resign from her position, as she has shown herself to be unfit to continue representing our city and her constituents. If that response is not realistic or possible under existing procedures, she should at minimum be censured, and it should be publicly communicated in the strongest fashion that her views do not represent our community and the rest of its leadership. I hope you appreciate the grave concern that many in the community feel over her comments.

Thank you,

Ryan Sons

Hello,

I am writing as a concerned citizen of Franklin, TN, who would like to file an ethics complaint against alderman Gabrielle Hanson. Recently I heard the recording of alderman Hanson on the Matt Murphy show. To say I am shocked and appalled would be an understatement. Her spewing defamatory hearsay about murdered children and educators is absolutely vile and unethical, particularly given her role as a leader of Franklin. Regardless of whether what she said is true-which it's clearly not-it was wrong and a violation for her to speak such a way in a public forum as a representative of the city of Franklin. We cannot continue to have someone like this represent our city. Please take steps to expel Miss Hanson from office immediately.

Hello,

As a citizen of Franklin, I am deeply disturbed and concerned by the public comments and narrative from Alderman Hanson. Her blatant lies and dangerous self serving rhetoric regarding the Covenant shooting do not reflect the leadership we all deserved in our great city and are deeply disrespectful to the victims and those that were impacted by this tragedy. Variance on policy and decisions can be respected but this type of behavior can not be tolerated.

This email is to serve as an official ethics complaint to be reviewed by the ethics commission unless she is willing to resign of her own accord. The actions that you all take regarding this matter will be reflective of whether or not this type of behavior is acceptable in our city leadership.

Thank you for your service, time and consideration.

Ethics Board & Committee,

I ask that this email serves as an officially recorded complaint against Alderman Gabrielle Hanson. I am sure that I am not the first Franklin citizen calling for Alderman Hanson's removal. The link below and the 9-minute audio clip of Hanson discussing the tragedy at Covenant are horrible, inaccurate, and a terrible representation of Franklin and TN.

I have reached out to the local and national media to seek official comment from the mayor of Franklin and fellow alderman and inquire about the next steps to remove Hanson from her post. I also encouraged the media to look into Hanson's bigotry (Franklin Pride Permit issue and posting 'what ifs') along with her cozy affiliation with Mom's For Liberty.

This is an embarrassment to our city, the families that call Franklin home, and the businesses that choose to work in our community. Sadly the world is watching our city and state, and the reviews are downright pathetic. We need to be better!

I request that time not be delayed, but rather an ethics review commenced straight away to go beyond censure and to rule for the removal of Alderman Hanson. I also request public notice of any and all action taken by the city of Franklin and the ethics board in this matter.

I emailed all Alderman, including Hanson, along with the mayor. Several Alderman and the mayor emailed me back with instructions to file the above.

I am writing to you to ask for you to take some action and or removal of Alderman Gabrielle Hanson. She was recently on a podcast, now deleted, where she made many false and hurtful claims in regards to the Covenant shooting.

Then she was later interviewed by Matt Murphy where she made even more horrendously false claims about the shooting that not only spreads rumors but also hurts these families that are grieving. Especially the claim that people in the community knew the shooting was going to take place, but she had not spoken to law enforcement. These claims are only hurting people and going to have community members at odds instead of united.

As a representative of Franklin she should be uniting and comforting these families, not spreading stories that have been proven to be incorrect. There is no compassion, class or leadership shown in her actions and she is disgracing this town and its good name and the good nature of our community. She has no place being the face of our community when she aims to divide and spread lies with malice intent.

If by chance you have not heard her insensitive remarks on both platforms please let me know and I will send you a copy.

I appreciate you taking the time to read my concerns and look forward to action being taken for her behavior.

She spread false information on Supertalk radio and Mill Creek View podcast about the Covenant school shooting. The families and community are still in grief. Dear Ethics Commission

First, I want to thank all the powers that have recently re-constituted the Ethics Commission. It is very important that elected officials be held to standards and currently they are not even held to the same standards as city employees.

I am writing to formally log an official ethics complaint against Ms. Gabrielle Hanson. I feel that there have been at least two occasions in the past few weeks that are concerning for many in the community.

Ms. Hanson made accusations regarding a long-standing LGBTQIA group called Free Mom Hugs at the last BOMA meeting, which damaged many people in our community. I am certain that going to a paid fundraiser hosted by a radical group like MFL and being fed criteria for identifying groomers does not make one an expert.

Ms. Hanson went on a radio show last week that has since been removed from their site, it is, however, still floating around the internet. During this show she proclaimed outlandish lies regarding the Covenant shooting. There are so many people still mourning loss, still processing tragedy, still trying to make a difference, and still trying to be heard that this careless act committed by Ms. Hanson does nothing but detract from the real issues and inflict further pain on a community already suffering. This stunt makes it seem as if she is trying to rocket herself into MAGA stardom.

I strongly believe that Ms. Hanson should be removed from BOMA her recent actions are dangerous and do not represent the community. I have not seen any statements from the Mayor or other members of BOMA denouncing her behavior, and no one has come out to say "she doesn't speak for me". This lack of action leaves me thinking that maybe she is speaking for all of you and that your constituents should make note of this for any upcoming elections as I firmly believe she does not speak for the majority of the citizens you represent.

I do understand that I do not live within city limits and therefore don't have a vote in the BOMA. But I am a taxpaying citizen of Williamson County. Franklin is where I spend the majority of my time and money. It is where we take visitors, buy our groceries, patronize restaurants and retail establishments. Franklin very much was something to be proud of. "Was", please do something to send a message that her actions do not speak for the board and they do not speak for the majority.

Thank you for your time and consideration.

To All —

This is my first correspondence to your Board even though we have lived in the Franklin area for 38 years. Today I am compelled to reach out, however.

I am totally appalled at the unethical and public gossip with which Gabrielle Hanson has chosen to engage in regard to the Covenant School shooting, and I join the others you have heard from in asking you to have her removed from the BOMA. She is unworthy of the office, and an embarrassment to the community of Franklin, Tennessee.

I have no personal relationship with Gabrielle nor her family, and I know no one who does. I write this purely as a member of the community, who is outraged that Gabrielle would choose to put herself in the middle of a story, the facts of which she knew little. She evidently just wanted to make a name for herself as one who had the "inside scoop" regarding the Covenant School shooting. (Little did she know, however, that some of her basic "facts" were already verified as completely inaccurate by the police on the scene, as well as the security company owner who personally evaluated the crime scene. Even when confronted on air with her incorrect statements, however, she totally refused to acknowledge her errors.)

Additionally, and most important in my message to you today, is this: *Even if*, when identifying the "relative of the school principal who also worked at the school" as the target of the shooting (she may as well have named the young woman by name), these specific facts were/are true. . . who in world would choose to go on the radio and publicly defame the character of a grieving family?!? Clearly, Gabrielle places no value in people!!! Unfortunately, her moment in the spotlight was more important to her than the goodwill of the Koonce family, the Covenant School families, and our greater Nashville community as a whole. Her behavior is reprehensible, and I ask that the BOMA take a bold stand against it. I encourage you to ask her to resign from the BOMA. Hopefully she will then consider making a public apology regarding her gossip and conduct.

Thank you for your consideration.

Sincerely,

Kim Sapp

My name is Jason Rowlett. I was born and raised in Nashville but I have been a resident of Franklin since 2008. My daughter has been a resident of Franklin her whole life. She is a current student at The Covenant School in Nashville. I am emailing to ask for the resignation of Alderman Gabrielle Hanson. If she will not resign, I ask for her removal by this governing body.

Alderman Hanson has publically slandered the victims of the March 27<sup>th</sup> massacre at our school. She has caused further pain and anguish to the surviving staff and families. I can personally tell this board that every detail she spoke publically about March 27<sup>th</sup> is absolutely false. I personally walked the halls of the Covenant school about a week after the shooting. I saw where the victims fell. I saw the damage throughout the building. I saw the place where my daughter held her friend and classmate in her lap while the roar of gunfire erupted outside her 2<sup>nd</sup> floor classroom. Alderman Hanson said there no was threat to anyone beyond a certain "target". I assure you every beating heart in that building on March 27<sup>th</sup> was a target. The assailant entered the school with two long rifles and a handgun. Metro police confirmed that 152 rounds were fired inside our small school. By saying there was not a great threat to everyone in the school, Alderman Hanson minimizes the terror and danger our children and their teachers faced on that awful day. Every single person in the building was hunted by the shooter. The only reason there were not more victims is because of the swift and heroic actions the Covenant teachers and staff took to get the children properly sheltered and hidden when it was immediately understood what was taking place. We as parents owe them more than we could ever hope to repay, and we love them all.

Alderman Hanson stood by her false claim when she was a guest on the Matt Murphy Show on Super Talk 99.7. Mr. Murphy called out Alderman Hanson on the cruelty of an elected official spreading hurtful and slanderous lies about such a tragedy and everyone involved. Alderman Hanson attempted to insulate her culpability for such heinous comments by pointing out the fact the attack happened in Nashville. Yes, it happened in Nashville, but I am here tonight tell you how it happened in Franklin too and how it continues to play out in our homes through the PTSD of our children and their parents. It happens every day when our children are re-traumatized when they hear a loud noise at the grocery store or restaurant or when a gun is fired to start races at a local track meet. It happens every night when our children don't want to sleep alone because they are scared – this still happens 6 weeks after the attack. It happens as we parents go to counseling to try to find some way to cope with the horror we experienced on 03/27 not knowing if our children were alive.

It is an abomination that an elected official would have the audacity to spread unfounded gossip and conspiracy theories about such an unspeakable tragedy suffered by many of her fellow citizens. The only reason I can think as to why she did this is to further her political career. The citizens of Franklin deserve better from their elected officials. To the residents who put ribbons on their mailboxes and Covenant signs in their yards deserve better. The 13 Covenant students who live in Franklin deserve better. The 15 Covenant parents who live in Franklin deserve better. The 5 Covenant faculty members who live in Franklin deserve better. And let me remind you that one of the adult victims of this tragedy was a long time Franklin resident. Her family deserves better.

Alderman Hanson should resign. But if she will not I ask this board to do the right thing and remove Alderman Hanson for the cruel defamation of the Covenant community.

Sincerely,  
Jason Rowlett

I am demanding the immediate removal of Alderman Gabrielle Hanson concerning the slanderous comments made about the 3/27/23 mass shooting at our school and the parents who lost children in the attack. Ms. Hanson has accused the pastor of the church of being in an affair with the gunman. The poor man just lost his 9 year old to murder at his own church and she dares spread such insensitive lies about him. This was not the private comment of a citizen. This was said in a podcast from the position of Alderman. This is an outrage and must addressed by the city of Franklin. This will not be ignored! It will not go away! To Whom it May Concern,

My name is Cassie Bates, I live in Fieldstone Farms. I was a veteran local public-school teacher until fall 2022. Currently I am employed at a private school in Nashville. I wanted to take the time to voice my concern about the lies Alderman Hanson has been spreading regarding the recent tragedy. As a private school teacher in Nashville, I know these are not facts that she is trying to claim. I do not believe someone that does not understand the difference between opinion/rumors versus facts should be trusted to hold public office. I hope you can understand the severity of a person in a public position causing the hurt and pain that she has. As a teacher, school shootings are an unfortunate fear that we have to deal with on a daily basis for us and our students. Hearing someone take advantage of this situation to try and have a moment to shine has been disgusting and offensive. She owes the community and honest and public apology. I hope you take this situation seriously.

Thank you for your time and consideration,  
Cassie Bates

Hi,

I'm emailing to express my concern and dismay over the comments that Franklin Alderman Gabrielle Hanson made about the Covenant School shooting. I would like to ask that she resign.

I'm hoping and praying that Gabrielle Hanson gets the help that she so desperately needs. It's clear to me that this woman is unwell and unfit to serve.

Hi. I've been reading in the newspaper about the odd and hurtful comments that Alderman Gabrielle Hanson has been purportedly saying about both Covenant School and the Church of the City. I believe this is highly inappropriate and she should be removed from office if she does not have the appropriate professionalism and ethical maturity that this position requires. What accountability measures are being done at this time to review this situation?

As a community it is important that we can trust our elected officials to act in our best interests. When they show Franklin/Williamson County/Tennessee in an unfavorable local and national light, a process must be in place to review and correct this odd behavior.

Thank you, Glenda Betts

Good Morning -

As a resident and homeowner within the city of Franklin, TN, I'm appalled by Alderman Hanson's recent remarks about the Covenant School shooting while citing her position in city leadership.

I wish to file a formal ethics complaint against her. Her commentary was hateful propaganda full of lies, mistruths and conspiracy theories. Her vile statements have no place in a civilized society, let alone from an elected official.

The ethics committee must investigate and properly remove Alderman Hanson from her elected position; her displayed behaviors and lack of moral character clearly demonstrate that she is unfit for the role of representing the good citizens of Franklin, TN.

Thank you -

Good morning.

I'm filing this complaint in response to Gabrielle Hanson's recent comments on a podcast and local radio show about The Covenant School shooting in Nashville.

This sort of gossiping, fear mongering and conspiracy theorizing needs to stop. It's embarrassing and unbecoming of an elected official.

I do not advocate for someone to resign or be fired, but I would ask that Hanson be held accountable for her comments and behavior however the city and our elected officials see fit.

Enjoy your Wednesday.

City of Franklin Recorder-

I am writing to express my concern regarding Gabrielle Hanson. I attended BOMA meetings on March 28 and April 11 and was surprised how uninformed she was regarding the Franklin Pride permit request. However, that was nothing compared to the words she spoke on her deleted podcast as well as on WTN radio regarding the Covenant School shooting.

I am requesting a formal ethics investigation into her conduct. It should frighten us that she is an elected official in Franklin. We cannot allow further conspiracy theories from her. We must realize that she is unstable at best and evil at worst.

My hope is that she will no longer be an alderman after the June 20 ethics hearing. Perhaps, she will resign before that. She is a detriment to BOMA and the City of Franklin and must be relieved of her duties. I plan on attending the June 20 meeting and look forward to seeing you there.

Sincerely,

As a proud citizen of Franklin, I am embarrassed and ashamed that Mrs. Gabrielle Hanson represents our community as an alderman. Her comments on the tragedy that occurred at Covenant—and her spewing of non-factual “information” in regards to it—was hurtful, insensitive, unkind and reckless. Perhaps most importantly, it was dangerous for all those connected to the murders—as it invites conspiracy theorists to harass the Covenant families. We saw this happen after Sandy Hook, and it is atrocious that she would say/do anything to enable the same to happen to families already grieving and traumatized in middle-Tennessee. This is not what being a good and responsible citizen looks like, and it certainly isn’t what leadership looks like. I hope that she will be asked to resign.

City Recorder,

I am writing this email with regards to Alderman Hanson's recent podcast and radio show interviews. After reading the City of Franklin's ethics ordinance, I'm not sure Ms. Hanson violated any articles of the official city ethics policy. However, her comments about the Covenant School shooting showed extremely poor judgement on her part. It seems that she interjected herself in the situation only as a way to draw attention to herself.

Ms. Hanson has proved to be a terrible representative of the BOMA! Even if she didn't violate the official ethics policy of the city, what she has done seems very unethical to me. I know the rest of the board and the mayor do not agree with her point of view but unfortunately she carries the title of Franklin Alderman behind her name. There will be a certain amount of people that will assume (wrongly so) that her opinion carries the weight of the entire board of alderman in our town.

I have attended several BOMA meetings in the past and have had great respect for our alderman even if I didn't agree with their decisions. It will be hard to attend BOMA meetings and not feel distrust in Alderman Hanson's words and decisions because of her recent actions. A message needs to be sent to Alderman Hanson that her actions are not acceptable as a representative of our city. My wife and I plan on attending the ethics hearing in June to see the outcome. I trust that the right course of action will happen.

Hello, this is Ruth Osburn, an upset, frustrated Williamson Countian... granted , we do not live within the city limits, but we have paid our taxes in Williamson County for the past 38 + years. ( My husband's family s lived in the Triune /Arrington area since 1804... so I d like to think my thoughts about Gabrielle s slanderous theories are justifiable, in spite of not living in the city limits.)

Why do you have to wait til JUNE to even think about punishing her somehow?? Really? This is slander.. all one has to do is to espout/delete, yet no public apology? This is what s wrong with America. The disinformation needs to be STOPPED.

Gabrielle s action ... needs action, now. She should be forced to resign...or kicked off if she digs in. This is NOT what an alderperson should act.

Please take action sooner than later. She needs to go now, she sounds unfit to serve this community. In spite of the political divide in this country and even in Williamson County, this should be easy to see that she has issues with truth.

In anger, Ruth Osburn

To Whom It May Concern:

I am a citizen of Franklin, and would like to lodge an ethics complaint against Alderman Gabrielle Hanson, due to her repugnant, insensitive, dimwitted recent comments regarding the Covenant School Shooting. It is clear that she enjoys attention, and has no reservations about spouting absurd drivel in order to receive it, but her elected position requires her to act like a grown woman capable of the capacity to serve as a representative for the community I live in. She has more than proven that she is unqualified to do so. *ATTENTION COF staff: This email originated from outside the City of Franklin. Please use discretion when clicking on attachments & links from unknown senders or suspicious emails.*

Good morning,

First, I'd like to thank you for all you do for our community.

Second, I would like to express my disappointment and concern over Alderman Hanson and the comments she made regarding the Covenant school shooting. The decision to voice admittedly unfounded "premonitions" and to divulge "insider information" demonstrate a concerning lack of judgment and responsibility, not to mention compassion for a community that is - and will forever be - marked by trauma.

As a resident of Franklin (Franklin Green community), this lack of judgment is deeply concerning. Alderman Hanson is in a leadership role in this community. At best, these actions are reminiscent of mean girl high school behavior. At worst, they bring pain to an already hurting community in the form of slander. Metro Nashville Police Department (spokesperson Don Aaron) has made a statement indicating that no current evidence supports Alderman Hanson's love triangle theory. The potential here is that we have a community leader - a community decision-maker - telling lies related to an ongoing criminal investigation about members of our community, some dead, some still alive, but in deep pain. My hope is that my complaint is brought into the fold of the ethics committee process.

Thank you for your time.

Hello,

Our children are forever traumatized and the last thing this community needs is someone spreading misinformation while we grieve. Hello,

My name is Leah Rhodes and I am a resident of Williamson County, Tennessee. I would like to file an official complaint against alderman Gabrielle Hanson. This woman has gone on the record - publicly - to the media, spreading lies and innuendo regarding the tragic events of March 27th at Covenang, based solely in gossip and hear-say, not fact. In an attempt to gain what I can only assume was clout or notoriety, she went to the media spewing a story of a love triangle gone wrong, insinuated that there was prior knowledge that the Covenant shooting was going to occur, and said she also personally wasn't surprised it happened at all, as her intuition led her to the knowledge of a mass shooting before it even occurred. I have listened to the statements she made with utter disbelief. Her audacity and ignorance is astounding and quite frankly, the misuse of her power as an upstanding citizen of the town we all love and call home, is disgusting. I cannot imagine a world where the city that we call home - a city I'd like to believe is based on integrity & grace - finds this woman as an acceptable representation of what we stand for. I am ashamed to be associated with someone like this and I hope our city of Franklin is as well.

Thank you for your time,  
Leah Rhodes

I have sent the following email to the Mayor and City Administrator but wanted to go on the record with the ethics committee about my concerns as well.

I have given much thought to my decision to send this email and feel that I have to speak out. I have listened to the interviews by Alderman Hanson and was taken back by what I heard. As a mental health professional and someone who has had experience helping people, including families at Covenant, heal from horrific events, I found her comments disturbing and, quite frankly, reckless. To have anyone, much less a public official, expounding on unsubstantiated details about an event that has caused so much pain for so many is putting those people at risk to be traumatized further. Ken, I know first hand of your commitment to offer help and healing to those who are hurting and what she did and said goes against everything we are working for. Both of us have taken an oath to "do no harm" and I feel there is the potential for much harm to be done as a result of her careless and hurtful diatribe.

Dear BOMA members,

As a resident of Franklin, I am horrified by the recent actions of Alderman Gabrielle Hanson. She spread damaging and demonstrably false information about the recent Covenant shooting, and she did so while identifying herself as a Franklin Alderman. She was also unwilling to bend when presented with proven facts of the events of the day. I had doubts about our ability to trust her before, but I am certain now that she is unable to be trusted to truthfully and honorably fulfill her duties as Alderman At Large.

This isn't about where I may agree or disagree with her politics, but about the long term wellbeing of our community. We cannot have Aldermen who are willing to publicly spread misinformation and conspiracy with no regard to the consequences of their actions. I would like to see her resign, but if that isn't possible, there needs to be a censure of some kind including a public statement of apology.

Thank you for all you do!

Jason,

My name is Jason Gregg, I live at 228 Lighthouse Terrace in Sullivan Farms. Like you, I attend Rolling Hills Community Church (been there for 20 years). I am 51 years old, born and raised in Franklin. My wife was also born and raised in Franklin.

I am writing to express my feelings after reading Gabrielle Hanson's comments this week regarding the Covenant School shooting. I am livid. I am appalled that an elected official would take time to spread rumors and also claim she knew that it would happen. Her defiance and disregard for decency are sickening. It is beneath the office, and I hope the BOMA will speak out, condemn her comments, and discipline her accordingly. Beyond her comments this week, I find her comments from the Lynching markers to the Pride Festival (insinuating Free Mom Hugs to pedophiles) to be reprehensible and out of step with the Franklin that I have grown up in and choose to raise my family.

Although you and I may not always agree politically, I find you to be honorable, and principled. I greatly appreciated your vote on the Pride Festival, and I do not think you will burn in hell, and sad to think there are those who think you will.

Thank you for your service to our community.

Jason Gregg

**ATTENTION COF staff: This email originated from outside the City of Franklin. Please use discretion when clicking on attachments & links from unknown senders or suspicious emails.**

My name is Val Currie and I had one very fruitful conversation with Gabrielle Hanson by phone leading up to the Pride decision.

I left her another message regarding her comments during the Pride hearing about "mom hugs". The content of that message is not relevant but the tone was polite despite my frustration. Like our first phone call, my desire was to spread important, overlooked information \*not\* to berate public officials.

I was saddened today to figure (not find) out that Alderman at Large Hanson is screening her calls. When I called 615-205-2511 (listed on her page on the city government website), someone was answering her phone saying "City offices, how may we direct your call?". Then they would repeat and hang up as if not able to hear me.

I verified my phone was working against a handful of other numbers and tried again. Same result. I called the city at 615-791-3217 and reported it as a phone issue, telling them I would call back but it may need attention.

When I did call back I \*still\* couldn't be heard. So I tried calling from another number -- same phone, just Google Voice -- and got a response. When I asked to speak to the Alderman, I was connected to Hanson's voicemail (over a very tinny, speakerphone-sounding connection). I left a voicemail.

At this point I was concerned that something odd was going on so I called the city back at the 791 number and found out that \*no other number\* is answered in an official capacity by the City of Franklin. In preparation to write this email (which was going to be much milder) I called one more time from the alternate number that magically worked and asked if this was the City of Franklin. The person repeated "this is the city offices, how may I direct your call?" So I asked for a name and office number. I was rushed off the phone with "let me connect you to dispatch" and then was suddenly speaking with POLICE DISPATCH via what sounded like speakerphone. I explained the situation to dispatch and hung up.

I am EXTREMELY disappointed and will make my complaints very clear. Any further correspondence from Alderman Hanson must address these numbered complaints directly. I am a citizen and that is not a demand -- rather it is a statement of boundaries if Mrs. Hanson would like to continue corresponding and sharing information. Quite frankly I am quite happy to never hear from her again after all of this.

1) Do not instruct people who are not with the city government to lie and say that they are. Whoever it was sounded pretty nervous and I'm sure it wasn't fun for them to cover for you like that. You were elected -- you should serve.

2) Screening calls in this manner is incredibly rude in a social context but downright dangerous in a government context. I should not need to explain why but am happy to.

3) Do \*not\* waste the time of police dispatch. I do not know if the person you saddled with screening your calls panicked or if they were instructions meant to intimidate -- either way their time was wasted and you are at fault ultimately.

Please govern responsibly,

Followup: screenshots of the call log showing my incoming calls from the "non-working" number were forwarded to the Alderman at Large and she reached out to me. She engaged an answering service which makes perfect sense to me (can't believe I didn't think of that but here we are).

It is plausible (actually, likely) to me that an issue with the forwarding used for the answering service. It is somewhat concerning that this answering service can't just say "this is an answering service" but that's small potatoes compared to the idea of a public official screening their calls. I'm satisfied with that.

I've left a followup message with the city office. If I get any calls from Franklin Police I'll follow up here to acknowledge that. As far as I know all they have is a report of a lot of hangups from my main number (due to whatever flakiness kept the answering service from hearing me) and the conversation I had with dispatch via the answering service's forward.

In case you can't tell I'm thorough to a fault so thank you for your patience!

The cruelty in the midst of our tragedy is unimaginable, I cannot imagine the grief of Pastor Scruggs having to hear lies about the murder of her daughter. The fringes of society have been given a microphone - this is an unrecognizable Williamson County from my youth.

Please do something, thank you.

Hello Franklin Aldermen,

I'm writing to you regarding the very upsetting Gabrielle Hanson situation. I would like to ask that you all, her fellow Aldermen, begin conversations with her that will help her decide its in the best interest of the city for her to resign her position as Alderman in Williamson County. She is an embarrassment to the people of Williamson County. I moved to Franklin 7 years ago from Rural Kentucky for a better life for my family, including my small children. Franklin is a special place with wonderful people but Ms. Hanson's words and actions are causing a black eye on our fair city. We are a community of highly intelligent and successful people and her words and overall ignorance are making a mockery of this community that people like yourselves have worked hard to build. I have loved living here but over the past 2 years, things have been changing. Extremism is rearing its ugly head here in Franklin, and if we don't stand up and put a stop to it NOW, this kind of behavior will ruin our community. We cannot allow our elected officials to publicly lie and fabricate stories about tragic events that affected people in our community. This is not ok. Her behavior is not ok.

Thank you for taking time out of your day to read this email. I hope that you all, Mayor Ken Moore, and other people in power in this community can work to remove Ms. Hanson from her position. She does not deserve to represent our wonderful city. She has proven that with her own words and actions.

Mayor Moore, Alderman, and Ms. Billingsley,

I am writing to request a formal ethical review of Gabrielle Hanson's actions in spreading false, slanderous conspiracy theories while identifying herself as an Alderman for the City. In appearances on the Mill Creek View Podcast as well as SuperTalk 99.7 Ms. Hanson made slanderous statements regarding the victims in the Covenant School shooting as well as the motivations of the shooter. Our community as well as the families are grieving the senseless loss of life in a terrible tragedy. It is unconscionable that she would make baseless, demonstrably false claims that cast the victims in a false light and bring more pain to their families. It is an embarrassment to the City that she chose to do so while identifying herself as a member of leadership.

Additionally, she used her time on air to disparage her fellow Alderman and the Mayor, as well as a local church that provides an enormous amount of support to those in need. Making those kind of comments about her coworkers and an esteemed body of faith that does so much good also damages the reputation of our City.

If there is a more formal complaint form I need to utilize or process I need to pursue in order to make an ethics claim against Ms. Hanson, please advise me how to proceed. I trust the Board and Mayor will take this issue seriously, as the reputation of our City and its' leadership is at stake.

**Subject:** Ethics Violation - Gabrielle Hanson

*ATTENTION COF staff: This email originated from outside the City of Franklin. Please use discretion when clicking on attachments & links from unknown senders or suspicious emails.*

My name is Elizabeth Eaton. I am a resident of ward 4 in Franklin, TN.

I believe in Freedom of Speech. I also believe that we are all responsible for our actions, including spoken words and statements on podcasts. There are repercussions for yelling "Fire" in a crowded movie theater, for example. Podcasts can be considered an equivalent to official media press releases.

I listened to the Matt Murphy podcast with Gabrielle Hanson regarding the Covenant shooter. Ms Hanson's comments were sickening. Certainly it is not for me to say whether or not Ms. Hanson believes that she has a direct connection with the Holy Spirit, or that Ms Hanson believes that she has a direct newsfeed from God- I have no doubt that she believes this.

Ms. Hanson's comments about the rumours that she has widely distributed about the "love triangle" of the shooter was shameful. Her comments were harmful to the police investigation, insensitive to the victims, and disrespectful to the memories of the victims by the surviving families. This is the second consecutive podcast where she made these assertions. Ms. Hanson did not say that she "thought" or "had a theory" - she laid out false assertions of what occurred with the Covenant shooter as though these details were FACTS.

As an Alderman at Large, Ms. Hanson is an elected government official with the City of Franklin. A government is for and by its people. Ms. Hanson's comments represent one view of the City of Franklin - because she is currently an Alderman at Large. As an elected official, Ms. Hanson has used her elevated public platform to spread rumors. She has stated publicly that "she knows things" and has inside information not available to others. These lies carry additional weight based upon her "inside source" that she will not reveal.

During one of the worst tragedies to ever occur within the greater Nashville area, Ms. Hanson has chosen to publicly disseminate rumors and lies, without sharing her source, and has doubled down on its veracity. We should be trying to find ways to help the victims' families and trust in the ongoing law enforcement investigation. Instead, Ms. Hanson has taken time and effort away from the important work of law enforcement officials who have had to formally dispute her remarks. This is incredibly hurtful to the families and friends of the victims - why has she inflicted more pain upon them so unnecessarily?

I believe that serious ethics violations have occurred. Ms. Hanson should be formally censured and forced to resign. Ms. Hanson should NOT represent the City of Franklin.

Sincerely,

Elizabeth Eaton

Good Morning -

As a resident and homeowner within the city of Franklin, TN, I'm appalled by Alderman Bev Burger's recent dismissal of Alderman Hanson's recent remarks about the Covenant School shooting while citing her position in city leadership.

In a recent interview with the "Williamson Herald", Alderman Burger referred to the statements made by Alderman Handson as "personal opinion". Quoting the article: "The city of Franklin and the Board of Mayor and Alderman had no knowledge that Alderman Hanson was going to share her opinion or any insights she may have been privy to regarding the senseless school killings...her remarks were, of course, her own, not the city of Franklin or the board's." She continued..."Our board has guidelines and we have an ethics commission, I'd have to go back and read what offenses are expulsion offenses. I think they are pretty rigid. I'm not sure they cover personal opinion."

I wish to file a formal ethics complaint against Alderman Burger. A public official should be willing to publicly refute unethical actions of fellow board members or simply respond with "no comment"...instead, with her own commentary citing her position as an Alderman, Alderman Burger offers credibility to the hateful, unsubstantiated commentary by Alderman Hanson ("may have been privy to") and further characterizes these statements as mere "opinion" as if to imply that an elected official should be free from recourse for hateful public commentary.

When making statements to the media as an elected official, it is simply unethical for that individual to offer any credence to unsubstantiated conspiracy theories, and dismiss those stated by others on the board as mere "opinion". We deserve better from our city leaders.

Thank you -

- (2) To receive and hear complaints of violations of standards required by the ethics code.
- (3) To make investigations as it deems necessary to determine whether any person has violated this ethics code, but only after the affirmative vote of majority of the ethics commission have voted to conduct the investigation.
- (4) To take such action as provided in the ethics code as deemed appropriate because of any violation of this ethics code.
- (5) To make proposals or recommendations to the board of mayor and aldermen for the adoption of any revisions or amendments to this ethics code.

#### Sec. 2-309. - Advisory opinions.

The ethics commission shall render an advisory opinion based on a real or hypothetical set of circumstances when requested in writing by any named officer, and it shall be a responsibility of the ethics commission for the interpretation of the ethics code. Such advisory opinion shall be rendered pursuant only to a written request, fully

setting forth the circumstances to be reviewed by the ethics commission. The proceedings of the ethics commission pursuant to this section shall be held in public, and the final opinions of the ethics commission shall be a public record.

(Ord. No. 2007-70, 5-8-2007)

#### Sec. 2-310. - Complaints.

The ethics commission shall be responsible for hearing and deciding any written and signed complaints filed regarding alleged violation of this chapter by any person. The following procedure shall be followed when filing a complaint:

- (1) Any person may file a complaint alleging violation of any of the provisions of this chapter by filing it with the city recorder's office, who shall immediately deliver such complaint to the city attorney and to the chairman of the ethics commission or his designee. A copy of such complaint shall immediately be forwarded by registered mail to the official against whom the complaint was filed.
- (2) The complaint must be based on personal knowledge, shall set forth such facts as would be admissible in evidence, and shall show affirmatively that the complainant is competent to testify to the matters stated therein. All documents referred to in the complaint must be attached to the complaint.
- (3) A complaint must be filed within 30 days of the date the alleged violation is said to have occurred, or in case of concealment or nondisclosure within six months of the date the alleged violation should have been discovered after due diligence. The commission shall not hear untimely complaints.
- (4) In the event the ethics commission makes an initial determination that a complaint is technically deficient or incomplete, the commission shall submit a list of deficiencies to the complainant and offer the complainant the opportunity to correct the deficiencies within seven days prior to the ethics commission's investigatory review of the complaint.
- (5) Upon receipt of a complaint alleging misconduct, the official against whom the complaint was filed may reply in writing to the complaint within 30 days, unless such time for reply is shortened or extended by the ethics commission. The official's response must be based on personal knowledge, must set forth such facts as would be admissible in evidence, and must show affirmatively that the official is competent to testify to the matters stated therein. All documents referred to in the response should be attached to the response. However, in order to ensure the right to a fair trial and the right of the accused against self-incrimination, the commission shall not schedule a hearing for the violation of any law while criminal investigation is in progress or while criminal charges are pending. Once criminal proceedings are final, the commission need not be bound by the conclusions of the court and may hold a censure hearing.
- (6) Within 60 days of receipt of a complaint, the ethics commission shall conduct a formal public hearing in accordance with the requirements of due process. The ethics commission is authorized to subpoena

and swear witnesses.

- (7) If after reviewing the complaint the ethics commission by majority vote determines that no specific, substantiated evidence from a credible source(s) exists to support a reasonable belief that there has been a violation of the ethics code or determines that no violation occurred, it may dismiss the complaint. If the ethics commission determines that specific, substantiated evidence from a credible source(s) exists to support a reasonable belief that there has been a violation of the ethics code, then it shall render a written decision stating facts supporting that finding, conclusions of law and censure, as appropriate.
- (8) Nothing in this chapter shall be construed to limit or encumber the right of the ethics commission to initiate an investigation on its own cognizance as it deems necessary to fulfill its obligations under this chapter.

(Ord. No. 2007-70, 5-8-2007)

Sec. 2-311. - Judicial review.

- (2) Upon failure to timely request judicial review of the decision by writ of certiorari as provided in this section, the decision shall be binding and final upon all parties.

(Ord. No. 2007-70, 5-8-2007)

## CHAPTER 8. - ETHICS

## Sec. 1-801. - Applicability and interpretation.

- (1) This chapter is the Code of Ethics for the City of Franklin and applies to all full time and part time elected or appointed officials and employees, whether compensated or not, including those of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by the municipality. The words "municipal" and "municipality" include these separate entities. When a violation of this Code of Ethics also constitutes a violation of a personnel policy, rule, or regulation or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this Code of Ethics except as may be required by law. In any situation in which a personal interest is also a conflict of interest under state law, the more restrictive regulation shall apply. Any action or inaction governed by this chapter may also constitute state and federal crimes. This chapter is not intended to supersede state or federal law.
- (2) The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this Code of Ethics. The interpretations of the Tennessee Ethics Commission shall serve as guidance in interpreting this chapter.

(Ord. No. 2007-69, 5-8-2007)

## Sec. 1-802. - Definitions and interpretation.

Such term does not include the solicitation, acceptance, receipt or regulation of political campaign contributions. It does not include a campaign contribution otherwise reported as required by law, a commercially reasonable loan made in the ordinary course of business, or a gift received from a member of the person's immediate family or from a relative within the third degree of consanguinity of the person or of the person's spouse, or from the spouse of any such relative. It does not include the waiver of a registration fee for a conference or educational seminar.

In addition, the official may recuse himself or herself from voting on the measure.

(Ord. No. 2007-69, 5-8-2007)

Sec. 1-804. - Disclosure of personal interest in nonvoting matters.

An official or employee who must exercise discretion relative to any matter, other than casting a vote, and who has a personal interest in the matter that affects or that would lead a reasonable person to infer that it affects the exercise of the discretion shall disclose, before the exercise of the discretion when possible, the interest on a form provided by and filed with the recorder. In addition, the official or employee may, to the extent allowed by law, charter, ordinance, or policy, recuse himself or herself from the exercise of discretion in the matter.

(Ord. No. 2007-69, 5-8-2007)

Sec. 1-805. - Acceptance of gifts, gratuities, honoraria, etc.; exceptions; reporting.

- (1) Except as provided in this section, no officials or employees, either for themselves or for their immediate family, or for any other person, may knowingly solicit, receive benefit from, accept or agree to accept any gratuity, gift, honoraria, loan, favor, promise or any thing of value for themselves, any other person or any member of the immediate family of such official. In addition, it shall also be a violation of this ethics code for any gift as defined in this chapter to be received by any such person as specified in this section if:
  - (a) It tends to influence the official or employee in the discharge of official duties or gives a reasonable basis for the impression of improper influence over the discharge of official duties; or
  - (b) The official or employee has financial interest which may be substantially and materially affected, by performance or nonperformance of official duties.
- (2) The gifts, gratuities, honoraria and other things listed in the Tennessee Ethics Commission Act (specifically but not exclusively T.C.A. § 3-6-305(b)) shall not be prohibited.
- (3) If an official attends an event and accepts a prohibited gift or honorarium, then the giver who knows or has reason to know that the it has been provided in violation of this chapter, then, within seven days following the event, the giver shall electronically report the following information to the ethics commission:
  - (a) Name of the official or family member;
  - (b) Nature and purpose of the event;

- (c) Name, address and business of the person or entity that provided the gift;
- (d) Description of the gift; and
- (e) Cost of the gift; however, if the cost of the gift is unknown and not reasonably discernible by the giver, then the giver shall report a good faith estimate of the cost of the gift.

(Ord. No. 2007-69, 5-8-2007)

Sec. 1-806. - Use of information.

- (1) Officials or employees may not disclose any information obtained in their official capacity or position of employment that is made confidential under state or federal law except as authorized by law.
- (2) Officials or employees may not use or disclose information obtained in their official capacity or position of employment with the intent to result in financial gain for themselves or any other person or entity.

(Ord. No. 2007-69, 5-8-2007)

Sec. 1-808. - Use of position or authority.

- (1) Officials or employees may not make or attempt to make private purchases, for cash or otherwise, in the name of the municipality.
- (2) Officials or employees may not use or attempt to use their position to secure any privilege or exemption for themselves or others that is not authorized by the charter, general law, or ordinance or policy of the municipality. No officer shall intimidate, threaten, coerce,

- (3) No official or employee shall endorse, in such a manner as to convey the city's approval of, any private for-profit enterprise without the approval of the board of mayor and aldermen.

(Ord. No. 2007-69, 5-8-2007)

#### Sec. 1-809. - Outside employment.

An official or employee may not accept or continue any outside employment if the work unreasonably inhibits the performance of any affirmative duty of the municipal position or conflicts with any provision of the municipality's charter or any ordinance or policy. The prohibition of this section shall not apply to:

- (1) An officer or employee who is appointed to a regulatory or licensing authority pursuant to a statutory requirement that persons subject to the jurisdiction of the authority be represented in appointments to it; or

(Ord. No. 2007-69, 5-8-2007)

#### Sec. 1-810. - Abstention to avoid conflicts of interest.

  - (b) Any matter in which the officer has a financial interest, a fiduciary interest, a corporate interest, or an employment interest.

- (3) It is hereby declared that it is not the intent of this ethics code to prohibit an immediate family

member of an officer from being engaged in gainful employment in this city. The city shall not be prohibited from doing business with an entity which employs an immediate relative of an officer, provided that:

- (a) Such business relationship does not violate this chapter;
- (b) Such business relationship is fully disclosed in writing; and

In addition to any other remedy provided by law, an appointed official or an employee who violates any provision of this chapter is subject to disciplinary action including but not limited to termination in the case of an employee.

Hello Mayor Little:

I appreciate Ken making an introduction as we are traveling together on a visioning trip in GA. I would welcome the opportunity to connect and hear your perspective on how the State Rep role can be of best service to you and the Brentwood community. Hi Bob,

Mayor Moore mentioned that you coordinated for Katie Baier to recite the Pledge of Allegiance on Tuesday, June 14<sup>th</sup> at our BOMA meeting. I wanted to pass along the specifics for Katie:

The board meeting starts at 7p, and the pledge of allegiance will be recited at the start of the meeting. Just to note, we do have a work session prior to the board meeting, so sometimes the board meeting starts a bit late due to discussion running long. Even if that is the case, it is usually no later than 7:15p. The board meeting takes place in the boardroom here at City Hall (109 Third Avenue South, Franklin TN, 37064), and I, Hannah, will be by the doors of the boardroom to show you where to go upon arrival. The board meeting is always a public meeting, so anyone is welcome to join! It is also always televised (Franklin TV, YouTube, Facebook), so their friends & family can watch if they aren't able to attend. You can leave after the pledge of allegiance. You are, of course, more than welcome to stay for the meeting (or even part of the meeting), but I also understand that they can go late. For parking, there are free parking garages off of 2<sup>nd</sup> Avenue, as well as, 4<sup>th</sup> Avenue. The 2<sup>nd</sup> Ave. garage is located next to City Hall, and the 4<sup>th</sup> Ave. garage is just a block away. There is also free street parking throughout downtown Franklin.

Please let me know if you need any other information or if you need me to reach out to Katie directly.

Thank you so much for arranging this!

Hi Katie. I am very excited to have you do this. Since there is a working meeting ahead of the BOMA meeting, it might make sense for you to park at our home at 221 3rd Ave S Franklin as we are a block from City Hall. Lisa and I would love the chance to meet you in advance of the meeting if you think you could get here by about 6:15 or so and then we can walk over to City Hall. If that's inconvenient, I can just meet you at City Hall in the main open area at 6:45 and can introduce you to the mayor. I'm copying Hannah Lampela from the Mayor's office so she can let Mayor Ken Moore that we are on for tomorrow evening. I can't tell you how excited I am for you to be doing this at the meeting tomorrow. I look forward to meeting you.

Thanks Ken. Appreciate it. For clarity, with those pledges, do we still need to send the invitation or are they already committed to be there on June 7?

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15.

What you can do to help me most:

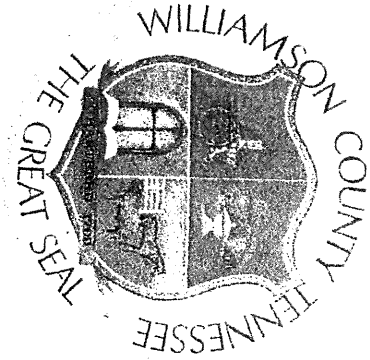

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

## MEMORIAL DAY SERVICE

May 30, 2022 - 10:00am

### WILLIAMSON COUNTY VETERANS PARK

FIVE POINTS  
FRANKLIN, TENNESSEE

#### IN FLANDERS FIELDS

By John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place, and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

O beautiful for spacious skies,

YESTERDAY

BY COL STAN TYSON, US ARMY (RET)

2021-2022 Paver Additions

WE'VE JOURNIED DOWN A WELL WORN WAY  
IN SEARCH OF THOSE WHO COULDN'T STAY,  
NOW LOST IN MIST WHERE SHADOWS PLAY,  
A DISTANT PLACE, CALLED YESTERDAY.

WE SERVED THE FLAG WHEN WE WERE YOUNG,  
BOYS TO MEN, STILL SONGS WE SUNG  
SPOKE OF HOME AND DAYS TO COME  
AND LIFE WAS FULL, WHEN WE WERE YOUNG.

AND SO WE'VE FOLLOWED, DAY BY DAY,  
ALONG THAT ANCIENT TRAVELLED WAY  
WHICH LEADS TO THOSE WHO SLIPPED AWAY,  
A MOMENT PAST, JUST YESTERDAY.

THEIR SUN HAS SET AND CALLED THE NIGHT,  
A DISTANT STAR CASTS DOWN ITS LIGHT  
UPON A TIME AND PLACE WHERE THEY  
ARE WAITING THERE, IN YESTERDAY.

## MEMORIAL DAY

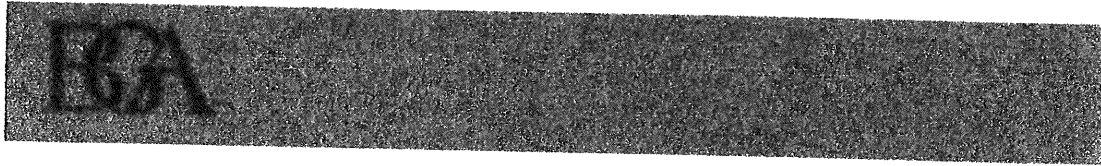

General John A. Logan, grand Army of the Republic, designated May 30th, 1868, "as a day for sowing flowers or otherwise decorating the graves of comrades who died in the defense of their country, and whose bodies now lie in almost every city, village, or hamlet churchyard in the land..." That day, flowers were placed on the graves of Union and Confederate soldiers at Arlington Cemetery. Following World War I, the Day of Remembrance was changed to include all military service members who lost their lives in any National war. In later years, the occasion was expanded to include those still listed as "missing in action." Though Veterans Day is celebrated as well, Memorial Day has become the most significant day in recognition of our Nation's armed forces.

"On this sacred day, we honor those Americans who died fighting for freedom. We pause to remember, to think about the meaning of the loss of brave men and women who did not return from battle. And in cemeteries all across this great land, people will place flags or lay bouquets on quiet graves 'where valor proudly sleeps.'

On this day, we must tell the stories of those who fought and died in freedom's cause. We must tell their stories because those who have lost loved ones need to know that a grateful nation will always remember. We must tell their stories so that our children and grandchildren will understand what our lives might have been like had it not been for their sacrifice. The thousands of us who fought alongside brave friends who fell will never hear 'Taps' played without remembering them, nor will their families and friends."

~Presidential radio address, May 25, 1992

"Through the course of our nation's history, more than 41 million Americans have served the cause of freedom and more than a million have died in its name. On this noble American holiday, we solemnly pause to remember the men and women who gave their lives in service to our Nation. We honor those generations and individuals who fought for liberty and in defiance of tyranny that this unique experiment in self-government might long endure."  
~Presidential Proclamation, May 25, 2001

Matt, sorry for the delay in getting back to you. I am out of town helping out with caring for Patsy's mother. She is 93 and still lives at home and under Hospice care. The Hospice nurse told Patsy last Friday that her mother had taken a turn for the worse and she needed to come. Therefore, we are in Anniston, Alabama. I have no idea when we will return.

The 2019 traffic study was done before the Mack Hatcher extension was open. The traffic on Mallory Station has picked up considerably since the opening. The Westhaven folks are using Mallory Station when headed to the Galleria or elsewhere in Cool Springs. This makes it more difficult for the Morningside retirement community folks to get out on Mallory Station Road. We'll get together when I get back and discuss. I agree with you the situation with the number of cars at Morningside has not changed except for the construction traffic.

I look forward to meeting Bob Ravener regency I return.

Thanks for your help

Let's discuss. This would suggest to me that we need to wait until the construction is complete to do another study – as the volumes projected here are low. They may not reflect reality once people move into that complex.

Also, I want to introduce you to Bob Ravener. He is running for TN State Rep (Brandon Ogles seat). I am his treasurer and working on his campaign. He is a Navy vet, used to be an exec at Dollar General and has tremendous support throughout the community. He will be phenomenal.

Either of those days works for me, let's bring Monique into the conversation.

Monique, Vernon has informed us that April 11th is not a good day for the DNA meeting about City Hall because of HZC. Is the training room available April 25th or May 2nd?

Thanks,

Good afternoon Patrick.  
Eric passed along your request from the DNA and Kelly, Joe, and I would be happy to update the membership on the status of City Hall. However, Monday, April 11 is not a date that works. The HZC meets on the 11<sup>th</sup> and their recent meetings have been running quite long. Therefore, scheduling a time to meet with the DNA on the 11<sup>th</sup> would be a best guess.

We recommend scheduling this meeting on either Monday, April 25 or, May 2<sup>nd</sup>.

Just let me know and we'll place it on our calendars.

Thanks Ken. Appreciate it. For clarity, with those pledges, do we still need to send the invitation or are they already committed to be there on June 7?

Hello Mayor Little:

I appreciate Ken making an introduction as we are traveling together on a visioning trip in GA. I would welcome the opportunity to connect and hear your perspective on how the State Rep role can be of best service to you and the Brentwood community. I look forward to finding some time on your calendar. All the best.

Dear Neighbors and Friends,

For those of you who were able to join us this afternoon, thank you for sharing your time with us. We very much appreciated your coming and the wonderful conversations.

Particular thanks go out to Mayor Ken Moore and (soon-to-be-Representative (?)) Bob Ravener for coming by.

For those of you who missed **The Throw**, Joey McCloskey won the walk-off home run corn hole competition! (You'll have to ask him about it.)

The assigned photographer started gabbing and eating and neglected his duties until the very end – pictures of the stragglers and the biggest canine present are attached.

For those who could not make it, we missed you but hope to see you next year for the Third Annual.

Best wishes,

Subject: Disruption of Legal Public Gathering

..

ATTENTION COF staff: This email originated from outside the City of Franklin. Please use discretion when clicking on attachments & links from unknown senders or suspicious emails.

Today, a group of citizens held a rally for which we had a public gathering permit (see attached) issued by the City of Franklin. This rally was on the sidewalk in front of the Monticello neighborhood down to the Mack Hatcher intersection. At the beginning of the event, the owner of Brownland Farm, Robin Anderton, drove his non-street legal utility terrain vehicle across Hillsboro Road onto Monticello Rd. and told everyone who was parked along the edge of Monticello Rd. that they were parked illegally on private property (which Robin Anderton does not own), and that he was going to call the police and get our cars towed.

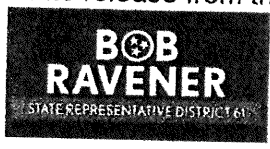

Then Kevin Estes of Land Solutions arrived and drove his truck through the Eatherly property, got out of his truck and started tearing down yard signs that had been placed as part of the rally. Shortly thereafter Robin Anderton drove his UTV back out onto Hillsboro Rd., past the rally and onto the sidewalk. He got out and began to tear down signs placed along the sidewalk and got back into his vehicle and left. I have attached a link to a video of that incident involving Mr. Anderton. Both Mr. Estes and Mr. Anderton interfered with our right to peaceful assembly. Prior to the end of the rally signs belonging to citizens were stolen and taken onto Brownland Farm by an individual in a white pickup truck.

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15.

What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

City of Franklin Ethics Committee:

During the 2022 TN-61 GOP primary season, Mayor Ken Moore and Alderman Matt Brown are believed to have used their positions of authority and influence within Franklin City government to provide assistance to candidate Bob Ravener's campaign. These actions are possible violations of City of Franklin Ordinances Sec 1-807 (Use of municipal time, facilities, etc) & City of Franklin Ordinances Sec 1-808 (Use of position or authority). Additionally, these may be violations of sections of Tennessee Code Annotated Title 2 Elections, Chapter 19 - Prohibited Practices, Part 2 - Offenses by Public Officers and Employees ("Little Hatch Act"). These potential violations should be investigated, and if adjudged improper, punished by the appropriate authorities.

Please acknowledge receipt of this complaint and what the estimated timeline will be for review.

Thank you!

Hi Bob,

Mayor Moore mentioned that you coordinated for Katie Baier to recite the Pledge of Allegiance on Tuesday, June 14<sup>th</sup> at our BOMA meeting. I wanted to pass along the specifics for Katie:

The board meeting starts at 7p, and the pledge of allegiance will be recited at the start of the meeting. Just to note, we do have a work session prior to the board meeting, so sometimes the board meeting starts a bit late due to discussion running long. Even if that is the case, it is usually no later than 7:15p. The board meeting takes place in the boardroom here at City Hall (109 Third Avenue South, Franklin TN, 37064), and I, Hannah, will be by the doors of the boardroom to show you where to go upon arrival. The board meeting is always a public meeting, so anyone is welcome to join! It is also always televised (Franklin TV, YouTube, Facebook), so their friends & family can watch if they aren't able to attend. You can leave after the pledge of allegiance. You are, of course, more than welcome to stay for the meeting (or even part of the meeting), but I also understand that they can go late. For parking, there are free parking garages off of 2<sup>nd</sup> Avenue, as well as, 4<sup>th</sup> Avenue. The 2<sup>nd</sup> Ave. garage is located next to City Hall, and the 4<sup>th</sup> Ave. garage is just a block away. There is also free street parking throughout downtown Franklin.

Please let me know if you need any other information or if you need me to reach out to Katie directly.

Thank you so much for arranging this!

Hi Katie. I am very excited to have you do this. Since there is a working meeting ahead of the BOMA meeting, it might make sense for you to park at our home at 221 3rd Ave S Franklin as we are a block from City Hall. Lisa and I would love the chance to meet you in advance of the meeting if you think you could get here by about 6:15 or so and then. We can walk over to City Hall. If that's inconvenient, I can just meet you at City Hall in the main open area at 6:45 and can introduce you to the mayor. I'm copying Hannah Lampela from the Mayor's office so she can let Mayor Ken Moore that we are on for tomorrow evening. I can't tell you how excited I am for you to be doing this at the meeting tomorrow. I look forward to meeting you.

Looking forward to it!

The Mayor would like you to be in uniform as had others who have previously led the Pledge. Let me know you received this and let's connect ahead of time to ensure we are all on the same page. Thanks Ken. Appreciate it. For clarity, with those pledges, do we still need to send the invitation or are they already committed to be there on June 7?

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15.

What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

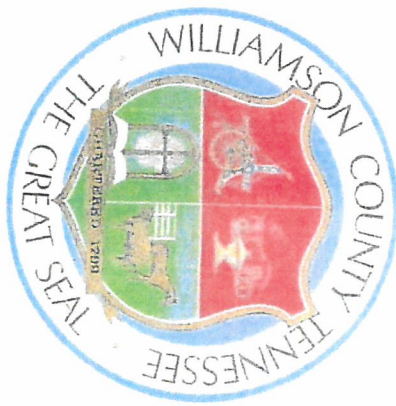

Watch the video on the link and thanks so much for your support!

## MEMORIAL DAY SERVICE

May 30, 2022 - 10:00am

**WILLIAMSON COUNTY VETERANS PARK**  
FIVE POINTS  
FRANKLIN, TENNESSEE

### IN FLANDERS FIELDS

By John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place, and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

WE'VE JOURNIED DOWN A WELL WORN WAY  
IN SEARCH OF THOSE WHO COULDN'T STAY,  
NOW LOST IN MIST WHERE SHADOWS PLAY  
A DISTANT PLACE, CALLED YESTERDAY.

WE SERVED THE FLAG WHEN WE WERE YOUNG,

BOYS TO MEN, STILL SONGS WE SUNG  
SPOKE OF HOME AND DAYS TO COME  
AND LIFE WAS FULL, WHEN WE WERE YOUNG.

AND SO WE'VE FOLLOWED, DAY BY DAY,  
ALONG THAT ANCIENT TRAVELLED WAY  
WHICH LEADS TO THOSE WHO SLIPPED AWAY,  
A MOMENT PAST, JUST YESTERDAY.

THEIR SUN HAS SET AND CALLED THE NIGHT,  
A DISTANT STAR CASTS DOWN ITS LIGHT  
UPON A TIME AND PLACE WHERE THEY  
ARE WAITING THERE, IN YESTERDAY.

Guest Speaker:

**Bob Ravener**

Bob Ravener graduated from the United States Naval Academy, where he earned distinction as a leader, intercollegiate baseball player and is past president of his class. He served on active duty in the U.S. Navy as a Submarine Officer before transitioning to a career in business.

He has since served in executive roles in several top Fortune 200 corporations including PepsiCo, Home Depot, Starbucks, and most recently Dollar General, in which he was the Chief People Officer until his retirement in 2019. During his time with Dollar General, the company grew to almost sixteen thousand stores and added approximately sixty-five thousand jobs to the economy.

Mr. Ravener has also served on boards and commissions at the national state and local levels, including the President's National Hire Veterans Committee and the Secretary of Labor's Advisory Committee for Veterans Employment, Training and Employer Outreach. He was board chairman of the Tennessee State Workforce Development Board, Human Capital Advisory Council member of the Federal Reserve Bank of Atlanta, and vice-chairman of the Franklin Civil War Historical Commission.

Today, Mr. Ravener serves on the boards of Goodwill Industries International, Friends of Franklin Parks, Franklin's Charge, and the Franklin Downtown Neighborhood Association. He is also a member of the Downtown Franklin Rotary, Veterans of Foreign Wars, and American Legion Post 215. He is currently a candidate for the Tennessee House of Representatives, District 61, which includes large parts of Franklin and Brentwood. He lives in Franklin with Lisa, his wife of almost forty years, and has three grown children and four grandchildren.

## MEMORIAL DAY

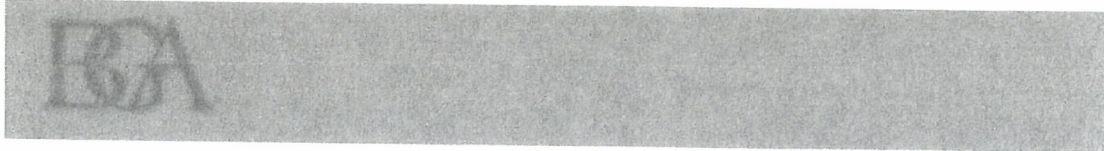

General John A. Logan, grand Army of the Republic, designated May 30th, 1868, "as a day for strewing flowers or otherwise decorating the graves of comrades who died in the defense of their country, and whose bodies now lie in almost every city, village, or hamlet churchyard in the land..." That day, flowers were placed on the graves of Union and Confederate soldiers at Arlington Cemetery. Following World War I, the Day of Remembrance was changed to include all military service members who lost their lives in any National war. In later years, the occasion was expanded to include those still listed as "missing in action." Though Veterans Day is celebrated as well, Memorial Day has become the most significant day in recognition of our Nation's armed forces.

"On this sacred day, we honor those Americans who died fighting for freedom. We pause to remember, to think about the meaning of the loss of brave men and women who did not return from battle. And in cemeteries all across this great land, people will place flags or lay bouquets on quiet graves where valor proudly sleeps."

On this day, we must tell the stories of those who fought and died in freedom's cause. We must tell their stories because those who have lost loved ones need to know that a grateful nation will always remember. We must tell their stories so that our children and grandchildren will understand what our lives might have been like had it not been for their sacrifice. The thousands of us who fought alongside brave friends who fell will never hear 'Taps' played without remembering them, nor will their families and friends."

~Presidential radio address, May 25, 1992

"Through the course of our nation's history, more than 41 million Americans have served the cause of freedom and more than a million have died in its name. On this noble American holiday, we solemnly pause to remember the men and women who gave their lives in service to our Nation. We honor those generations and individuals who fought for liberty and in defiance of tyranny that this unique experiment in self-government might long endure."  
~Presidential Proclamation, May 25, 2001

Matt, sorry for the delay in getting back to you. I am out of town helping out with caring for Patsy's mother. She is 93 and still lives at home and under Hospice care. The Hospice nurse told Patsy last Friday that her mother had taken a turn for the worse and she needed to come. Therefore, we are in Anniston, Alabama. I have no idea when we will return.

The 2019 traffic study was done before the Mack Hatcher extension was open. The traffic on Mallory Station has picked up considerably since the opening. The Westhaven folks are using Mallory Station when headed to the Galleria or elsewhere in Cool Springs. This makes it more difficult for the Morningside retirement community folks to get out on Mallory Station Road. We'll get together when I get back and discuss. I agree with you the situation with the number of cars at Morningside has not changed except for the construction traffic.

I look forward to meeting Bob Ravener regency I return.

Thanks for your help

Arthur

Let's discuss. This would suggest to me that we need to wait until the construction is complete to do another study – as the volumes projected here are low. They may not reflect reality once people move into that complex.

Also, I want to introduce you to Bob Ravener. He is running for TN State Rep (Brandon Ogles seat). I am his treasurer and working on his campaign. He is a Navy vet, used to be an exec at Dollar General and has tremendous support throughout the community. He will be phenomenal.

I'd like to bring him by and let you meet and talk to him.

Either of those days works for me, let's bring Monique into the conversation.

Monique, Vernon has informed us that April 11th is not a good day for the DNA meeting about City Hall because of HZC. Is the training room available April 25th or May 2nd?

Thanks,  
Lynne

Good afternoon Patrick.  
Eric passed along your request from the DNA and Kelly, Joe, and I would be happy to update the membership on the status of City Hall. However, Monday, April 11 is not a date that works. The HZC meets on the 11<sup>th</sup> and their recent meetings have been running quite long. Therefore, scheduling a time to meet with the DNA on the 11<sup>th</sup> would be a best guess.

We recommend scheduling this meeting on either Monday, April 25 or, May 2<sup>nd</sup>.

Just let me know and we'll place it on our calendars.

Hello Mayor Little:

I appreciate Ken making an introduction as we are traveling together on a visioning trip in GA. I would welcome the opportunity to connect and hear your perspective on how the State Rep role can be of best service to you and the Brentwood community. I look forward to finding some time on your calendar. All the best.

Dear Neighbors and Friends,

For those of you who were able to join us this afternoon, thank you for sharing your time with us. We very much appreciated your coming and the wonderful conversations.

Particular thanks go out to Mayor Ken Moore and (soon-to-be-Representative (?)) Bob Ravener for coming by.

For those of you who missed *The Throw*, Joey McCloskey won the walk-off home run corn hole competition! (You'll have to ask him about it.)

The assigned photographer started gabbing and eating and neglected his duties until the very end – pictures of the stragglers and the biggest canine present are attached.

For those who could not make it, we missed you but hope to see you next year for the Third Annual.

Best wishes,

Thanks Ken. Appreciate it. For clarity, with those pledges, do we still need to send the invitation or are they already committed to be there on June 7?

Hope you are both doing well!

I wanted to send you the invitation for Bob Ravener's kick-off event being held at my offices in our courtyard. Today, a group of citizens held a rally for which we had a public gathering permit (see attached) issued by the City of Franklin. This rally was on the sidewalk in front of the Monticello neighborhood down to the Mack Hatcher intersection. At the beginning of the event, the owner of Brownland Farm, Robin Anderton, drove his non-street legal utility terrain vehicle across Hillsboro Road onto Monticello Rd. and told everyone who was parked along the edge of Monticello Rd. that they were parked illegally on private property (which Robin Anderton does not own), and that he was going to call the police and get our cars towed.

Then Kevin Estes of Land Solutions arrived and drove his truck through the Eatherly property, got out of his truck and started tearing down yard signs that had been placed as part of the rally. Shortly thereafter Robin Anderton drove his UTV back out onto Hillsboro Rd., past the rally and onto the sidewalk. He got out and began to tear down signs placed along the sidewalk and got back into his vehicle and left. I have attached a link to a video of that incident involving Mr. Anderton. Both Mr. Estes and Mr. Anderton interfered with our right to peaceful assembly. Prior to the end of the rally signs belonging to citizens were stolen and taken onto Brownland Farm by an individual in a white pickup truck.

Yes - thanks! Do we just say thank you for saying the pledge last night at the Board of Mayor and Alderman Meeting? How would you like me refer to Bob Ravener in the post? I am with Robert in Sullivan Farms waiting on a recycling truck to get video of.

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15. What you can do to help me most:

- make introductions locally
  - send contributions
  - host an event
  - place a yard sign somewhere in the district
  - most importantly get your contacts in the district to vote!
- Watch the video on the link and thanks so much for your support!

I've come across some troubling information that should be looked into. Mayor Ken Moore and Alderman Matt Brown may have used their positions within Franklin City government to provide assistance to candidate Bob Ravener's campaign during the 2022 election. These actions are possible violations of City of Franklin Ordinances Sec 1-807 (Use of municipal facilities) & City of Franklin Ordinances Sec 1-808 (Use of position of authority). Additionally, these may be violations of sections of Tennessee Code Annotated Title 2 Elections, Chapter 19 - Prohibited Practices, Part 2 - Offenses by Public Officers and Employees. I have copies of many emails sent between Moore, Brown & Ravener and can send those to you although I suspect you're aware of them. Please let me know if you intend to look into this.

City of Franklin Officials:

I am a Franklin City resident. I have come to learn that certain elected officials may have used their positions to directly aid a political campaign during 2022. I believe this may be a violation of Franklin Municipal Ordinances, Sec 1-807 (Use of municipal time, facilities, etc) & City of Franklin Ordinances Sec 1-808 (Use of position or authority). I have included these on the following pages.

I would appreciate the City of Franklin Ethics Commission looking into this matter. I have enclosed documentation to assist in this investigation. I respectfully request a response to this matter.

In addition to any other remedy provided by law, an appointed official or an employee who violates any provision of this chapter is subject to disciplinary action including but not limited to termination in the case of an employee.

- (2) A gift made contrary to this chapter, shall not be a violation if the official, employee or immediate family member does not use the gift and returns it to the donor within the latter of ten days of receipt or ten days of having knowledge that the gift was a violation or pays consideration of equal or greater value within the latter of ten days of receipt or ten days of having knowledge that the gift was a violation.

Hi Bob,

Mayor Moore mentioned that you coordinated for Katie Baier to recite the Pledge of Allegiance on Tuesday, June 14<sup>th</sup> at our BOMA meeting. I wanted to pass along the specifics for Katie:

The board meeting starts at 7p, and the pledge of allegiance will be recited at the start of the meeting. Just to note, we do have a work session prior to the board meeting, so sometimes the board meeting starts a bit late due to discussion running long. Even if that is the case, it is usually no later than 7:15p. The board meeting takes place in the boardroom here at City Hall (109 Third Avenue South, Franklin TN, 37064), and I, Hannah, will be by the doors of the boardroom to show you where to go upon arrival. The board meeting is always a public meeting, so anyone is welcome to join! It is also always televised (Franklin TV, YouTube, Facebook), so their friends & family can watch if they aren't able to attend. You can leave after the pledge of allegiance. You are, of course, more than welcome to stay for the meeting (or even part of the meeting), but I also understand that they can go late. For parking, there are free parking garages off of 2<sup>nd</sup> Avenue, as well as, 4<sup>th</sup> Avenue. The 2<sup>nd</sup> Ave. garage is located next to City Hall, and the 4<sup>th</sup> Ave. garage is just a block away. There is also free street parking throughout downtown Franklin.

Please let me know if you need any other information or if you need me to reach out to Katie directly.

Thank you so much for arranging this!

Hi Katie. I am very excited to have you do this. Since there is a working meeting ahead of the BOMA meeting, it might make sense for you to park at our home at 221 3rd Ave S Franklin as we are a block from City Hall. Lisa and I would love the chance to meet you in advance of the meeting if you think you could get here by about 6:15 or so and the. We can walk over to City Hall. If that's inconvenient, I can just meet you at City Hall in the main open area at 6:45 and can introduce you to the mayor. I'm copying Hannah Lampela from the Mayor's office so she can let Mayor Ken Moore that we are on for tomorrow evening. I can't tell you how excited I am for you to be doing this at the meeting tomorrow. I look forward to meeting you.

Good evening Mr. Ravener,

My apologies for the delayed responses. Thank you so much for the information in both emails- I really appreciate you allowing me to be a part of this! I am headed back to Annapolis tomorrow for commissioning week and then will be out of the country until the 11th. I can call you as soon as I return to discuss details if that works.

Thank you again! Looking forward to this.

Hi Katie:

I'm sure you are gearing up for graduation. A big congrats and I'm sure relief when it's done. I still remember 1981 like it was yesterday..

See the message below with some details on the 6/14 Board of Mayor and Aldermen meeting to lead the Pledge of Allegiance for the attendees. The Mayor would like you to be in uniform as had others who have previously led the Pledge.

Let me know you received this and let's connect ahead of time to ensure we are all on the same page. I am so excited for you to participate in this event and let me know if there is anything I can do on my end to make this work smoothly for you. Thank so much.

Bob

••  
Hi Bob,

Mayor Moore mentioned that you coordinated for Katie Baier to recite the Pledge of Allegiance on Tuesday, June 14<sup>th</sup> at our BOMA meeting. I wanted to pass along the specifics for Katie:

The board meeting starts at 7p, and the pledge of allegiance will be recited at the start of the meeting. Just to note, we do have a work session prior to the board meeting, so sometimes the board meeting starts a bit late due to discussion running long. Even if that is the case, it is usually no later than 7:15p. The board meeting takes place in the boardroom here at City Hall (109 Third Avenue South, Franklin TN, 37064), and I, Hannah, will be by the doors of the boardroom to show you where to go upon arrival. The board meeting is always a public meeting, so anyone is welcome to join! It is also always televised (Franklin TV, YouTube, Facebook), so their friends & family can watch if they aren't able to attend. You can leave after the pledge of allegiance. You are, of course, more than welcome to stay for the meeting (or even part of the meeting), but I also understand that they can go late. For parking, there are free parking garages off of 2<sup>nd</sup> Avenue, as well as, 4<sup>th</sup> Avenue. The 2<sup>nd</sup> Ave. garage is located next to City Hall, and the 4<sup>th</sup> Ave. garage is just a block away. There is also free street parking throughout downtown Franklin.

Please let me know if you need any other information or if you need me to reach out to Katie directly.

Thank you so much for arranging this!  
Hannah

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15.

What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

**MEMORIAL DAY SERVICE**

FIVE POINTS  
FRANKLIN, TENNESSEE

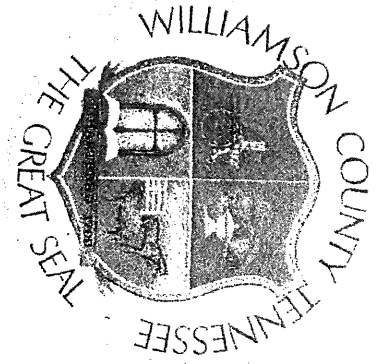

**IN FLANDERS FIELDS**

By John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place, and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

**America The Beautiful**

By Katharine Lee Bates

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!

Guest Speaker:

**Bob Ravener**

Bob Ravener graduated from the United States Naval Academy, where he earned distinction as a leader, intercollegiate baseball player and is past president of his class. He served on active duty in the U.S. Navy as a Submarine Officer before transitioning to a career in business.

He has since served in executive roles in several top Fortune 200 corporations including PepsiCo, Home Depot, Starbucks, and most recently Dollar General, in which he was the Chief People Officer until his retirement in 2019. During his time with Dollar General, the company grew to almost sixteen thousand stores and added approximately sixty-five thousand jobs to the economy.

Mr. Ravener has also served on boards and commissions at the national state and local levels, including the President's National Hire Veterans Committee and the Secretary of Labor's Advisory Committee for Veterans Employment, Training and Employer Outreach. He was board chairman of the Tennessee State Workforce Development Board, Human Capital Advisory Council member of the Federal Reserve Bank of Atlanta, and vice-chairman of the Franklin Civil War Historical Commission.

Today, Mr. Ravener serves on the boards of Goodwill Industries International, Friends of Franklin Parks, Franklin's Charge, and the Franklin Downtown Neighborhood Association. He is also a member of the Downtown Franklin Rotary, Veterans of Foreign Wars, and American Legion Post 215. He is currently a candidate for the Tennessee House of Representatives, District 61, which includes large parts of Franklin and Brentwood. He lives in Franklin with Lisa, his wife of almost forty years, and has three grown children and four grandchildren.

## MEMORIAL DAY

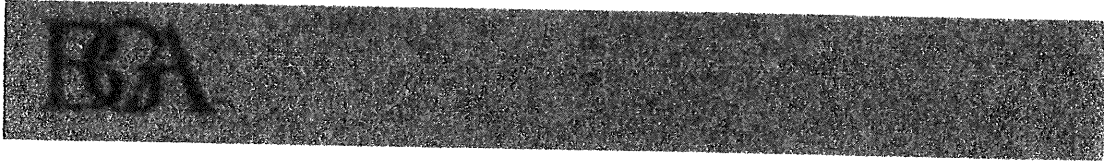

General John A. Logan, grand Army of the Republic, designated May 30th, 1868, "as a day for strewing flowers or otherwise decorating the graves of comrades who died in the defense of their country, and whose bodies now lie in almost every city, village, or hamlet churchyard in the land..." That day, flowers were placed on the graves of Union and Confederate soldiers at Arlington Cemetery. Following World War I, the Day of Remembrance was changed to include all military service members who lost their lives in any National war. In later years, the occasion was expanded to include those still listed as "missing in action." Though Veterans Day is celebrated as well, Memorial Day has become the most significant day in recognition of our Nation's armed forces.

"On this sacred day, we honor those Americans who died fighting for freedom. We pause to remember, to think about the meaning of the loss of brave men and women who did not return from battle. And in cemeteries all across this great land, people will place flags or lay bouquets on quiet graves where valor proudly sleeps."

On this day, we must tell the stories of those who fought and died in freedom's cause. We must tell their stories because those who have lost loved ones need to know that a grateful nation will always remember. We must tell their stories so that our children and grandchildren will understand what our lives might have been like had it not been for their sacrifice. The thousands of us who fought alongside brave friends who fell will never hear 'Taps' played without remembering them, nor will their families and friends."

~Presidential radio address, May 25, 1992

"Through the course of our nation's history, more than 41 million Americans have served the cause of freedom and more than a million have died in its name. On this noble American holiday, we solemnly pause to remember the men and women who gave their lives in service to our Nation. We honor those generations and individuals who fought for liberty and in defiance of tyranny that this unique experiment in self-government might long endure."  
~Presidential Proclamation, May 25, 2001

Matt, sorry for the delay in getting back to you. I am out of town helping out with caring for Patsy's mother. She is 93 and still lives at home and under Hospice care. The Hospice nurse told Patsy last Friday that her mother had taken a turn for the worse and she needed to come. Therefore, we are in Anniston, Alabama. I have no idea when we will return.

The 2019 traffic study was done before the Mack Hatcher extension was open. The traffic on Mallory Station has picked up considerably since the opening. The Westhaven folks are using Mallory Station when headed to the Galleria or elsewhere in Cool Springs. This makes it more difficult for the Morningside retirement community folks to get out on Mallory Station Road. We'll get together when I get back and discuss. I agree with you the situation with the number of cars at Morningside has not changed except for the construction traffic.

I look forward to meeting Bob Ravener regency I return.

Thanks for your help

Arthur

Let's discuss. This would suggest to me that we need to wait until the construction is complete to do another study – as the volumes projected here are low. They may not reflect reality once people move into that complex.

Also, I want to introduce you to Bob Ravener. He is running for TN State Rep (Brandon Ogles seat). I am his treasurer and working on his campaign. He is a Navy vet, used to be an exec at Dollar General and has tremendous support throughout the community. He will be phenomenal.

I'd like to bring him by and let you meet and talk to him.

Either of those days works for me, let's bring Monique into the conversation.

Monique, Vernon has informed us that April 11th is not a good day for the DNA meeting about City Hall because of HZC. Is the training room available April 25th or May 2nd?

Thanks,  
Lynne

Good afternoon Patrick.  
Eric passed along your request from the DNA and Kelly, Joe, and I would be happy to update the membership on the status of City Hall. However, Monday, April 11 is not a date that works. The HZC meets on the 11<sup>th</sup> and their recent meetings have been running quite long. Therefore, scheduling a time to meet with the DNA on the 11<sup>th</sup> would be a best guess.

We recommend scheduling this meeting on either Monday, April 25 or, May 2<sup>nd</sup>.

Just let me know and we'll place it on our calendars.

Thanks Ken. Appreciate it. For clarity, with those pledges, do we still need to send the invitation or are they already committed to be there on June 7?

Hello Mayor Little:

I appreciate Ken making an introduction as we are traveling together on a visioning trip in GA. I would welcome the opportunity to connect and hear your perspective on how the State Rep role can be of best service to you and the Brentwood community. I look forward to finding some time on your calendar. All the best.

Dear Neighbors and Friends,

For those of you who were able to join us this afternoon, thank you for sharing your time with us. We very much appreciated your coming and the wonderful conversations.

Particular thanks go out to Mayor Ken Moore and (soon-to-be-Representative (?)) Bob Ravener for coming by.

For those of you who missed **The Throw**, Joey McCloskey won the walk-off home run corn hole competition! (You'll have to ask him about it.)

The assigned photographer started gabbing and eating and neglected his duties until the very end – pictures of the stragglers and the biggest canine present are attached.

For those who could not make it, we missed you but hope to see you next year for the Third Annual.

Best wishes,

ATTENTION COF staff: This email originated from outside the City of Franklin. Please use discretion when clicking on attachments & links from unknown senders or suspicious emails.

Today, a group of citizens held a rally for which we had a public gathering permit (see attached) issued by the City of Franklin. This rally was on the sidewalk in front of the Monticello neighborhood down to the Mack Hatcher intersection. At the beginning of the event, the owner of Brownland Farm, Robin Anderton, drove his non-street legal utility terrain vehicle across Hillsboro Road onto Monticello Rd. and told everyone who was parked along the edge of Monticello Rd. that they were parked illegally on private property (which Robin Anderton does not own), and that he was going to call the police and get our cars towed.

Then Kevin Estes of Land Solutions arrived and drove his truck through the Eatherly property, got out of his truck and started tearing down yard signs that had been placed as part of the rally. Shortly thereafter Robin Anderton drove his UTV back out onto Hillsboro Rd., past the rally and onto the sidewalk. He got out and began to tear down signs placed along the sidewalk and got back into his vehicle and left. I have attached a link to a video of that incident involving Mr. Anderton. Both Mr. Estes and Mr. Anderton interfered with our right to peaceful assembly. Prior to the end of the rally signs belonging to citizens were stolen and taken onto Brownland Farm by an individual in a white pickup truck.

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15. What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

City of Franklin Ethics Committee:

During the 2022 TN-61 GOP primary season, Mayor Ken Moore and Alderman Matt Brown are believed to have used their positions of authority and influence within Franklin City government to provide assistance to candidate Bob Ravener's campaign. Additionally, these may be violations of sections of Tennessee Code Annotated Title 2 Elections, Chapter 19 - Prohibited Practices, Part 2 - Offenses by Public Officers and Employees ("Little Hatch Act"). These potential violations should be investigated, and if adjudged improper, punished by the appropriate authorities.

Please acknowledge receipt of this complaint and what the estimated timeline will be for review.

Thank you!

Hi Bob,

Mayor Moore mentioned that you coordinated for Katie Baier to recite the Pledge of Allegiance on Tuesday, June 14<sup>th</sup> at our BOMA meeting. I wanted to pass along the specifics for Katie:

The board meeting starts at 7p, and the pledge of allegiance will be recited at the start of the meeting. Just to note, we do have a work session prior to the board meeting, so sometimes the board meeting starts a bit late due to discussion running long. Even if that is the case, it is usually no later than 7:15p. The board meeting takes place in the boardroom here at City Hall (109 Third Avenue South, Franklin TN, 37064), and I, Hannah, will be by the doors of the boardroom to show you where to go upon arrival. The board meeting is always a public meeting, so anyone is welcome to join! It is also always televised (Franklin TV, YouTube, Facebook), so their friends & family can watch if they aren't able to attend. You can leave after the pledge of allegiance. You are, of course, more than welcome to stay for the meeting (or even part of the meeting), but I also understand that they can go late. For parking, there are free parking garages off of 2<sup>nd</sup> Avenue, as well as, 4<sup>th</sup> Avenue. The 2<sup>nd</sup> Ave. garage is located next to City Hall, and the 4<sup>th</sup> Ave. garage is just a block away. There is also free street parking throughout downtown Franklin.

Please let me know if you need any other information or if you need me to reach out to Katie directly.

Thank you so much for arranging this!

Hi Katie. I am very excited to have you do this. Since there is a working meeting ahead of the BOMA meeting, it might make sense for you to park at our home at 221 3rd Ave S Franklin as we are a block from City Hall. Lisa and I would love the chance to meet you in advance of the meeting if you think you could get here by about 6:15 or so and then. We can walk over to City Hall. If that's inconvenient, I can just meet you at City Hall in the main open area at 6:45 and can introduce you to the mayor. I'm copying Hannah Lampela from the Mayor's office so she can let Mayor Ken Moore that we are on for tomorrow evening. I can't tell you how excited I am for you to be doing this at the meeting tomorrow. I look forward to meeting you.

Hi Glen:

Thanks so much for the time last evening with you and the Station 7 team. I certainly learned a lot in that short period and loved getting to spend some time meeting and getting to know you and the team a little bit. I hope there will be more opportunities for that and I look forward to working closely with the fire fighter community for all the good you do for our community.

If you need to reach me, here's my contact info:

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15. What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

## MEMORIAL DAY SERVICE

May 30, 2022 - 10:00am

### WILLIAMSON COUNTY VETERANS PARK

FIVE POINTS  
FRANKLIN, TENNESSEE

#### IN FLANDERS FIELDS

By John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place, and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

**America The Beautiful**

By Katharine Lee Bates

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!

## YESTERDAY

BY COL STAN TYSON, US ARMY (RET)

## 2021-2022 Paver Additions

WE'VE JOURNIED DOWN A WELL WORN WAY  
IN SEARCH OF THOSE WHO COULDN'T STAY,  
NOW LOST IN MIST WHERE SHADOWS PLAY.  
A DISTANT PLACE, CALLED YESTERDAY.

WE SERVED THE FLAG WHEN WE WERE YOUNG,  
BOYS TO MEN, STILL SONGS WE SUNG  
SPOKE OF HOME AND DAYS TO COME  
AND LIFE WAS FULL, WHEN WE WERE YOUNG.

AND SO WE'VE FOLLOWED, DAY BY DAY,  
ALONG THAT ANCIENT TRAVELLED WAY  
WHICH LEADS TO THOSE WHO SLIPPED AWAY,  
A MOMENT PAST, JUST YESTERDAY.

THEIR SUN HAS SET AND CALLED THE NIGHT,  
A DISTANT STAR CASTS DOWN ITS LIGHT  
UPON A TIME AND PLACE WHERE THEY  
ARE WAITING THERE, IN YESTERDAY.

## Bob Ravener

Bob Ravener graduated from the United States Naval Academy, where he earned distinction as a leader, intercollegiate baseball player and is past president of his class. He served on active duty in the U.S. Navy as a Submarine Officer before transitioning to a career in business.

He has since served in executive roles in several top Fortune 200 corporations including PepsiCo, Home Depot, Starbucks, and most recently Dollar General, in which he was the Chief People Officer until his retirement in 2019. During his time with Dollar General, the company grew to almost sixteen thousand stores and added approximately sixty-five thousand jobs to the economy.

Mr. Ravener has also served on boards and commissions at the national state and local levels, including the President's National Hire Veterans Committee and the Secretary of Labor's Advisory Committee for Veterans Employment, Training and Employer Outreach. He was board chairman of the Tennessee State Workforce Development Board, Human Capital Advisory Council member of the Federal Reserve Bank of Atlanta, and vice-chairman of the Franklin Civil War Historical Commission.

Today, Mr. Ravener serves on the boards of Goodwill Industries International, Friends of Franklin Parks, Franklin's Charge, and the Franklin Downtown Neighborhood Association. He is also a member of the Downtown Franklin Rotary, Veterans of Foreign Wars, and American Legion Post 215. He is currently a candidate for the Tennessee House of Representatives, District 61, which includes large parts of Franklin and Brentwood. He lives in Franklin with Lisa, his wife of almost forty years, and has three grown children and four grandchildren.

## MEMORIAL DAY

General John A. Logan, grand Army of the Republic, designated May 30th, 1868, "as a day for strewing flowers or otherwise decorating the graves of comrades who died in the defense of their country, and whose bodies now lie in almost every city, village, or hamlet churchyard in the land..." That day, flowers were placed on the graves of Union and Confederate soldiers at Arlington Cemetery. Following World War I, the Day of Remembrance was changed to include all military service members who lost their lives in any National war. In later years, the occasion was expanded to include those still listed as "missing in action." Though Veterans Day is celebrated as well, Memorial Day has become the most significant day in recognition of our Nation's armed forces.

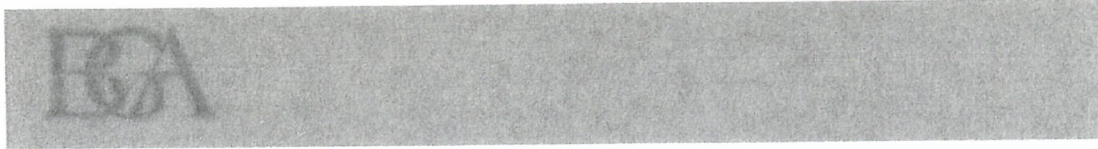

"On this sacred day, we honor those Americans who died fighting for freedom. We pause to remember, to think about the meaning of the loss of brave men and women who did not return from battle. And in cemeteries all across this great land, people will place flags or lay bouquets on quiet graves where valor proudly sleeps."

On this day, we must tell the stories of those who fought and died in freedom's cause. We must tell their stories because those who have lost loved ones need to know that a grateful nation will always remember. We must tell their stories so that our children and grandchildren will understand what our lives might have been like had it not been for their sacrifice. The thousands of us who fought alongside brave friends who fell will never hear "Taps" played without remembering them, nor will their families and friends."

~Presidential radio address, May 25, 1992

"Through the course of our nation's history, more than 41 million Americans have served the cause of freedom and more than a million have died in its name. On this noble American holiday, we solemnly pause to remember the men and women who gave their lives in service to our Nation. We honor those generations and individuals who fought for liberty and in defiance of tyranny that this unique experiment in self-government might long endure."

~Presidential Proclamation, May 25, 2001

Matt, sorry for the delay in getting back to you. I am out of town helping out with caring for Patsy's mother. She is 93 and still lives at home and under Hospice care. The Hospice nurse told Patsy last Friday that her mother had taken a turn for the worse and she needed to come. Therefore, we are in Anniston, Alabama. I have no idea when we will return.

The 2019 traffic study was done before the Mack Hatcher extension was open. The traffic on Mallory Station has picked up considerably since the opening. The Westhaven folks are using Mallory Station when headed to the Galleria or elsewhere in Cool Springs. This makes it more difficult for the Morningside retirement community folks to get out on Mallory Station Road. We'll get together when I get back and discuss. I agree with you the situation with the number of cars at Morningside has not changed except for the construction traffic.

I look forward to meeting Bob Ravener re: regency I return.

Thanks for your help

Arthur

Let's discuss. This would suggest to me that we need to wait until the construction is complete to do another study – as the volumes projected here are low. They may not reflect reality once people move into that complex.

Also, I want to introduce you to Bob Ravener. He is running for TN State Rep (Brandon Ogles seat). I am his treasurer and working on his campaign. He is a Navy vet, used to be an exec at Dollar General and has tremendous support throughout the community. He will be phenomenal.

I'd like to bring him by and let you meet and talk to him.

Either of those days works for me, let's bring Monique into the conversation.

Monique, Vernon has informed us that April 11th is not a good day for the DNA meeting about City Hall because of HZC. Is the training room available April 25th or May 2nd?

Thanks,

Good afternoon Patrick.

Eric passed along your request from the DNA and Kelly, Joe, and I would be happy to update the membership on the status of City Hall. However, Monday, April 11 is not a date that works. The HZC meets on the 11<sup>th</sup> and their recent meetings have been running quite long. Therefore, scheduling a time to meet with the DNA on the 11<sup>th</sup> would be a best guess.

We recommend scheduling this meeting on either Monday, April 25 or, May 2<sup>nd</sup>.

Just let me know and we'll place it on our calendars.

Hello Mayor Little:

I appreciate Ken making an introduction as we are traveling together on a visioning trip in GA. I would welcome the opportunity to connect and hear your perspective on how the State Rep role can be of best service to you and the Brentwood community. I look forward to finding some time on your calendar. All the best.

Dear Neighbors and Friends,

For those of you who were able to join us this afternoon, thank you for sharing your time with us. We very much appreciated your coming and the wonderful conversations.

Particular thanks go out to Mayor Ken Moore and (soon-to-be-Representative (?)) Bob Ravener for coming by.

For those of you who missed *The Throw*, Joey McCloskey won the walk-off home run corn hole competition! (You'll have to ask him about it.)

The assigned photographer started gabbing and eating and neglected his duties until the very end – pictures of the stragglers and the biggest canine present are attached.

For those who could not make it, we missed you but hope to see you next year for the Third Annual.

Best wishes,

Hope you are both doing well!

I wanted to send you the invitation for Bob Ravener's kick-off event being held at my offices in our courtyard. He is running for the 61<sup>st</sup> district house seat that was previously held by Brandon Ogles. In addition to being his treasurer, Bob is a great friend and will make a great representative. As friends, neighbors, and HOA president – I thought it would be great to have you attend.

Let me know if you can make it!

Today, a group of citizens held a rally for which we had a public gathering permit (see attached) issued by the City of Franklin. This rally was on the sidewalk in front of the Monticello neighborhood down to the Mack Hatcher intersection. At the beginning of the event, the owner of Brownland Farm, Robin Anderton, drove his non-street legal utility terrain vehicle across Hillsboro Road onto Monticello Rd. and told everyone who was parked along the edge of Monticello Rd. that they were parked illegally on private property (which Robin Anderton does not own), and that he was going to call the police and get our cars towed.

Then Kevin Estes of Land Solutions arrived and drove his truck through the Eatherly property, got out of his truck and started tearing down yard signs that had been placed as part of the rally. Shortly thereafter Robin Anderton drove his UTV back out onto Hillsboro Rd., past the rally and onto the sidewalk. He got out and began to tear down signs placed along the sidewalk and got back into his vehicle and left. I have attached a link to a video of that incident involving Mr. Anderton. Both Mr. Estes and Mr. Anderton interfered with our right to peaceful assembly. Prior to the end of the rally signs belonging to citizens were stolen and taken onto Brownland Farm by an individual in a white pickup truck.

Yes - thanks! Do we just say thank you for saying the pledge last night at the Board of Mayor and Alderman Meeting? How would you like me refer to Bob Ravener in the post? I am with Robert in Sullivan Farms waiting on a recycling truck to get video of.

Hello:

Here's a video I just had released and sending out individually to my network. It would be a big help to spread it around to your contacts and tell them why I'm the best candidate to represent the citizens in the State House District 61 (Brentwood/Franklin). With thirty-five years in business, my community leadership, military experience and conservative values, I am well prepared to help tackle the challenges of Brentwood and Franklin over the coming years while working closely with the elected officials across the county. I'd really appreciate your support and if in the district, your vote, as every one of them will be critical. The Republican primary is August 4 with early voting beginning July 15. What you can do to help me most:

- make introductions locally
- send contributions
- host an event
- place a yard sign somewhere in the district
- most importantly get your contacts in the district to vote!

Watch the video on the link and thanks so much for your support!

I've come across some troubling information that should be looked into. Mayor Ken Moore and Alderman Matt Brown may have used their positions within Franklin City government to provide assistance to candidate Bob Ravener's campaign during the 2022 election. These actions are possible violations of City of Franklin Ordinances Sec 1-807 (Use of municipal facilities) & City of Franklin Ordinances Sec 1-808 (Use of position of authority). Additionally, these may be violations of sections of Tennessee Code Annotated Title 2 Elections, Chapter 19 - Prohibited Practices, Part 2 - Offenses by Public Officers and Employees. I have copies of many emails sent between Moore, Brown & Ravener and can send those to you although I suspect you're aware of them. Please let me know if you intend to look into this.
