RESOLUTION 2020-87

A RESOLUTION DECLARING THAT THE FINANCE COMMITTEE OF THE BOARD OF MAYOR AND ALDERMEN SHALL MEET ON JUNE 11, 2020, AND CONDUCT ITS ESSENTIAL BUSINESS BY ELECTRONIC MEANS RATHER THAN BEING REQUIRED TO GATHER A QUORUM OF THE MEMBERS PHYSICALLY PRESENT IN THE SAME LOCATION BECAUSE IT IS NECESSARY TO PROTECT THE HEALTH, SAFETY, AND WELFARE OF TENNESSEANS IN LIGHT OF THE COVID-19 OUTBREAK

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory disease that appears to occur through respiratory transmission, presents with similar symptoms to those of influenza, and can lead to serious illness or death, particularly in the case of older adults and persons with serious chronic medical conditions; and

WHEREAS, the Centers for Disease Control and Prevention has recommended that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

WHEREAS, on March 12, 2020, pursuant to the authority granted by Tenn. Code Ann. § 58-2-107, the Governor of Tennessee, Bill Lee, issued Executive Order No. 14, declaring a state of emergency to facilitate the response to COVID-19; and

WHEREAS, on March 13, 2020, the President of the United States, Donald J. Trump, declared a national state of emergency with respect to COVID-19; and

WHEREAS, on March 20, 2020, Mayor Ken Moore issued Executive Order No. 2020-01 Declaring a State of Emergency and Civil Emergency; and

WHEREAS, Governor Lee issued Executive Order No. 16 and Executive Order No. 34 allowing electronic meetings while continuing to function openly and transparently; and

WHEREAS, Mayor Moore issued Executive Orders No. 2020-03, No. 2020-05, No. 2020-07, No. 2020-09, No. 2020-11, No. 2020-12, No. 2020-13, No. 2020-14, No. 2020-15, and No. 2020-16 continuing the Declaration of a State of Emergency and Civil Emergency; and

WHEREAS, the Finance Committee of the Board of Mayor and Aldermen believes it is in the best interest of the City of Franklin to conduct the June 11, 2020, by electronic means.

NOW, THEREFORE, BE IT RESOLVED BY THE FINANCE COMMITTEE OF THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF FRANKLIN, TENNESSEE, AS FOLLOWS:

The meeting scheduled for June 11, 2020, at 2 p.m. shall be conducted by electronic means rather than requiring a quorum of the members of the Finance Committee of the Board of Mayor and Aldermen to attend in person to protect the health, safety, and welfare of Tennesseans in light of the COVID-19 Outbreak. Physical access in the meeting room will be limited. The public can view and participate in the meetings by watching the meeting live or later as a recording on FranklinTV, the City of Franklin website, the City of Franklin's Facebook page, and the City of Franklin's YouTube account. Brian Wilcox, Purchasing Manager

SUBJECT:

Consideration Of Resolution No. 2020-69, A Resolution Adopting A Revised Purchasing Policy For City Of Franklin Procurements Not Pertaining To New Construction.

PURPOSE:

The purpose of this memorandum is to present Resolution No. 2020-69, a resolution that would adopt a revised Purchasing Policy for City of Franklin procurements not pertaining to new construction.

BACKGROUND/STAFF COMMENTS:

Staff recommends that the Purchasing Policy for City of Franklin procurements not pertaining to new construction be revised in the following ways:

1. identify purchases made during a declared state of emergency that applies to the City as another circumstance under which competitive pricing is not required but only if specific conditions prevent the establishment of competitive pricing; and
2. to allow for the use of the sole-source basis for pricing when advantageous to the City even if another policy-compliant basis for pricing is known to be available; and
3. to allow, during a declared state of emergency that applies to the City, for the suspension by the City Administrator of the purchasing policy and/or by the Purchasing Manager of the standard purchasing procedures administered by the Purchasing Manager and the implementation of temporary policies and procedures as circumstances warrant; and
4. to otherwise update the City's policy.

Resolution No. 2020-69 as proposed, including the revised policy as proposed, is attached. Also attached is a red-lined version of the revised policy as proposed. This red-lined version has marked all recommended changes to the text of the policy.

FINANCIAL IMPACT:

Staff is not aware of any adverse financial impact of these proposed policy changes.

RECOMMENDATION:

Staff recommends the Board of Mayor and Aldermen approve Resolution No. 2020-69, a resolution

adopting a revised Purchasing Policy for City of Franklin procurements not pertaining to new construction.

RESOLUTION 2020-69

A RESOLUTION ADOPTING A REVISED PURCHASING POLICY FOR CITY OF FRANKLIN, TENNESSEE, PROCUREMENTS NOT PERTAINING TO THE DESIGN AND/OR CONSTRUCTION OF NEW INFRASTRUCTURE AND FACILITIES

WHEREAS, in 2004, the Board of Mayor and Aldermen of the City of Franklin established methods to comply with the Municipal Purchasing Law of 1983, as amended, and to provide for a more formal process for the procurement of equipment, services, and materials for the operation of municipal government but not pertaining to the design and/or construction of new infrastructure and facilities; and

WHEREAS, on July 26, 2011, the Board of Mayor and Aldermen adopted Resolution No. 2011-26, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on January 14, 2014, the Board of Mayor and Aldermen adopted Resolution No. 2014-06, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on January 27, 2015, the Board of Mayor and Aldermen adopted Resolution No. 2014-90, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on June 28, 2016, the Board of Mayor and Aldermen adopted Resolution No. 2016-24, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on June 27, 2017, the Board of Mayor and Aldermen adopted Resolution No. 2017-41, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on June 26, 2018, the Board of Mayor and Aldermen adopted Resolution No. 2018-24, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on June 25, 2019, the Board of Mayor and Aldermen adopted Resolution No. 2019-49, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, on September 24, 2019, the Board of Mayor and Aldermen adopted Resolution No. 2019-82, a resolution adopting a revised purchasing policy for the City; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the City of Franklin for the purchasing policy to be further revised to identify purchases made during a declared state of emergency that applies to the City as another circumstance under which competitive pricing is not required but only if specific conditions prevent the establishment of competitive pricing; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the City of Franklin for the purchasing policy to be further revised to allow for the use of the sole-source basis for pricing when advantageous to the City even if another policy-compliant basis for pricing is known to be available; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the City of Franklin for the purchasing policy to be further revised to allow, during a declared state of emergency that applies to the City, for the suspension by the City Administrator of the purchasing policy and/or by the Purchasing Manager of the standard purchasing procedures administered by the Purchasing Manager and the implementation of temporary policies and procedures as circumstances warrant; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the City of Franklin to implement a revised purchasing policy for procurements not pertaining to the design and/or construction of new infrastructure and facilities to reflect these changes and to otherwise update that policy.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF FRANKLIN, TENNESSEE, AS FOLLOWS:

Section 1. The purchasing policy for City of Franklin procurements not pertaining to new construction adopted by Resolution No. 2019-82, and all previous versions of that policy and any subsequent changes or revisions thereto, are hereby repealed in their entirety. In place thereof, the purchasing policy for City of Franklin procurements not pertaining to the design and/or construction of new infrastructure and facilities, attached as Exhibit A hereto, is adopted.

Section 2. The Purchasing Manager of the City shall be responsible for the administration and enforcement of the policy hereby adopted.

Section 3. Changes or revisions to the policy hereby adopted shall be made only by resolution of the Board of Mayor and Aldermen of the City of Franklin.

Section 4. The effective date of the policy hereby adopted shall be July 1, 2020, the public welfare and the welfare of the City requiring it.

IT IS SO RESOLVED AND DONE on this ____ day of _____, 2020.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

A. General Provisions

This City of Franklin (“City”) Purchasing Policy shall apply to the purchase of materials, supplies, vehicles and equipment, the purchase of services other than those pertaining to the design and/or construction of new infrastructure and facilities, leases and lease-purchases, and the disposal and transfer of surplus personal property, all for the proper conduct of the City’s business.

All contracts, leases and lease-purchase agreements are subject to the approval of the Board of Mayor and Aldermen, unless otherwise provided by resolution or ordinance. Any contracts, leases and lease-purchase agreements extending beyond the end of the current fiscal year shall be so noted prior to consideration by the Board of Mayor and Aldermen.

Whenever the City undertakes its own competitive procurement process for the procurement of goods and/or services not pertaining to the design and/or construction of new infrastructure and facilities, then the City is hereby authorized to utilize the one or more of the following procurement methodologies best suited for the intended procurement:

- request for quotations (not for purchases valued at \$25,000 or more)
- solicitation for bids
- request for proposals
- request for qualifications

This Purchasing Policy is intended to promote the public interest and preserve and enhance the public trust by establishing a transparent procurement system by which the City conducts its non-construction related purchasing, and by providing vendors (including suppliers, service providers and contractors) with a fair forum for competing for City business.

B. Responsibilities of Departments

The following are the responsibility of each department:

1. Departments shall be responsible for purchases and projects valued less than \$25,000. (In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered.)
2. Departments shall use pricing established pursuant to City procurement awards or Tennessee statewide contracts (SWCs) if and as available. The use of pricing established by cooperative purchasing arrangements approved by the City Administrator for use by the City, as well as pricing established by other Tennessee local governments pursuant to a competitive process involving “public advertisement” (hereby defined to mean the same as that term is used in T.C.A. § 6-56-301 *et seq.*, the Tennessee Municipal Purchasing Law of 1983, as it may be amended from time to time) and sealed submittals, are acceptable alternatives and may be used in lieu of competitive pricing established by the City or the State.
3. Departments shall coordinate with the Purchasing Office and/or the Finance Department as to the method of payment that best meets the needs of the City.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

4. Before placing an order for any non-emergency purchase valued at or greater than \$10,000, departments shall prepare and submit a requisition, on the form prescribed by the Purchasing Office, and await approval thereof. For orders for emergency purchases valued at or greater than \$10,000, the requisition may be completed within ten (10) calendar days after placing the order (and see “Emergency Purchases” below).
5. Purchases valued less than \$25,000 but not less than \$10,000 shall not be made unless and until, wherever possible, the department shall have obtained and forwarded to the Purchasing Manager competitive pricing quotations from at least three (3) vendors, said quotations to be either supplied in writing by the vendor or reduced to writing by the department, accompanied by a tabulation of the comparative aspects of the quotations obtained, a recommendation as to which quotation should be accepted and a requisition for the recommended quotation. As an alternative to obtaining three quotes, departments may use any of the procurement methodologies approved for usage for purchases valued at \$25,000 or more.
6. All foreseeable purchases, including those valued less than \$10,000, should not be made unless and until the department head or his or her authorized representative is satisfied that the value of the purchase is fairly priced and not more than what would be expected in the current market place. At the discretion of the department head or his or her authorized representative, for foreseeable purchases valued less than \$10,000, the department should, whenever it is prudent to do so, obtain multiple competitive pricing quotations, said quotations to be either supplied in writing by the vendor or reduced to writing by the department.
7. As soon as practicable but within ten (10) calendar days of receipt of items ordered, departments shall be responsible for verifying that the items conform to the order. The process for taking delivery of items is as follows:
 - a. Inspect the goods to verify that they are in acceptable condition.
 - b. Verify that all operating manuals and warranty cards are included in the delivery of the goods, if applicable.
 - c. Verify that the number of items ordered have been delivered, making special note when all or part of a particular order has been back-ordered.
 - d. Ensure that purchases of capital assets of the City have been properly reported, either directly or indirectly, to the Finance Department and the City’s Risk Manager and, if rolling stock, Fleet Maintenance, on forms prescribed by those respective offices, so that records of such purchases may be updated, insurance coverage may be obtained, and vehicle tags may be obtained, all in a timely manner.
8. Regardless of method of payment, departments shall be responsible for reviewing, approving and allocating to the proper budget code all invoices authorized for payment.
9. It shall be the responsibility of each department to allow time for competitive solicitation, ordering and delivery pursuant to this Purchasing Policy.
10. No employee shall make any indication that he/she will recommend a particular product for purchase, knowingly bind the City to a specific vendor, or make any representation as to his or her authority to bind the City by contract when such is not the case.

C. Responsibilities of Purchasing Manager

The following are the responsibility of the Purchasing Manager:

1. The Purchasing Manager shall assist all departments in purchasing operating materials, supplies, vehicles, equipment and services to which this Purchasing Policy applies.
2. The Purchasing Manager shall be responsible for facilitating the competitive process by which all purchases to which this Purchasing Policy applies and valued at or greater than \$25,000 are made.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

3. For all purchases to which this Purchasing Policy applies and valued at or greater than \$10,000, the Purchasing Manager shall advocate the purchase of required products and services only either from (a) the responsible bidder or quoter that submits the lowest priced responsive bid or quote or from (b) the responsible proposer or other respondent that submits the responsive proposal or other submittal that is most advantageous to the City.
4. The Purchasing Manager shall advise the departments about the source and availability of products and services needed by the various departments.
5. The Purchasing Manager shall provide current vendor files available for use and review by departments.
6. The Purchasing Manager shall, upon request, obtain prices on comparable items.
7. The Purchasing Manager shall provide vendor lists, prepare Purchase Orders as necessary, and maintain orderly files.
8. The Purchasing Manager shall be alert on an ongoing basis for new sources and for improved products and services.
9. The Purchasing Manager shall assist the departments in the preparation of specifications for solicitations for bids and the requirements provisions of requests for proposals and requests for qualifications.
10. For formal procurement solicitations, the Purchasing Manager shall prepare and submit for timely publication all legal notices. To promote competition and facilitate the dissemination of documents and information pertaining to formal procurement solicitations, the Purchasing Manager shall post on the City's public website timely information about current formal procurement solicitations.
11. The Purchasing Manager shall periodically review the City's recent records of repetitive purchases, over time, across the organization and across suppliers and service providers, of like products and services, and shall advocate the City consolidate and aggregate its purchase of as many foreseeably necessary like products and services as practicable so to improve pricing for the City, to improve services provided to the City, and/or to reduce the City's cost of operations.
12. To the extent practicable, the Purchasing Manager shall strive to apply procurement thresholds of the City by like product or service for all anticipated needs of the City for the maximum term of a prospective award.
13. The Purchasing Manager shall investigate complaints from departments of poor performance by vendors, or complaints about inferior products, and shall, in consultation with the City's Law Department, choose which, if any, remedies are available to the City to pursue.
14. The Purchasing Manager shall be responsible for disposing of the City's surplus personal property of any value, regardless of whether the property was acquired and came to be owned by the City by means of purchase or donation or otherwise, by means of a competitive process and in compliance with City ordinance, except in cases involving data security or other mitigating circumstances. The Purchasing Manager shall develop the appropriate documentation for the Finance Department in accordance with the City Code.
15. The Purchasing Manager shall be responsible for administering and overseeing the City's Purchasing Card program.
16. The Purchasing Manager shall be responsible for otherwise administering and complying with this Purchasing Policy and applicable Tennessee state law, specifically T.C.A. § 6-56-301 *et seq.* (Tennessee Municipal Purchasing Law of 1983) and T.C.A. § 12-3-1201 *et seq.* (Public Purchases – Local Governments), as it may be amended from time to time, including keeping and filing required records and reports, as if they were set out herein and made a part hereof and within definitions of words and phrases from the law as herein defined.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

D. Circumstances under which competitive pricing is not required

Under any of the following circumstances, competitive pricing (sealed bids or proposals pursuant to public advertising if valued at or greater than \$25,000; three quotes wherever possible if valued less than \$25,000 but not less than \$10,000) is not required. Under any of these same circumstances, neither individual authorization by nor specific reporting to the Board of Mayor and Aldermen is required unless such is otherwise required pursuant to this policy.

1. Authorized sole-source purchases (see below).
2. Authorized emergency expenditures (see below).
3. Purchases from instrumentalities created by two (2) or more cooperating governments, such as, but not limited to those established pursuant to T.C.A. § 12-9-101, et seq.
4. Purchases from non-profit corporations whose purpose or one of whose purposes is to provide products and services specifically to municipalities, as provided in T.C.A. § 6-56-302.
5. Purchases, leases or lease-purchases of real property, as provided by City ordinance and state law.
6. Purchases, leases, or lease-purchases of used or secondhand articles consisting of goods, equipment, materials, supplies, or commodities, as provided in T.C.A. § 12-3-1202.
7. Purchases of supplies, goods, equipment (except new or unused motor vehicles, unless the motor vehicles are manufactured for a special purpose as defined in T.C.A. § 12-3-1208) and/or services (except any transportation infrastructure project, including, but not limited to, projects for the construction or improvement of streets, highways, bridges, tunnels, or any roadway related facility), pricing for which has been established by other units of Tennessee local government, as provided in T.C.A. § 12-3-1203(a) and 12-3-1203(c).
8. Purchases pursuant to Tennessee Department of General Services statewide contracts (SWCs) authorized for use by Tennessee local governments.
9. Purchases from Tennessee Rehabilitative Initiative in Correction (TRICOR).
10. Professional service contracts, as provided in T.C.A. § 12-3-1209.
11. Other professional services, including actuarial, architectural design, financial and compliance audit, engineering design, financial advisory, legal counsel and medical.
12. Tort liability insurance, as provided in T.C.A. § 29-20-407.
13. Purchase of fuels, fuel products or perishable commodities.
14. Purchases based on contracts established by a cooperative purchasing arrangement recognized by the City pursuant to Resolution No. 2009-50, as provided in T.C.A. § 12-3-1205.
15. Purchases based on contracts established by the United States General Services Administration (GSA) and authorized by GSA for use by US local governments, except as may be prohibited by applicable Tennessee statute.
16. Other arrangements and methods pursuant to Tennessee and/or federal law.
17. Fees paid by the City for products and services provided to the City by the State of Tennessee, other units of local government, and public utilities and utility districts.
18. Purchases made during a declared state of emergency that applies to the City but only if specific conditions prevent the establishment of competitive pricing; provided, however, that if the emergency purchase is valued at or greater than \$25,000 both the purchase and the specific conditions that prevented the establishment of competitive pricing shall, as soon as practicable, be reported to the Board of Mayor and Aldermen.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

E. Rejection of Bids, Proposals or Other Submittals

The Purchasing Manager shall recommend to the Board of Mayor and Aldermen to reject any and all bids, proposals or other submittals received pursuant to a formal procurement solicitation issued by the Purchasing Office, or parts thereof, for any product or service to which this Policy applies, whenever, prior to the Board of Mayor and Aldermen making an award pursuant to such a formal procurement solicitation, the Purchasing Manager believes the public interest would be best served by such rejection. The Purchasing Manager shall recommend to the Board of Mayor and Aldermen that it reject any such submittal of a vendor or contractor who is in default on the payment of taxes, licenses, fees or other monies of whatever nature that may be due the City by the vendor or contractor whenever, prior to the Board of Mayor and Aldermen making an award pursuant to such a formal procurement solicitation, the Purchasing Manager becomes aware of such default.

F. Conflict of Interest, Use of Position, Solicitation

There are several sources of law and regulations, as they may be amended from time to time, that apply to conflicts of interest, use of position and solicitation. They are incorporated by reference and adopted as if fully stated herein.

a. City Charter

Article VIII (“Finance”), Section 16 (“Officers not to be Interested in City Contracts or Work”) of the City of Franklin Charter reads as follows:

No member of the Board of Mayor and Aldermen, or officer elected by said Board, shall be interested in any contract, or work of any kind whatever, under its control and direction, and any contract in which any such person shall have an interest shall be void and cannot be enforced.

b. City of Franklin Municipal Code

Title 1 (“General Administration”), Chapter 8 (“Ethics”) of the City of Franklin Municipal Code sets forth the Code of Ethics for the City of Franklin, which applies to all full-time and part-time elective or appointed officials and employees of the City.

c. City of Franklin Regulations

Article XXI (“General Policies and Procedures”), Section E (“Business Dealings”), of the City of Franklin Human Resource Manual, as it may be amended from time to time, reads as follows:

Except for the receipt of such compensation as may be lawfully provided for the performance of City duties, and except as noted below, no City officer or employee shall be privately interested in or profit, directly or indirectly, from business dealings with, of, or by the City.

Full-time, part-time, and temporary employees of the City may contract to supply goods and products to the City and/or render services for the City, provided:

1. any service that would be rendered must not be one the employee might provide in the normal scope of their regular duties;
2. the employee would be required to compete for the City’s business in the same manner as any other prospective supplier or service provider;

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

3. the business relationship between the City and the employee must not present a conflict of interest nor a conflict of time with the employee's regular duties;
4. the business relationship between the City and the employee is not prohibited by the City's ethics policy; and
5. the business relationship between the City and the employee is authorized in advance by the City Administrator, and if the relationship is to be for more than one (1) year, it is annually re-authorized by the City Administrator.

Article XXI ("General Policies and Procedures"), Section I ("Use of Position"), of the City of Franklin Human Resource Manual, as it may be amended from time to time, reads in part as follows:

No employee shall make or attempt to make private purchases in the name of the City, nor otherwise use or attempt to use status as a City employee to secure unwarranted privileges or exemptions.

Article XXI ("General Policies and Procedures"), Section F ("Acceptance of Gratuities"), of the City's Human Resource Manual, as it may be amended from time to time, reads in part as follows:

No employee shall accept or solicit any money or other consideration or favor from anyone other than the City for the performance of an act that the officer or employee would be required or expected to perform in the regular course of employment; nor shall any officer or employee accept, directly or indirectly, any gift, gratuity, or favor of any kind that might reasonably be an attempt to influence the individual's actions with respect to City business.

d. Statutes

Certain Tennessee statutes may apply to purchases involving city officers, committee members, etc. Selected Tennessee statutes may be found in Appendix A to this Purchasing Policy attached hereto for reference.

G. City Officer and Employee Communication with Vendors During Formal Procurement Solicitations for Sealed Submittals

Between the time a formal procurement solicitation for sealed submittals is issued by the City and the time an award is made, members of the Board of Mayor and Aldermen as well as employees of the City shall refrain from any form of communication with one or more vendors that may be competing for the award about any aspect of the procurement other than either in the context of a public meeting or by way of the Purchasing Office. The foregoing is not meant to preclude a representative of the City from answering questions from vendors if the question is already addressed in the formal solicitation documents, if the City representative is certain of the correct answer and if the Purchasing Office is informed of the communication. Otherwise, any inquiries from one or more vendors that may be competing for such an award shall be directed to the Purchasing Office which shall determine if an addendum to the formal procurement solicitation should be prepared and issued to all vendors known or thought to be interested in the procurement opportunity. Vendors that may be competing for an award pursuant to a formal procurement solicitation shall be instructed that, until that award has been made, they shall not communicate about either the content of or the procurement process pertaining to the relevant formal procurement solicitation with any official, employee or other representative of the City except through the City's Purchasing Office. The City reserves the right to disqualify any vendor that initiates unauthorized communication with the City during the procurement phase.

H. City Officer and Employee Business Dealings with the City

See Article XXII (“General Policies and Procedures”), Section E (“Business Dealings”), of the City of Franklin Human Resources Manual.

See also Title 1 (“General Administration”), Chapter 8 (“Ethics”), of the City of Franklin Municipal Code.

I. Tie Bids and Tie Quotes

Whenever the City utilizes its own competitive process, and in the event of tie bids or tie quotes (that is, when two or more responsible bidders or quoters submit responsive bids or quotes at identical total pricing for the minimum or estimated quantity indicated), then the tie bids or tie quotes shall be broken by means of one of the following methods, in descending order:

1. The award shall be made to the vendor who bid or quoted the soonest delivery of the product or completion of the service of all the vendors submitting the tie bids or tie quotes.
2. The award shall be made to the vendor who offered the pricing for the longest period of time for potential future orders of all the vendors submitting the tie bids or tie quotes.
3. If one or more of the vendors submitting the tie bids or tie quotes competed for the City’s business the last time the City solicited bids or quotes for the same product or service, then the award shall be made to the vendor who offered the lowest pricing at that time of all the vendors submitting the tie bids or tie quotes.
4. If one or more of the vendors submitting the tie bid or tie quote have done business with the City within the most recent 24 months, then the award shall be made to the vendor who has done the most business with the City (measured in dollars) in that time frame of all the vendors submitting the tie bids or tie quotes.
5. The award shall be made by means of random selection, such method to be administered by the Purchasing Manager and to give equal opportunity to all the vendors submitting the tie bids or tie quotes.

J. Determining Responsible Respondents and Responsive Submittals

Whenever the City utilizes its own competitive process, products and services shall be purchased either from (a) the responsible bidder or quoter that submits the lowest priced responsive bid or quote or from (b) the responsible proposer or other respondent that submits the responsive proposal or other submittal that is most advantageous to the City. (The term “responsible bidder or quoter” and the term “responsible proposer or other respondent” shall mean a business entity or individual determined by the City to have the integrity and reliability as well as the financial and technical capacity to perform the requirements of the procurement solicitation and subsequent contract. The term “responsive bid or quote” and the term “responsive proposal or other submittal” shall mean a submittal determined by the City to fully conform in all material respects to the procurement solicitation and all of its requirements, including all form and substance.) In determining whether a competing respondent is responsible and whether the submittal is responsive, criteria such as the following may be taken into consideration:

1. The ability of the competing vendor to perform the contract or provide the material or service required.
2. Whether the competing vendor can perform the contract or provide the service promptly, or within the time specified, without delay or interference.
3. The character, integrity, reputation, judgment, experience, expertise and efficiency of the competing vendor.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

4. The previous and existing compliance by the competing vendor or a predecessor in interest with laws and ordinances relating to the contract or service.
5. The quality of the competing vendor's performance of previous contracts or services, including the quality of such contracts or services in other municipalities, or performed for private sector customers.
6. The sufficiency of financial resources and the ability of the competing vendor to perform the contract or provide the service.
7. The ability of the competing vendor to provide future maintenance and service for the use of the materials, supplies, vehicles, equipment or contractual service contracted.
8. Compliance by the competing vendor with all specifications included in the solicitation for bids or with all requirements included in the request for proposals or request for qualifications.
9. The ability of the competing vendor to deliver and maintain any requisite bid bonds or performance bonds.

K. Emergency Purchases

When in the judgment of the City Administrator, the department head or the Purchasing Manager there exists an emergency impinging on public health, safety or welfare and a purchase valued at or greater than \$10,000 is necessary, then the competitive purchasing provisions contained in this Purchasing Policy may be waived; provided, however, that if the emergency purchase is valued at or greater than \$25,000 it shall, as soon as practicable, be reported to the Board of Mayor and Aldermen .

The emergency basis for pricing should be used only if necessary. Purchases that qualify as emergencies are to be based on emergency pricing only if another policy-compliant basis for pricing (e.g., federal General Services Administration (GSA) via GSA contract, State of Tennessee via Tennessee statewide contract (SWC), one of the cooperative purchasing arrangements recognized by the City) is not known to be available.

L. Sole-Source Purchases

In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered. To the extent practicable, departments and the Purchasing Manager shall strive to apply procurement thresholds of the City by like product or service for all anticipated needs of the City for the maximum term of a prospective award.

The sole-source basis for pricing should be used only if necessary or advantageous to the City. Except when advantageous to the City to do otherwise, purchases that qualify as sole-source are to be based on sole-source pricing only if another policy-compliant basis for pricing (e.g., federal General Services Administration (GSA) via GSA contract, State of Tennessee via Tennessee statewide contract (SWC), one of the cooperative purchasing arrangements recognized by the City) is not known to be available.

Sole-source purchases valued at less than \$10,000 may be authorized by the end-user department. Sole-source purchases valued at less than \$25,000 but not less than \$10,000 may be authorized by the Purchasing Manager upon being satisfied that it is not possible to obtain competitive pricing quotations from at least three (3) vendors. Except as noted below, sole-source purchases valued at or greater than \$25,000 may not be made unless and until individually authorized by the Board of Mayor and Aldermen. Authorized sole-source purchases do not require

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

sealed bids or proposals pursuant to public advertising. The criteria for evaluating sole-source purchases valued at or greater than \$10,000 are presented in Appendix B to this Purchasing Policy. Sole-source purchases pertaining to circumstances under which sealed bids or proposals pursuant to public advertising are not required, as same are listed in provision D above, even if valued at or greater than \$25,000, require neither individual authorization by nor specific reporting to the Board of Mayor and Aldermen unless otherwise required to be authorized or reported pursuant to this policy.

Sole-source purchases valued at or greater than \$25,000 that do not require individual authorization by (but which shall, as soon as practicable, still be reported to) the Board of Mayor and Aldermen include:

- a. Repairs to, maintenance of, licenses for and/or maintenance agreements for products already in use by the City, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: engine repairs made by the manufacturer or the manufacturer's representative for a vehicle; license and maintenance agreements for computer software.
- b. Purchases of items necessary to maintain, expand or improve a manufacturer-specific system already in use by the City, and/or another governmental agency with which the City must cooperate in order to provide the public service relevant to the proposed purchase, and that requires interchangeability or interconnectivity of and/or communication between the component parts, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: water meters and related parts; traffic signal equipment and related parts; athletic field lighting (and related parts) connected to a centralized master control; automated external defibrillators; cardiac monitors; telemetry/supervisory control and data acquisition equipment.
- c. Purchases of items that have, for good and sufficient reason, previously been standardized by the City, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: low-pressure wastewater collection grinder pumps and related parts; self-contained breathing apparatus; vehicle exhaust evacuation systems at individual fire stations, including installation if only one authorized installer is assigned to serve the City; vehicle extrication equipment.

M. Purchasing Card Program

The Purchasing Card Program shall be administered by the Purchasing Manager pursuant to procedures established therefor. Department heads shall determine which employees of their department shall be issued City purchasing cards. Employees who are authorized and expected to travel on behalf of the City and at the City's expense shall be issued purchasing cards and are expected to use same in lieu of being given travel advances.

Employees' participation in the City's Purchasing Card Program is a privilege and a convenience that includes certain responsibilities. Although the purchasing card is issued in the cardholder's name, it is City property and

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

therefore must be used in accordance with City policy and rules, as well as with objectively reasonable judgment, especially as follows:

1. The City of Franklin Purchasing Card is provided to employees based on their need to purchase authorized goods and services. A card may be revoked at any time based on change of assignment or location. The card is neither an entitlement nor a reflection of title or position.
2. The card may be used only for authorized obligations of the City; use of the card for a purchase other than an authorized obligation of the City (such as personal purchases as well as alcoholic beverages and entertainment), even if intended for future reimbursement, are specifically prohibited.
3. Purchases made with the card are to comply with City purchasing and disbursements policies and procedures. Such City procurement rules as the need for procurement requisitions, the basis for pricing, contracting, whether a certificate of insurance is necessary to require of the service provider, adequacy of budgeted funding, and timing of payment relative to delivery of the product or service, all apply regardless of method of payment (such as by purchasing card).
4. The cardholder is the only person entitled to use the card and is accountable for all charges attributable to the card.
5. Cardholders are expected to exercise objectively reasonable judgment in deciding whether to make a purchase by considering (a) whether the potential purchase is prudent and necessary, and (b) whether the potential purchase would reflect well on the City and the cardholder, and be perceived by the general public as suitable and appropriate. Improper use of a City purchasing card, especially intentional and unreported but even unintentional and reported, including personal purchases as well as alcoholic beverages and entertainment, even if reimbursed, may be considered misappropriation of City funds, which may result in disciplinary action, up to and including termination.
6. Except for (a) purchases made outside Tennessee, (b) purchases of non-catered prepared meals, and (c) purchases related to travel, the City purchaser/cardholder is responsible for ensuring that the transaction is completed without sales tax being charged to the City. If a transaction has been completed on which sales tax was charged in error, then the cardholder is responsible for contacting the vendor and requesting that the amount of the sales tax be credited back to the same City purchasing card to which the sales tax was charged. Documentation of this effort, and of the vendor's response, shall be submitted in addition to the supporting documentation for the transaction.
7. Cardholders are expected to comply with internal control procedures in order to protect the City's assets. This includes (a) not permitting anyone other than the cardholder to use the card; (b) making sure that each transaction is electronically processed in full and on time in the purchasing card expense reporting system utilized by the City; (c) keeping and submitting on time detailed invoices or itemized payment receipts that substantiate each and every charge attributed to the purchasing card issued to the cardholder; (d) assisting the City upon request with reconciling the City's billing cycle statements; and (e) taking reasonable precautions to secure the purchasing card against loss and/or theft.
8. If electronic processing of a purchasing card transaction is not completed by the deadline and the Purchasing Office has not been previously notified of the need for a delay, then the monthly credit limit for the respective purchasing card may be reduced to \$0 until the processing is complete. This consequence applies to any transaction that has not been coded, explained with a comment, and approved by the individual assigned to approve purchasing card transactions for that cardholder. Credit limits will be restored to the previous amounts once electronic processing is complete.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

9. Failure to submit on time adequate and legible supporting documentation for each transaction or to otherwise comply with City rules will carry consequences, possibly including reduction or loss of card spend authority, reimbursement of the City by the employee for unauthorized and/or unsubstantiated purchases, and/or disciplinary action, up to and including termination.
10. Cardholders are responsible for cooperating with efforts by the City to resolve any discrepancies by contacting the vendor and/or the issuing bank.
11. A lost or stolen purchasing card shall, as soon as practicable upon discovery of the loss or theft, be reported to the City Purchasing Office and/or the issuing bank.
12. A cardholder must surrender his or her card upon termination of employment (i.e., retirement or voluntary or involuntary separation).

N. Payment for Purchases

All payments to vendors and service providers shall be made by one of the City's available methods of payment in accordance with City purchasing and disbursements policies and procedures.

O. Use of Internet Auctions for Purchases of City Property

The use of internet auctions is generally prohibited as a method for making City purchases unless specifically authorized in advance by the City Administrator.

P. Vendor Protests

Vendor protests shall be handled in accordance with the City's Vendor Protest Procedure for procurements not pertaining to new construction, as approved by resolution of the Board of Mayor and Aldermen.

Q. Disciplinary Action

Any employee who fails or refuses to comply with the provisions of this Purchasing Policy shall be subject to disciplinary action pursuant to and as provided in the Human Resources Manual, as it may be amended from time to time.

R. Requests for Proposals

Requests for competitive sealed proposals shall be used pursuant to T.C.A. § 12-3-1207 and may be used only when qualifications, experience, or competence are more important than price in making the purchase, and either (1) when there is more than one (1) solution to a purchasing issue and competitive sealed proposals would assist in choosing the best solution; or (2) when there is no readily identifiable solution to a purchasing issue and competitive sealed proposals would assist in identifying one (1) or more solutions. The request for competitive sealed proposals shall state the relative importance of price and other evaluation factors. The award shall be made to the responsible respondent whose proposal the governing body determines is the most advantageous to the City, taking into consideration price and the evaluation factors set out in the request for competitive sealed proposals. No other factor may be used in the evaluation.

S. Requests for Qualifications

Requests for qualifications may be used pursuant to T.C.A. § 12-3-1209 for legal services, fiscal agent, financial advisor or advisory services and similar services by professional persons or groups of high ethical standards, or pursuant to T.C.A. § 12-4-107 for architectural, engineering and construction services.

T. Procurement of Property and/or Services under a Federal Award

When procuring property and/or services under a Federal award, the City shall follow applicable provisions of 2 CFR Chapter I and Chapter II, Part 200, et al. ("Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule"), as promulgated December 26, 2013 by Executive Office of the President, Office of Management and Budget, namely sections 200.318 ("General procurement standards") through 200.326 ("Contract provisions").

U. Requests to inspect and/or obtain either complete or partial copies of purchasing-related records

1. Sealed bids, requests received during protest period: After opening sealed bids submitted to and received by the City in response to a formal procurement solicitation for bids facilitated by the City Purchasing Office, but not later than the seventh calendar day after the City issues a notice of intent to award a pending procurement in response to such a procurement solicitation:
 - a. Requests by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect such bids shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party.
 - b. Requests other than by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect, and requests by any party to obtain either complete or partial copies of such bids shall be made pursuant to the City's public records request policy and procedure.
2. Sealed proposals and statements of qualifications and certain related records, requests received during protest period: After the City issues a notice of intent to award a pending procurement as a result of a formal procurement solicitation facilitated by the City Purchasing Office and involving a personal service, professional service, or consultant service request for proposals or request for qualifications solicitation that resulted in proposals or statements of qualifications having been submitted to and received by the City, but not later than the seventh calendar day after the City issues such a notice of intent to award:
 - a. Requests by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect such proposals and statements of qualifications, and related records, including, but not limited to, evaluations, names of evaluation committee members, and all related memoranda or notes, shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party.
 - b. Requests other than by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect, and requests by any party to obtain either complete or partial copies of such proposals and statements of qualifications, and related records, including, but not limited to, evaluations, names of evaluation committee members, and all related memoranda or notes, shall be made pursuant to the City's public records request policy and procedure.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

3. Sealed submittals (except any that have been attached to a City contract that has been posted on the City's website), requests received after protest period: After the seventh calendar day after the City issues a notice of intent to award a pending procurement in response to a formal procurement solicitation facilitated by the City Purchasing Office, requests by any party to inspect and/or obtain either complete or partial copies of bids, proposals or other vendor submittals, except any such documents that have been attached to a City contract that has been posted on the City's website (see below), shall be made pursuant to the City's public records request policy and procedure.
4. Other purchasing-related City records:
 - a. Other than between the date when the City releases a formal solicitation for sealed competitive submittal and the date when the sealed competitive submittal is due to be submitted and opened for any like product or service, for any purchasing-related City record that has already been posted on the City's website (e.g., contract, staff memorandum of recommendation, tabulation of bids, tabulation of proposals, tabulation of submittals in response to a City request for qualifications), requests by any party to inspect and/or obtain either complete or partial copies of such records shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party, and so honoring such a request may but need not involve the use of the City's public records request policy and procedure.
 - b. Between the date when the City releases a formal solicitation for sealed competitive submittal and the date when the sealed competitive submittal is due to be submitted and opened for any like product or service, for any purchasing-related City record that has already been posted on the City's website (e.g., contract, staff memorandum of recommendation, tabulation of bids, tabulation of proposals, tabulation of submittals in response to a City request for qualifications), requests by any party to inspect and/or obtain either complete or partial copies of such records shall be directed to and promptly honored by the City Purchasing Office in accordance with fair practices (e.g., timely preparation and issuance of an addendum with the requested record(s) attached) established by the City Purchasing Office, and so honoring such a request shall not involve the use of the City's public records request policy and procedure.
 - c. At any time, for all purchasing-related City records other than those pertaining to a formal procurement solicitation facilitated by the City Purchasing Office, requests by any party to inspect and/or obtain either complete or partial copies of such records shall be made pursuant to the City's public records request policy and procedure.

V. Multiple-Contract Awards

When advantageous to the City to do so, the City may issue multiple-contract awards, that is, contracts awarded to more than one supplier and/or service provider for comparable supplies and/or services, provided the provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing apply for the total value of all contracts issued for the multiple-contract award.

W. Donated or below-market-priced products or services

If in the judgment of the department head or city administrator a potential donation or a product or service otherwise priced below market would be a benefit to the City, then the City may receive donated or below-market-priced products, whether new or used, or services, provided:

1. The transaction complies with provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing for the transaction value of the donation.
2. The transaction is documented, such as by purchase order or other contract.
3. The transaction documentation states:
 - a. That the donation is offered free and clear to the City of Franklin, Tennessee without any expectation of any payment or service or any other consideration in return, including consideration for past or future procurements of or by the City.
 - b. That the donor is not entitled to, and shall not seek, any marketing or advertising or promotional privilege or benefit as a result of the donation.

This section does not pertain to sponsorships or other advertising sold and/or received by the City.

X. Trade-ins

The Franklin Municipal Code provision pertaining to the disposal of surplus personal property of the City does not pertain to any trade-in of a product owned by the City toward the purchase of another product provided the purchase of the other product complies with the provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing for the value of the purchase before the value of any trade-in is applied.

Y. Emergency policies and procedures

During a declared state of emergency that applies to the City, the City Administrator may suspend this Purchasing Policy and/or the Purchasing Manager may suspend standard purchasing procedures administered by the Purchasing Manager and implement temporary policies and procedures as circumstances warrant; provided, however, (a) that any suspension of this Purchasing Policy, the rationale for such suspension and any temporary policies shall, as soon as practicable, be reported to the Board of Mayor and Aldermen, and (b) that, to the extent practicable, any such temporary policies and procedures shall deviate from this Purchasing Policy and such standard purchasing procedures no more than necessary under the circumstances.

APPENDIX A

SELECTED TENNESSEE STATUTES APPLYING TO OFFICERS, COMMITTEE MEMBERS, ETC.

T.C.A. § 6-54-107. Interest of officer in municipal contracts prohibited.

- a. No person holding office under any municipal corporation shall, during the time for which such person was elected or appointed, be capable of contracting with such corporation for the performance of any work that is to be paid for out of the treasury. Nor shall such person be capable of holding or having any other direct interest in such a contract. "Direct interest" means any contract with any business in which the official is the sole proprietor, a partner, or the person having the controlling interest. "Controlling interest" includes the individual with the ownership or control of the largest number of outstanding shares owned by any single individual or corporation.
- b. No officer in a municipality shall be indirectly interested in any contract to which the municipality is a party unless the officer publicly acknowledges such officer's interest. "Indirectly interested" means any contract in which the officer is interested but not directly so, but includes contracts where the officer is directly interested but is the sole supplier of goods or services in a municipality.
- c.
 1. Any member of a local governing body of a municipality who is also an employee of the same municipality may vote on matters in which such member has a conflict of interest if the member informs the governing body immediately prior to the vote as follows: "Because I am an employee of (name of governmental unit), I have a conflict of interest in the proposal about to be voted. However, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and the citizens this body represents."
 2. In the event a member of a local governing body of a municipality has a conflict of interest in a matter to be voted upon by the body, the member may abstain for cause by announcing such to the presiding officer. Any member of a local governing body of a municipality who abstains from voting for cause on any issue coming to a vote before the body shall not be counted for the purpose of determining a majority vote.
 3. The vote of any person having a conflict of interest who does not inform the governing body of such conflict as provided in subdivision (c)(1) shall be void if challenged in a timely manner. As used in this subdivision (c)(3), "timely manner" means during the same meeting at which the vote was cast and prior to the transaction of any further business by the body.
 4. Nothing in this subsection (c) alters, amends, or otherwise affects § 12-4-101(a). In the event of any conflict between this subsection (c) and § 12-4-101(a), § 12-4-101(a) shall prevail.
 5. The legislative body of any metropolitan form of government or charter form of government may opt out of this subsection (c) by resolution

T.C.A. § 6-54-108. Penalty for unlawful interest of officer.

Every officer of such corporation who shall unlawfully be concerned in making such contract, or who shall unlawfully pay money upon the same to or for any person declared incapable in § 6-54-107, shall forfeit the amount so paid; and such officer shall be jointly and severally liable to an action for the same, which action may be prosecuted by any citizen of the corporation in its name.

T.C.A. § 12-4-101. Personal interest of officers prohibited.

(a) (1) It is unlawful for any officer, committee member, director, or other person whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract in which any municipal corporation, county, state, development district, utility district, human resource agency, or other political subdivision created by statute shall or may be interested, to be directly interested in any such contract. "Directly interested" means any contract with the official personally or with any business in which the official is the sole proprietor, a partner, or the person having the controlling interest. "Controlling interest" includes the individual with the ownership or control of the largest number of outstanding shares owned by any single individual or corporation. This subdivision (a)(1) shall not be construed to prohibit any officer, committee person, director, or any person, other than a member of a local governing body of a county or municipality, from voting on the budget, appropriation resolution, or tax rate resolution, or amendments thereto, unless the vote is on a specific amendment to the budget or a specific appropriation or resolution in which such person is directly interested.

....

(b) It is unlawful for any officer, committee member, director, or other person whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract in which any municipal corporation, county, state, development district, utility district, human resource agency, or other political subdivision created by statute shall or may be interested, to be indirectly interested in any such contract unless the officer publicly acknowledges such officer's interest. "Indirectly interested" means any contract in which the officer is interested but not directly so, but includes contracts where the officer is directly interested but is the sole supplier of goods or services in a municipality or county.

....

T.C.A. § 12-4-102. Penalty for unlawful interest.

Should any person, acting as such officer, committee member, director, or other person referred to in § 12-4-101, be or become directly or unlawfully indirectly interested in any such contract, such person shall forfeit all pay and compensation therefor. Such officer shall be dismissed from such office the officer then occupies, and be ineligible for the same or a similar position for ten (10) years.

APPENDIX B

SOLE-SOURCE PURCHASES VALUED AT OR GREATER THAN \$10,000

Sole-source purchases valued at or greater than \$10,000 shall be made only when an item is unique and possesses specific characteristics that can be filled by only one source and must have prior approval by the Purchasing Manager or, if the purchase is valued at or greater than \$25,000, then the Board of Mayor and Aldermen except as detailed above (see “Sole-Source Purchases”). In determining whether to authorize sole-source purchases valued at or greater than \$10,000, factors such as the following shall be considered:

1. whether the vendor possesses exclusive and/or predominant capabilities or the item contains a patented feature providing a superior utility not obtainable from similar products;
2. whether the product or service is unique and easily established as one-of-a-kind;
3. whether the program requirements can be modified so that competitive products or services may be used;
4. whether the product is available from only one source and not merchandised through wholesalers, jobbers or retailers; and
5. whether items must be interchangeable or compatible with in-place items.

After review of the written justification from the requisitioning department and ascertaining that the item to be purchased meets one or several of the above criteria, and so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated, then, in lieu of competitive purchasing procedures, the Purchasing Manager shall either authorize the sole-source purchase or, if the purchase is valued at or greater than \$25,000, then forward the request to the Board of Mayor and Aldermen for its consideration except as detailed above (see “Sole-Source Purchases”).

Based in part on Rule No. 0690-3-1-.03(3) of Rules of the Tennessee Department of General Services, Purchasing Division.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

A. General Provisions

This City of Franklin (“City”) Purchasing Policy shall apply to the purchase of materials, supplies, vehicles and equipment, the purchase of services other than those pertaining to the design and/or construction of new infrastructure and facilities, leases and lease-purchases, and the disposal and transfer of surplus personal property, all for the proper conduct of the City’s business.

All contracts, leases and lease-purchase agreements are subject to the approval of the Board of Mayor and Aldermen, unless otherwise provided by resolution or ordinance. Any contracts, leases and lease-purchase agreements extending beyond the end of the current fiscal year shall be so noted prior to consideration by the Board of Mayor and Aldermen.

Whenever the City undertakes its own competitive procurement process for the procurement of goods and/or services not pertaining to the design and/or construction of new infrastructure and facilities, then the City is hereby authorized to utilize the one or more of the following procurement methodologies best suited for the intended procurement:

- request for quotations (not for purchases valued at \$25,000 or more)
- solicitation for bids
- request for proposals
- request for qualifications

This Purchasing Policy is intended to promote the public interest and preserve and enhance the public trust by establishing a transparent procurement system by which the City conducts its non-construction related purchasing, and by providing vendors (including suppliers, service providers and contractors) with a fair forum for competing for City business.

B. Responsibilities of Departments

The following are the responsibility of each department:

1. Departments shall be responsible for purchases and projects valued less than \$25,000. (In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered.)
2. Departments shall use pricing established pursuant to City procurement awards or Tennessee statewide contracts (SWCs) if and as available. The use of pricing established by cooperative purchasing arrangements approved by the City Administrator for use by the City, as well as pricing established by other Tennessee local governments pursuant to a competitive process involving “public advertisement” (hereby defined to mean the same as that term is used in T.C.A. § 6-56-301 *et seq.*, the Tennessee Municipal Purchasing Law of 1983, as it may be amended from time to time) and sealed submittals, are acceptable alternatives and may be used in lieu of competitive pricing established by the City or the State.
3. Departments shall coordinate with the Purchasing Office and/or the Finance Department as to the method of payment that best meets the needs of the City.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

4. Before placing an order for any non-emergency purchase valued at or greater than \$10,000, departments shall prepare and submit a requisition, on the form prescribed by the Purchasing Office, and await approval thereof. For orders for emergency purchases valued at or greater than \$10,000, the requisition may be completed within ten (10) calendar days after placing the order (and see “Emergency Purchases” below).
5. Purchases valued less than \$25,000 but not less than \$10,000 shall not be made unless and until, wherever possible, the department shall have obtained and forwarded to the Purchasing Manager competitive pricing quotations from at least three (3) vendors, said quotations to be either supplied in writing by the vendor or reduced to writing by the department, accompanied by a tabulation of the comparative aspects of the quotations obtained, a recommendation as to which quotation should be accepted and a requisition for the recommended quotation. As an alternative to obtaining three quotes, departments may use any of the procurement methodologies approved for usage for purchases valued at \$25,000 or more.
6. All foreseeable purchases, including those valued less than \$10,000, should not be made unless and until the department head or his or her authorized representative is satisfied that the value of the purchase is fairly priced and not more than what would be expected in the current market place. At the discretion of the department head or his or her authorized representative, for foreseeable purchases valued less than \$10,000, the department should, whenever it is prudent to do so, obtain multiple competitive pricing quotations, said quotations to be either supplied in writing by the vendor or reduced to writing by the department.
7. As soon as practicable but within ten (10) calendar days of receipt of items ordered, departments shall be responsible for verifying that the items conform to the order. The process for taking delivery of items is as follows:
 - a. Inspect the goods to verify that they are in acceptable condition.
 - b. Verify that all operating manuals and warranty cards are included in the delivery of the goods, if applicable.
 - c. Verify that the number of items ordered have been delivered, making special note when all or part of a particular order has been back-ordered.
 - d. Ensure that purchases of capital assets of the City have been properly reported, either directly or indirectly, to the Finance Department and the City’s Risk Manager and, if rolling stock, Fleet Maintenance, on forms prescribed by those respective offices, so that records of such purchases may be updated, insurance coverage may be obtained, and vehicle tags may be obtained, all in a timely manner.
8. Regardless of method of payment, departments shall be responsible for reviewing, approving and allocating to the proper budget code all invoices authorized for payment.
9. It shall be the responsibility of each department to allow time for competitive solicitation, ordering and delivery pursuant to this Purchasing Policy.
10. No employee shall make any indication that he/she will recommend a particular product for purchase, knowingly bind the City to a specific vendor, or make any representation as to his or her authority to bind the City by contract when such is not the case.

C. Responsibilities of Purchasing Manager

The following are the responsibility of the Purchasing Manager:

1. The Purchasing Manager shall assist all departments in purchasing operating materials, supplies, vehicles, equipment and services to which this Purchasing Policy applies.
2. The Purchasing Manager shall be responsible for facilitating the competitive process by which all purchases to which this Purchasing Policy applies and valued at or greater than \$25,000 are made.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

3. For all purchases to which this Purchasing Policy applies and valued at or greater than \$10,000, the Purchasing Manager shall advocate the purchase of required products and services only either from (a) the responsible bidder or quoter that submits the lowest priced responsive bid or quote or from (b) the responsible proposer or other respondent that submits the responsive proposal or other submittal that is most advantageous to the City.
4. The Purchasing Manager shall advise the departments about the source and availability of products and services needed by the various departments.
5. The Purchasing Manager shall provide current vendor files available for use and review by departments.
6. The Purchasing Manager shall, upon request, obtain prices on comparable items.
7. The Purchasing Manager shall provide vendor lists, prepare Purchase Orders as necessary, and maintain orderly files.
8. The Purchasing Manager shall be alert on an ongoing basis for new sources and for improved products and services.
9. The Purchasing Manager shall assist the departments in the preparation of specifications for solicitations for bids and the requirements provisions of requests for proposals and requests for qualifications.
10. For formal procurement solicitations, the Purchasing Manager shall prepare and submit for timely publication all legal notices. To promote competition and facilitate the dissemination of documents and information pertaining to formal procurement solicitations, the Purchasing Manager shall post on the City's public website timely information about current formal procurement solicitations.
11. The Purchasing Manager shall periodically review the City's recent records of repetitive purchases, over time, across the organization and across suppliers and service providers, of like products and services, and shall advocate the City consolidate and aggregate its purchase of as many foreseeably necessary like products and services as practicable so to improve pricing for the City, to improve services provided to the City, and/or to reduce the City's cost of operations.
12. To the extent practicable, the Purchasing Manager shall strive to apply procurement thresholds of the City by like product or service for all anticipated needs of the City for the maximum term of a prospective award.
13. The Purchasing Manager shall investigate complaints from departments of poor performance by vendors, or complaints about inferior products, and shall, in consultation with the City's Law Department, choose which, if any, remedies are available to the City to pursue.
14. The Purchasing Manager shall be responsible for disposing of the City's surplus personal property of any value, regardless of whether the property was acquired and came to be owned by the City by means of purchase or donation or otherwise, by means of a competitive process and in compliance with City ordinance, except in cases involving data security or other mitigating circumstances. The Purchasing Manager shall develop the appropriate documentation for the Finance Department in accordance with the City Code.
15. The Purchasing Manager shall be responsible for administering and overseeing the City's Purchasing Card program.
16. The Purchasing Manager shall be responsible for otherwise administering and complying with this Purchasing Policy and applicable Tennessee state law, specifically T.C.A. § 6-56-301 *et seq.* (Tennessee Municipal Purchasing Law of 1983) and T.C.A. § 12-3-1201 *et seq.* (Public Purchases – Local Governments), as it may be amended from time to time, including keeping and filing required records and reports, as if they were set out herein and made a part hereof and within definitions of words and phrases from the law as herein defined.

D. Circumstances under which competitive pricing is not required

Under any of the following circumstances, competitive pricing (sealed bids or proposals pursuant to public advertising if valued at or greater than \$25,000; three quotes wherever possible if valued less than \$25,000 but not less than \$10,000) is not required. Under any of these same circumstances, neither individual authorization by nor specific reporting to the Board of Mayor and Aldermen is required unless such is otherwise required pursuant to this policy.

1. Authorized sole-source purchases (see below).
2. Authorized emergency expenditures (see below).
3. Purchases from instrumentalities created by two (2) or more cooperating governments, such as, but not limited to those established pursuant to T.C.A. § 12-9-101, et seq.
4. Purchases from non-profit corporations whose purpose or one of whose purposes is to provide products and services specifically to municipalities, as provided in T.C.A. § 6-56-302.
5. Purchases, leases or lease-purchases of real property, as provided by City ordinance and state law.
6. Purchases, leases, or lease-purchases of used or secondhand articles consisting of goods, equipment, materials, supplies, or commodities, as provided in T.C.A. § 12-3-1202.
7. Purchases of supplies, goods, equipment (except new or unused motor vehicles, unless the motor vehicles are manufactured for a special purpose as defined in T.C.A. § 12-3-1208) and/or services (except any transportation infrastructure project, including, but not limited to, projects for the construction or improvement of streets, highways, bridges, tunnels, or any roadway related facility), pricing for which has been established by other units of Tennessee local government, as provided in T.C.A. § 12-3-1203(a) and 12-3-1203(c).
8. Purchases pursuant to Tennessee Department of General Services statewide contracts (SWCs) authorized for use by Tennessee local governments.
9. Purchases from Tennessee Rehabilitative Initiative in Correction (TRICOR).
10. Professional service contracts, as provided in T.C.A. § 12-3-1209.
11. Other professional services, including actuarial, architectural design, financial and compliance audit, engineering design, financial advisory, legal counsel and medical.
12. Tort liability insurance, as provided in T.C.A. § 29-20-407.
13. Purchase of fuels, fuel products or perishable commodities.
14. Purchases based on contracts established by a cooperative purchasing arrangement recognized by the City pursuant to Resolution No. 2009-50, as provided in T.C.A. § 12-3-1205.
15. Purchases based on contracts established by the United States General Services Administration (GSA) and authorized by GSA for use by US local governments, except as may be prohibited by applicable Tennessee statute.
16. Other arrangements and methods pursuant to Tennessee and/or federal law.
17. Fees paid by the City for products and services provided to the City by the State of Tennessee, other units of local government, and public utilities and utility districts.
- 17.18. Purchases made during a declared state of emergency that applies to the City but only if specific conditions prevent the establishment of competitive pricing; provided, however, that if the emergency purchase is valued at or greater than \$25,000 both the purchase and the specific conditions that prevented the establishment of competitive pricing shall, as soon as practicable, be reported to the Board of Mayor and Aldermen.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

E. Rejection of Bids, Proposals or Other Submittals

The Purchasing Manager shall recommend to the Board of Mayor and Aldermen to reject any and all bids, proposals or other submittals received pursuant to a formal procurement solicitation issued by the Purchasing Office, or parts thereof, for any product or service to which this Policy applies, whenever, prior to the Board of Mayor and Aldermen making an award pursuant to such a formal procurement solicitation, the Purchasing Manager believes the public interest would be best served by such rejection. The Purchasing Manager shall recommend to the Board of Mayor and Aldermen that it reject any such submittal of a vendor or contractor who is in default on the payment of taxes, licenses, fees or other monies of whatever nature that may be due the City by the vendor or contractor whenever, prior to the Board of Mayor and Aldermen making an award pursuant to such a formal procurement solicitation, the Purchasing Manager becomes aware of such default.

F. Conflict of Interest, Use of Position, Solicitation

There are several sources of law and regulations, as they may be amended from time to time, that apply to conflicts of interest, use of position and solicitation. They are incorporated by reference and adopted as if fully stated herein.

a. City Charter

Article VIII (“Finance”), Section 16 (“Officers not to be Interested in City Contracts or Work”) of the City of Franklin Charter reads as follows:

No member of the Board of Mayor and Aldermen, or officer elected by said Board, shall be interested in any contract, or work of any kind whatever, under its control and direction, and any contract in which any such person shall have an interest shall be void and cannot be enforced.

b. City of Franklin Municipal Code

Title 1 (“General Administration”), Chapter 8 (“Ethics”) of the City of Franklin Municipal Code sets forth the Code of Ethics for the City of Franklin, which applies to all full-time and part-time elective or appointed officials and employees of the City.

c. City of Franklin Regulations

Article XXII (“General Policies and Procedures”), Section E (“Business Dealings”), of the City of Franklin Human Resource Manual, as it may be amended from time to time, reads as follows:

Except for the receipt of such compensation as may be lawfully provided for the performance of City duties, and except as noted below, no City officer or employee shall be privately interested in or profit, directly or indirectly, from business dealings with, of, or by the City.

~~Regular full time, regular part time and temporary employees of the City may, subject to the approval of the City Administrator, contract to perform services for the City by meeting the following criteria: (1) the service performed must not be any service which the employee might provide in the normal scope of their regular duties; (2) the employee would be required to bid or submit a proposal in the same manner as any other prospective provider of service; and (3) the service performed must not present a conflict of interest nor a conflict of time with the employee's regular duties.~~

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

Full-time, part-time, and temporary employees of the City may contract to supply goods and products to the City and/or render services for the City, provided:

1. any service that would be rendered must not be one the employee might provide in the normal scope of their regular duties;
2. the employee would be required to compete for the City's business in the same manner as any other prospective supplier or service provider;
3. the business relationship between the City and the employee must not present a conflict of interest nor a conflict of time with the employee's regular duties;
4. the business relationship between the City and the employee is not prohibited by the City's ethics policy; and
5. the business relationship between the City and the employee is authorized in advance by the City Administrator, and if the relationship is to be for more than one (1) year, it is annually re-authorized by the City Administrator.

Article XXII ("General Policies and Procedures"), Section I ("Use of Position"), of the City of Franklin Human Resource Manual, as it may be amended from time to time, reads in part as follows:

No ~~City officer or~~ employee shall make or attempt to make private purchases in the name of the City, nor otherwise use or attempt to use status as a City employee to secure unwarranted privileges or exemptions.

Article XXII ("General Policies and Procedures"), Section F ("Acceptance of Gratuities"), of the City's Human Resource Manual, as it may be amended from time to time, reads in part as follows:

No ~~City officer or~~ employee shall accept or solicit any money or other consideration or favor from anyone other than the City for the performance of an act ~~which that~~ the officer or employee would be required or expected to perform in the regular course of employment; nor shall any officer or employee accept, directly or indirectly, any gift, gratuity, or favor of any kind ~~which that~~ might reasonably be an attempt to influence the individual's actions with respect to City business. ~~For further explanation, see Title 1, Chapter 8 ("Ethics"), of the Municipal Code.~~

d. Statutes

Certain Tennessee statutes may apply to purchases involving city officers, committee members, etc. Selected Tennessee statutes may be found in Appendix A to this Purchasing Policy attached hereto for reference.

G. City Officer and Employee Communication with Vendors During Formal Procurement Solicitations for Sealed Submittals

Between the time a formal procurement solicitation for sealed submittals is issued by the City and the time an award is made, members of the Board of Mayor and Aldermen as well as employees of the City shall refrain from any form of communication with one or more vendors that may be competing for the award about any aspect of the procurement other than either in the context of a public meeting or by way of the Purchasing Office. The foregoing is not meant to preclude a representative of the City from answering questions from vendors if the question is already addressed in the formal solicitation documents, if the City representative is certain of the correct answer and if the Purchasing Office is informed of the communication. Otherwise, any inquiries from one or more vendors that may be competing for such an award shall be directed to the Purchasing Office which shall determine if an addendum to the formal procurement solicitation should be prepared and issued to all vendors known or thought to

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

be interested in the procurement opportunity. Vendors that may be competing for an award pursuant to a formal procurement solicitation shall be instructed that, until that award has been made, they shall not communicate about either the content of or the procurement process pertaining to the relevant formal procurement solicitation with any official, employee or other representative of the City except through the City's Purchasing Office. The City reserves the right to disqualify any vendor that initiates unauthorized communication with the City during the procurement phase.

H. City Officer and Employee Business Dealings with the City

See Article XXII ("General Policies and Procedures"), Section E ("Business Dealings"), of the City of Franklin Human Resources Manual.

See also Title 1 ("General Administration"), Chapter 8 ("Ethics"), of the City of Franklin Municipal Code.

I. Tie Bids and Tie Quotes

Whenever the City utilizes its own competitive process, and in the event of tie bids or tie quotes (that is, when two or more responsible bidders or quoters submit responsive bids or quotes at identical total pricing for the minimum or estimated quantity indicated), then the tie bids or tie quotes shall be broken by means of one of the following methods, in descending order:

1. The award shall be made to the vendor who bid or quoted the soonest delivery of the product or completion of the service of all the vendors submitting the tie bids or tie quotes.
2. The award shall be made to the vendor who offered the pricing for the longest period of time for potential future orders of all the vendors submitting the tie bids or tie quotes.
3. If one or more of the vendors submitting the tie bids or tie quotes competed for the City's business the last time the City solicited bids or quotes for the same product or service, then the award shall be made to the vendor who offered the lowest pricing at that time of all the vendors submitting the tie bids or tie quotes.
4. If one or more of the vendors submitting the tie bid or tie quote have done business with the City within the most recent 24 months, then the award shall be made to the vendor who has done the most business with the City (measured in dollars) in that time frame of all the vendors submitting the tie bids or tie quotes.
5. The award shall be made by means of random selection, such method to be administered by the Purchasing Manager and to give equal opportunity to all the vendors submitting the tie bids or tie quotes.

J. Determining Responsible Respondents and Responsive Submittals

Whenever the City utilizes its own competitive process, products and services shall be purchased either from (a) the responsible bidder or quoter that submits the lowest priced responsive bid or quote or from (b) the responsible proposer or other respondent that submits the responsive proposal or other submittal that is most advantageous to the City. (The term "responsible bidder or quoter" and the term "responsible proposer or other respondent" shall mean a business entity or individual determined by the City to have the integrity and reliability as well as the financial and technical capacity to perform the requirements of the procurement solicitation and subsequent contract. The term "responsive bid or quote" and the term "responsive proposal or other submittal" shall mean a submittal determined by the City to fully conform in all material respects to the procurement solicitation and all of

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

its requirements, including all form and substance.) In determining whether a competing respondent is responsible and whether the submittal is responsive, criteria such as the following may be taken into consideration:

1. The ability of the competing vendor to perform the contract or provide the material or service required.
2. Whether the competing vendor can perform the contract or provide the service promptly, or within the time specified, without delay or interference.
3. The character, integrity, reputation, judgment, experience, expertise and efficiency of the competing vendor.
4. The previous and existing compliance by the competing vendor or a predecessor in interest with laws and ordinances relating to the contract or service.
5. The quality of the competing vendor's performance of previous contracts or services, including the quality of such contracts or services in other municipalities, or performed for private sector customers.
6. The sufficiency of financial resources and the ability of the competing vendor to perform the contract or provide the service.
7. The ability of the competing vendor to provide future maintenance and service for the use of the materials, supplies, vehicles, equipment or contractual service contracted.
8. Compliance by the competing vendor with all specifications included in the solicitation for bids or with all requirements included in the request for proposals or request for qualifications.
9. The ability of the competing vendor to deliver and maintain any requisite bid bonds or performance bonds.

K. Emergency Purchases

When in the judgment of the City Administrator, the department head or the Purchasing Manager there exists an emergency impinging on public health, safety or welfare and a purchase valued at or greater than \$10,000 is necessary, then the competitive purchasing provisions contained in this Purchasing Policy may be waived; provided, however, that if the emergency purchase is valued at or greater than \$25,000 it shall as soon as practicable, be reported to the Board of Mayor and Aldermen ~~at its next scheduled meeting~~.

The emergency basis for pricing should be used only if necessary. Purchases that qualify as emergencies are to be based on emergency pricing only if another policy-compliant basis for pricing (e.g., federal General Services Administration (GSA) via GSA contract, State of Tennessee via Tennessee statewide contract (SWC), one of the cooperative purchasing arrangements recognized by the City) is not known to be available.

L. Sole-Source Purchases

In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered. To the extent practicable, departments and the Purchasing Manager shall strive to apply procurement thresholds of the City by like product or service for all anticipated needs of the City for the maximum term of a prospective award.

The sole-source basis for pricing should be used only if necessary or advantageous to the City. ~~Purchases-Except when advantageous to the City to do otherwise, purchases~~ that qualify as sole-source are to be based on sole-source pricing only if another policy-compliant basis for pricing (e.g., federal General Services Administration (GSA) via

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

GSA contract, State of Tennessee via Tennessee statewide contract (SWC), one of the cooperative purchasing arrangements recognized by the City) is not known to be available.

Sole-source purchases valued at less than \$10,000 may be authorized by the end-user department. Sole-source purchases valued at less than \$25,000 but not less than \$10,000 may be authorized by the Purchasing Manager upon being satisfied that it is not possible to obtain competitive pricing quotations from at least three (3) vendors. Except as noted below, sole-source purchases valued at or greater than \$25,000 may not be made unless and until individually authorized by the Board of Mayor and Aldermen. Authorized sole-source purchases do not require sealed bids or proposals pursuant to public advertising. The criteria for evaluating sole-source purchases valued at or greater than \$10,000 are presented in Appendix B to this Purchasing Policy. Sole-source purchases pertaining to circumstances under which sealed bids or proposals pursuant to public advertising are not required, as same are listed in provision D above, even if valued at or greater than \$25,000, require neither individual authorization by nor specific reporting to the Board of Mayor and Aldermen unless otherwise required to be authorized or reported pursuant to this policy.

Sole-source purchases valued at or greater than \$25,000 that do not require individual authorization by (but which shall, as soon as practicable, still be reported to) the Board of Mayor and Aldermen include:

- a. Repairs to, maintenance of, licenses for and/or maintenance agreements for products already in use by the City, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: engine repairs made by the manufacturer or the manufacturer's representative for a vehicle; license and maintenance agreements for computer software.
- b. Purchases of items necessary to maintain, expand or improve a manufacturer-specific system already in use by the City, and/or another governmental agency with which the City must cooperate in order to provide the public service relevant to the proposed purchase, and that requires interchangeability or interconnectivity of and/or communication between the component parts, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: water meters and related parts; traffic signal equipment and related parts; athletic field lighting (and related parts) connected to a centralized master control; automated external defibrillators; cardiac monitors; telemetry/supervisory control and data acquisition equipment.
- c. Purchases of items that have, for good and sufficient reason, previously been standardized by the City, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: low-pressure wastewater collection grinder pumps and related parts; self-contained breathing apparatus; vehicle exhaust evacuation systems at individual fire stations, including installation if only one authorized installer is assigned to serve the City; vehicle extrication equipment.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

M. Purchasing Card Program

The Purchasing Card Program shall be administered by the Purchasing Manager pursuant to procedures established therefor. Department heads shall determine which employees of their department shall be issued City purchasing cards. Employees who are authorized and expected to travel on behalf of the City and at the City's expense shall be issued purchasing cards and are expected to use same in lieu of being given travel advances.

Employees' participation in the City's Purchasing Card Program is a privilege and a convenience that includes certain responsibilities. Although the purchasing card is issued in the cardholder's name, it is City property and therefore must be used in accordance with City policy and rules, as well as with objectively reasonable judgment, especially as follows:

1. The City of Franklin Purchasing Card is provided to employees based on their need to purchase authorized goods and services. A card may be revoked at any time based on change of assignment or location. The card is neither an entitlement nor a reflection of title or position.
2. The card may be used only for authorized obligations of the City; use of the card for a purchase other than an authorized obligation of the City (such as personal purchases as well as alcoholic beverages and entertainment), even if intended for future reimbursement, are specifically prohibited.
3. Purchases made with the card are to comply with City purchasing and disbursements policies and procedures. Such City procurement rules as the need for procurement requisitions, the basis for pricing, contracting, whether a certificate of insurance is necessary to require of the service provider, adequacy of budgeted funding, and timing of payment relative to delivery of the product or service, all apply regardless of method of payment (such as by purchasing card).
4. The cardholder is the only person entitled to use the card and is accountable for all charges attributable to the card.
5. Cardholders are expected to exercise objectively reasonable judgment in deciding whether to make a purchase by considering (a) whether the potential purchase is prudent and necessary, and (b) whether the potential purchase would reflect well on the City and the cardholder, and be perceived by the general public as suitable and appropriate. Improper use of a City purchasing card, especially intentional and unreported but even unintentional and reported, including personal purchases as well as alcoholic beverages and entertainment, even if reimbursed, may be considered misappropriation of City funds, which may result in disciplinary action, up to and including termination.
6. Except for (a) purchases made outside Tennessee, (b) purchases of non-catered prepared meals, and (c) purchases related to travel, the City purchaser/cardholder is responsible for ensuring that the transaction is completed without sales tax being charged to the City. If a transaction has been completed on which sales tax was charged in error, then the cardholder is responsible for contacting the vendor and requesting that the amount of the sales tax be credited back to the same City purchasing card to which the sales tax was charged. Documentation of this effort, and of the vendor's response, shall be submitted in addition to the supporting documentation for the transaction.
7. Cardholders are expected to comply with internal control procedures in order to protect the City's assets. This includes (a) not permitting anyone other than the cardholder to use the card; (b) making sure that each transaction is electronically processed in full and on time in the purchasing card expense reporting system utilized by the City; (c) keeping and submitting on time detailed invoices or itemized payment receipts that substantiate each and every charge attributed to the purchasing card issued to the cardholder; (d) assisting the

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

City upon request with reconciling the City's billing cycle statements; and (e) taking reasonable precautions to secure the purchasing card against loss and/or theft.

8. If electronic processing of a purchasing card transaction is not completed by the deadline and the Purchasing Office has not been previously notified of the need for a delay, then the monthly credit limit for the respective purchasing card may be reduced to \$0 until the processing is complete. This consequence applies to any transaction that has not been coded, explained with a comment, and approved by the individual assigned to approve purchasing card transactions for that cardholder. Credit limits will be restored to the previous amounts once electronic processing is complete.
9. Failure to submit on time adequate and legible supporting documentation for each transaction or to otherwise comply with City rules will carry consequences, possibly including reduction or loss of card spend authority, reimbursement of the City by the employee for unauthorized and/or unsubstantiated purchases, and/or disciplinary action, up to and including termination.
10. Cardholders are responsible for cooperating with efforts by the City to resolve any discrepancies by contacting the vendor and/or the issuing bank.
11. A lost or stolen purchasing card shall, as soon as practicable upon discovery of the loss or theft, be reported to the City Purchasing Office and/or the issuing bank.
12. A cardholder must surrender his or her card upon termination of employment (i.e., retirement or voluntary or involuntary separation).

N. Payment for Purchases

All payments to vendors and service providers shall be made by one of the City's available methods of payment in accordance with City purchasing and disbursements policies and procedures.

O. Use of Internet Auctions for Purchases of City Property

The use of internet auctions is generally prohibited as a method for making City purchases unless specifically authorized in advance by the City Administrator.

P. Vendor Protests

Vendor protests shall be handled in accordance with the City's Vendor Protest Procedure for procurements not pertaining to new construction, as approved by resolution of the Board of Mayor and Aldermen.

Q. Disciplinary Action

Any employee who fails or refuses to comply with the provisions of this Purchasing Policy shall be subject to disciplinary action pursuant to and as provided in the Human Resources Manual, as it may be amended from time to time.

R. Requests for Proposals

Requests for competitive sealed proposals shall be used pursuant to T.C.A. § 12-3-1207 and may be used only when qualifications, experience, or competence are more important than price in making the purchase, and either (1) when

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

there is more than one (1) solution to a purchasing issue and competitive sealed proposals would assist in choosing the best solution; or (2) when there is no readily identifiable solution to a purchasing issue and competitive sealed proposals would assist in identifying one (1) or more solutions. The request for competitive sealed proposals shall state the relative importance of price and other evaluation factors. The award shall be made to the responsible respondent whose proposal the governing body determines is the most advantageous to the City, taking into consideration price and the evaluation factors set out in the request for competitive sealed proposals. No other factor may be used in the evaluation.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

S. Requests for Qualifications

Requests for qualifications may be used pursuant to T.C.A. § 12-3-1209 for legal services, fiscal agent, financial advisor or advisory services and similar services by professional persons or groups of high ethical standards, or pursuant to T.C.A. § 12-4-107 for architectural, engineering and construction services.

T. Procurement of Property and/or Services under a Federal Award

When procuring property and/or services under a Federal award, the City shall follow applicable provisions of 2 CFR Chapter I and Chapter II, Part 200, et al. ("Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule"), as promulgated December 26, 2013 by Executive Office of the President, Office of Management and Budget, namely sections 200.318 ("General procurement standards") through 200.326 ("Contract provisions").

U. Requests to inspect and/or obtain either complete or partial copies of purchasing-related records

1. Sealed bids, requests received during protest period: After opening sealed bids submitted to and received by the City in response to a formal procurement solicitation for bids facilitated by the City Purchasing Office, but not later than the seventh calendar day after the City issues a notice of intent to award a pending procurement in response to such a procurement solicitation:
 - a. Requests by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect such bids shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party.
 - b. Requests other than by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect, and requests by any party to obtain either complete or partial copies of such bids shall be made pursuant to the City's public records request policy and procedure.
2. Sealed proposals and statements of qualifications and certain related records, requests received during protest period: After the City issues a notice of intent to award a pending procurement as a result of a formal procurement solicitation facilitated by the City Purchasing Office and involving a personal service, professional service, or consultant service request for proposals or request for qualifications solicitation that resulted in proposals or statements of qualifications having been submitted to and received by the City, but not later than the seventh calendar day after the City issues such a notice of intent to award:
 - a. Requests by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect such proposals and statements of qualifications, and related records, including, but not limited to, evaluations, names of evaluation committee members, and all related memoranda or notes, shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party.
 - b. Requests other than by an Interested Party (as that term is defined in the City's Vendor Protest Procedure) to inspect, and requests by any party to obtain either complete or partial copies of such proposals and statements of qualifications, and related records, including, but not limited to, evaluations, names of evaluation committee members, and all related memoranda or notes, shall be made pursuant to the City's public records request policy and procedure.

Purchasing Policy

for City of Franklin procurements not pertaining to new construction

3. Sealed submittals (except any that have been attached to a City contract that has been posted on the City's website), requests received after protest period: After the seventh calendar day after the City issues a notice of intent to award a pending procurement in response to a formal procurement solicitation facilitated by the City Purchasing Office, requests by any party to inspect and/or obtain either complete or partial copies of bids, proposals or other vendor submittals, except any such documents that have been attached to a City contract that has been posted on the City's website (see below), shall be made pursuant to the City's public records request policy and procedure.
4. Other purchasing-related City records:
 - a. Other than between the date when the City releases a formal solicitation for sealed competitive submittal and the date when the sealed competitive submittal is due to be submitted and opened for any like product or service, for any purchasing-related City record that has already been posted on the City's website (e.g., contract, staff memorandum of recommendation, tabulation of bids, tabulation of proposals, tabulation of submittals in response to a City request for qualifications), requests by any party to inspect and/or obtain either complete or partial copies of such records shall be directed to and promptly honored by the City Purchasing Office at a time during normal business hours of the City Purchasing Office that is mutually convenient to both the City Purchasing Office and the requesting party, and so honoring such a request may but need not involve the use of the City's public records request policy and procedure.
 - b. Between the date when the City releases a formal solicitation for sealed competitive submittal and the date when the sealed competitive submittal is due to be submitted and opened for any like product or service, for any purchasing-related City record that has already been posted on the City's website (e.g., contract, staff memorandum of recommendation, tabulation of bids, tabulation of proposals, tabulation of submittals in response to a City request for qualifications), requests by any party to inspect and/or obtain either complete or partial copies of such records shall be directed to and promptly honored by the City Purchasing Office in accordance with fair practices (e.g., timely preparation and issuance of an addendum with the requested record(s) attached) established by the City Purchasing Office, and so honoring such a request shall not involve the use of the City's public records request policy and procedure.
 - c. At any time, for all purchasing-related City records other than those pertaining to a formal procurement solicitation facilitated by the City Purchasing Office, requests by any party to inspect and/or obtain either complete or partial copies of such records shall be made pursuant to the City's public records request policy and procedure.

V. Multiple-Contract Awards

When advantageous to the City to do so, the City may issue multiple-contract awards, that is, contracts awarded to more than one supplier and/or service provider for comparable supplies and/or services, provided the provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing apply for the total value of all contracts issued for the multiple-contract award.

W. Donated or below-market-priced products or services

If in the judgment of the department head or city administrator a potential donation or a product or service otherwise priced below market would be a benefit to the City, then the City may receive donated or below-market-priced products, whether new or used, or services, provided:

1. The transaction complies with provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing for the transaction value of the donation.
2. The transaction is documented, such as by purchase order or other contract.
3. The transaction documentation states:
 - a. That the donation is offered free and clear to the City of Franklin, Tennessee without any expectation of any payment or service or any other consideration in return, including consideration for past or future procurements of or by the City.
 - b. That the donor is not entitled to, and shall not seek, any marketing or advertising or promotional privilege or benefit as a result of the donation.

This section does not pertain to sponsorships or other advertising sold and/or received by the City.

X. Trade-ins

The Franklin Municipal Code provision pertaining to the disposal of surplus personal property of the City does not pertain to any trade-in of a product owned by the City toward the purchase of another product provided the purchase of the other product complies with the provisions of this policy and relevant City procurement procedures pertaining to competitively established pricing for the value of the purchase before the value of any trade-in is applied.

Y. Emergency policies and procedures

During a declared state of emergency that applies to the City, the City Administrator may suspend this Purchasing Policy and/or the Purchasing Manager may suspend standard purchasing procedures administered by the Purchasing Manager and implement temporary policies and procedures as circumstances warrant; provided, however, (a) that any suspension of this Purchasing Policy, the rationale for such suspension and any temporary policies shall, as soon as practicable, be reported to the Board of Mayor and Aldermen, and (b) that, to the extent practicable, any such temporary policies and procedures shall deviate from this Purchasing Policy and such standard purchasing procedures no more than necessary under the circumstances.

APPENDIX A

SELECTED TENNESSEE STATUTES APPLYING TO OFFICERS, COMMITTEE MEMBERS, ETC.

T.C.A. § 6-54-107. Interest of officer in municipal contracts prohibited.

- a. No person holding office under any municipal corporation shall, during the time for which such person was elected or appointed, be capable of contracting with such corporation for the performance of any work that is to be paid for out of the treasury. Nor shall such person be capable of holding or having any other direct interest in such a contract. "Direct interest" means any contract with any business in which the official is the sole proprietor, a partner, or the person having the controlling interest. "Controlling interest" includes the individual with the ownership or control of the largest number of outstanding shares owned by any single individual or corporation.
- b. No officer in a municipality shall be indirectly interested in any contract to which the municipality is a party unless the officer publicly acknowledges such officer's interest. "Indirectly interested" means any contract in which the officer is interested but not directly so, but includes contracts where the officer is directly interested but is the sole supplier of goods or services in a municipality.
- c.
 1. Any member of a local governing body of a municipality who is also an employee of the same municipality may vote on matters in which such member has a conflict of interest if the member informs the governing body immediately prior to the vote as follows: "Because I am an employee of (name of governmental unit), I have a conflict of interest in the proposal about to be voted. However, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and the citizens this body represents."
 2. In the event a member of a local governing body of a municipality has a conflict of interest in a matter to be voted upon by the body, the member may abstain for cause by announcing such to the presiding officer. Any member of a local governing body of a municipality who abstains from voting for cause on any issue coming to a vote before the body shall not be counted for the purpose of determining a majority vote.
 3. The vote of any person having a conflict of interest who does not inform the governing body of such conflict as provided in subdivision (c)(1) shall be void if challenged in a timely manner. As used in this subdivision (c)(3), "timely manner" means during the same meeting at which the vote was cast and prior to the transaction of any further business by the body.
 4. Nothing in this subsection (c) alters, amends, or otherwise affects § 12-4-101(a). In the event of any conflict between this subsection (c) and § 12-4-101(a), § 12-4-101(a) shall prevail.
 5. The legislative body of any metropolitan form of government or charter form of government may opt out of this subsection (c) by resolution

T.C.A. § 6-54-108. Penalty for unlawful interest of officer.

Every officer of such corporation who shall unlawfully be concerned in making such contract, or who shall unlawfully pay money upon the same to or for any person declared incapable in § 6-54-107, shall forfeit the amount so paid; and such officer shall be jointly and severally liable to an action for the same, which action may be prosecuted by any citizen of the corporation in its name.

T.C.A. § 12-4-101. Personal interest of officers prohibited.

(a) (1) It is unlawful for any officer, committee member, director, or other person whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract in which any municipal corporation, county, state, development district, utility district, human resource agency, or other political subdivision created by statute shall or may be interested, to be directly interested in any such contract. "Directly interested" means any contract with the official personally or with any business in which the official is the sole proprietor, a partner, or the person having the controlling interest. "Controlling interest" includes the individual with the ownership or control of the largest number of outstanding shares owned by any single individual or corporation. This subdivision (a)(1) shall not be construed to prohibit any officer, committee person, director, or any person, other than a member of a local governing body of a county or municipality, from voting on the budget, appropriation resolution, or tax rate resolution, or amendments thereto, unless the vote is on a specific amendment to the budget or a specific appropriation or resolution in which such person is directly interested.

....

(b) It is unlawful for any officer, committee member, director, or other person whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract in which any municipal corporation, county, state, development district, utility district, human resource agency, or other political subdivision created by statute shall or may be interested, to be indirectly interested in any such contract unless the officer publicly acknowledges such officer's interest. "Indirectly interested" means any contract in which the officer is interested but not directly so, but includes contracts where the officer is directly interested but is the sole supplier of goods or services in a municipality or county.

....

T.C.A. § 12-4-102. Penalty for unlawful interest.

Should any person, acting as such officer, committee member, director, or other person referred to in § 12-4-101, be or become directly or unlawfully indirectly interested in any such contract, such person shall forfeit all pay and compensation therefor. Such officer shall be dismissed from such office the officer then occupies, and be ineligible for the same or a similar position for ten (10) years.

APPENDIX B

SOLE-SOURCE PURCHASES VALUED AT OR GREATER THAN \$10,000

Sole-source purchases valued at or greater than \$10,000 shall be made only when an item is unique and possesses specific characteristics that can be filled by only one source and must have prior approval by the Purchasing Manager or, if the purchase is valued at or greater than \$25,000, then the Board of Mayor and Aldermen except as detailed above (see “Sole-Source Purchases”). In determining whether to authorize sole-source purchases valued at or greater than \$10,000, factors such as the following shall be considered:

1. whether the vendor possesses exclusive and/or predominant capabilities or the item contains a patented feature providing a superior utility not obtainable from similar products;
2. whether the product or service is unique and easily established as one-of-a-kind;
3. whether the program requirements can be modified so that competitive products or services may be used;
4. whether the product is available from only one source and not merchandised through wholesalers, jobbers or retailers; and
5. whether items must be interchangeable or compatible with in-place items.

After review of the written justification from the requisitioning department and ascertaining that the item to be purchased meets one or several of the above criteria, and so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated, then, in lieu of competitive purchasing procedures, the Purchasing Manager shall either authorize the sole-source purchase or, if the purchase is valued at or greater than \$25,000, then forward the request to the Board of Mayor and Aldermen for its consideration except as detailed above (see “Sole-Source Purchases”).

Based in part on Rule No. 0690-3-1-.03(3) of Rules of the Tennessee Department of General Services, Purchasing Division.

SUBJECT:

Consideration Of Draft Resolution 2020-105, A Resolution Amending City Of Franklin Internal Control Documentation To Permit City Administrator Updates So That The Documentation Can Remain Consistent With Policy And Other Approved Changes.

PURPOSE:

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning Resolution 2020-105 to permit City Administrator updates so that the Internal Control Documentation can remain consistent with Policy and Other Approved Changes.

BACKGROUND/STAFF COMMENTS:

The State required local governments to document their internal controls. The Board approved the City's documentation in 2016 and amended it in 2018. Although not policy itself, the documentation is impacted by policy updates and other approved changes such as job titles/descriptions. Until the documentation is updated, it is not consistent with the other approved changes.

This resolution requests approval for the City Administrator to be able to update the documentation based on policy or other approved changes. The updates would be reported as an item approved on behalf of the Board when made.

For example, under Purchasing internal controls (as attached), the job titles and descriptions have changed since the documentation was amended.

FINANCIAL IMPACT:

There would be no financial impact from the resolution.

RECOMMENDATION:

Staff recommends approval of Resolution 2020-105 to the Board of Mayor and Aldermen.

RESOLUTION 2020-105
DRAFT

TO BE ENTITLED: "A RESOLUTION AMENDING CITY OF FRANKLIN INTERNAL CONTROL DOCUMENTATION TO PERMIT CITY ADMINISTRATOR UPDATES SO THAT THE DOCUMENTATION CAN REMAIN CONSISTENT WITH POLICIES AND OTHER APPROVED CHANGES"

WHEREAS, Tennessee Code Annotated 9-18-102 required local governments to document its internal controls by June 30, 2016; and

WHEREAS, TCA 9-18-102 specified that internal controls should be established and maintained to provide reasonable assurance that:

- (1) Obligations and costs are in compliance with applicable law;
- (2) Funds, property, and other assets are safeguarded against waste, loss, unauthorized use, or misappropriation; and
- (3) Revenues and expenditures are properly recorded and accounted for to permit the preparation of accurate and reliable financial and statistical reports and to maintain accountability over the assets.

WHEREAS, the City of Franklin adopted its Internal Control Documentation on April 26, 2016, per Resolution 2016-18; and

WHEREAS, the documentation created no new policies. It simply documented the City's current internal control objectives and assessment of the risks inherent in achieving these objectives; and

WHEREAS, the City of Franklin amended the Internal Control Documentation on June 26, 2018 per Resolution 2018-52 for updates from the Finance, Purchasing, and Revenue Management departments to match internal controls at that date; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the citizens of the City of Franklin to permit City Administrator updates so that the documentation can remain consistent with policies and other approved changes including job titles and descriptions.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF FRANKLIN, TENNESSEE, that updates to the Internal Control Documentation, approved on April 26, 2016 and amended on June 26, 2018, can be made by the City Administrator and be reported as an item Approved on Behalf of the Board of Mayor and Aldermen when made.

IT IS SO RESOLVED AND DONE on this day of ____, 2020.

CITY OF FRANKLIN, TENNESSEE

DOCUMENTATION OF INTERNAL CONTROLS

Section 9-18-102(a) of the Tennessee Code Annotated was amended to expressly require each county, municipal, and metropolitan government to establish and maintain internal controls.

The U.S. Office of Management and Budget (OMB) has established internal control guidance for all entities that receive federal awards at Code of Federal Regulations (CFR) 200.303. This guidance requires all entities to establish and maintain an effective system of internal control over federal awards. The OMB guidance further recommends implementing a system of internal control in accordance with internal control standards published in September 2014 by the U.S. Government Accountability Office (GAO) in *Standards for Internal Control in the Federal Government* (Green Book), as one method of complying with CFR 200.303.

The *Internal Control Manual for Local Governmental Entities and Other Audited Entities in Tennessee* (the "Internal Control Manual") should be used by all local governments.

This documentation follows the layout of the State's Internal Control Manual. (The Tennessee Code Annotated section and the OMB guidance referenced above is included in this documentation as Appendices A and B).

INTRODUCTION

OVERVIEW OF INTERNAL CONTROL

The U.S. Government Accountability Office (GAO) has established a common definition of internal controls, standards, internal control components, principles and attributes. The document that contains this information is often referred to as the Green Book. Because this GAO Green Book framework is widely accepted, it will be used as the basis for all internal control matters related to entities covered by this internal control manual as outlined in the preface.

Definition of Internal Control

Internal control is a process that is developed by the municipality to provide reasonable assurance that the following categories of objectives will be achieved:

Reporting	–	financial reporting will be reliable;
Operations	–	effectiveness and efficiency of operations; and
Compliance	–	compliance with applicable laws, regulations, contracts and grant agreements.

The above definition “reflects certain fundamental concepts.” Those concepts are:

- Internal control is geared to the achievement of objectives in one or more separate but overlapping categories.
- Internal control comprises the plans, methods, policies, and procedures used to fulfill the mission, strategic plan, goals, and objectives of the entity.
- Internal control is an integral part of the organization not a separate system within the organization.
- Internal control is a process. It is a means to an end, not an end in itself.
- Internal control is affected by people. It is not merely policy manuals and forms, but people at every level of an organization.
- Internal control increases the likelihood that an entity will achieve its objectives. However it can only be expected to provide reasonable assurance, not absolute assurance, that all of the organization’s objectives will be met.

While each organization may identify its mission, strategic plan, objectives, and plans for achieving its objectives in different ways, the Green Book approaches internal control through a hierarchical structure of five (5) components and seventeen (17) principles. The Green Book also contains additional information in the form of attributes. Attributes are presented under the heading title: “This Involves.” These attributes provide further explanation of the principles and documentation requirements.

Components of Internal Control

The five (5) main components of internal control are:

- | | | | |
|----|--------------------------------------|---|---|
| 1. | Control environment | – | the foundation for an internal control system |
| 2. | Risk assessment | – | assesses the risks facing the organization as it seeks to achieve its objectives |
| 3. | Control activities | – | the actions management establishes through policies and procedures to achieve objectives and respond to risks in the internal control system |
| 4. | Information and communication | – | the quality information management and personnel communicate and use to support the internal control system |
| 5. | Monitoring | – | activities management establishes and operates to assess the quality of performance over time and promptly resolve the findings of audits and other reviews |

There is a direct relationship between the organization’s objectives, the five components of internal control and the organizational structure of the organization. The five components apply to all three categories of objectives and all levels of the organizational structure. The seventeen (17) principles support the components of internal control.

Summary

A good internal control framework is essential to providing reasonable assurance that organizations are achieving their objectives. Such objectives include, but are not limited to, utilizing public resources in compliance with laws, regulations and budgetary limitations. An adequate control framework will provide information that helps detect errors and fraud, and provides reasonable assurance that financial reports are accurate. It will limit the opportunity for theft or unauthorized use of assets, including cash, inventory, and capital assets.

COMPONENT 1

CONTROL ENVIRONMENT

GAO Green Book Principles 1 through 5

The control environment is the foundation for any internal control system. There are five (5) principles related to the control environment

- 1. *The oversight body and management should demonstrate a commitment to integrity and ethical values.*** The governing body or other oversight body and management's directives, attitudes, and behaviors should reflect the integrity and ethical values expected throughout the entity.

The City's Board of Mayor and Aldermen and management demonstrate this commitment to integrity and ethical values as follows:

- The Board of Mayor and Aldermen have approved the Human Resources Manual which specifies expectations, discipline, and reporting of acts.
 - The Board of Mayor and Aldermen have approved a Code of Ethics. This Code of Ethics is included in the municipal code.
 - As part of its annual audit, the City's Board and Management complete a conflict of interest statement.
 - The Board of Mayor and Aldermen emphasizes best financial management practices. The City maintains a AAA bond rating from both Moody's and Standard & Poor's.
 - The City strives to have no audit findings in its annual audit.
 - The City performs a risk assessment annually for its insurance coverages.
 - The City plans to implement an office of internal audit sometime in the future. Currently, the Finance Department performs this function.
- 2. *The oversight body should oversee the entity's internal control system.*** The governing body should oversee the design, implementation, and operation of the organization's internal control system as well as take appropriate action to resolve deficiencies. The governing body may appoint a separate oversight body (such as an audit committee) that has the independence and qualifications needed to impartially evaluate, scrutinize, question activities, and oversee the design, implementation, and operation of the organization's internal control system as well as take appropriate action to resolve

deficiencies. Management should be directly involved in developing the internal control system and is responsible for implementing and monitoring the system for compliance.

The City's Board oversees the entity's internal control system as follows:

- The Board will approve by resolution the City's internal control documentation by June 30, 2016. It will be reviewed and updated, if necessary, prior to the audit.
- The Budget and Finance Committee receives quarterly reports. Monthly reports are available upon request.
- The Budget and Finance Committee is designated by the Board as the City's Audit Committee, which reviews the annual audit for internal controls issues.
- The City's Board receives the annual audit for its acceptance.

3. *Management should establish an organizational structure, assign responsibility, and delegate authority to achieve the entity's objectives.* This includes:

- Establishing, documenting, and regularly reviewing and updating a simple and flexible organizational plan that clearly addresses the assignment of authority and responsibility
- Develop a manual that provides sufficient documentation of internal control to communicate to personnel their responsibilities as well as to monitor and evaluate the controls.

The City has established an organizational structure, assign responsibility, and delegate authority to achieve the entity's objectives.

- The City's organizational chart is maintained by the Human Resources Department and issued in both the annual budget and annual audit report. It provides an overview of the lines of authority and responsibility. The City's Organization Chart is included as Appendix C.
- This internal control documentation includes individual responsibilities within areas of functional responsibility (e.g. receipting, payroll, accounts payable, and purchasing).

4. *Management should demonstrate a commitment to recruit, develop, and retain competent individuals.* This includes:

Developing and regularly reviewing and updating a manual that addresses:

- Job skills requirements (job descriptions, certifications, continuing professional education, education in new accounting standards, education in new laws, education in federal grant requirements, computer software education, and other general education and training requirements, etc.)
- Employee benefits (leave, flex plans, health insurance, 401k, pension, other postemployment benefits, etc.)
- The business continuity plan for succession and emergencies

The City's Management demonstrates a commitment to recruit, develop, and retain competent individuals as follows:

- The City continually maintains and reviews job descriptions to ensure quality candidates apply, are hired, and perform their responsibilities during their employment.
- Under the City's pay plan, pay is market based and reviewed periodically.

- MTAS and other external and internal training is provided to ensure that those responsible and performing internal controls are well informed about changes in accounting and reporting, changes in laws that affect payroll and payroll related activities, changes in laws that affect purchasing, grants administration and emergency management training.
- As software is updated, training is provided to ensure continued proficiency in computer skills.
- Employees are encouraged to obtain certifications such as CPA and CMFO and the entity agrees to pay for continuing professional education requirements.
- Background checks are performed for all employees involved in financial transactions such as collecting and disbursing funds.

5. *Management should evaluate performance and hold individuals accountable for the internal control responsibilities.* This includes:

- Developing and regularly reviewing and updating a manual that addresses:
- Periodic job evaluations and corrective action(s) to be taken when there are deficiencies
- Periodic evaluation of employee workload pressure and methods for communicating and implementing required changes to alleviate excessive workload pressures (whether created by management goals, time constraints, budgetary factors, cyclical demands, or increased workload buildup over time)

The City's Management evaluates performance and hold individuals accountable for the internal control responsibilities as follows:

- The City continually reviews job descriptions to ensure quality candidates apply, are hired, and perform their responsibilities during their employment.
- Under the City's new evaluation methodology, accountability for internal controls is a key component of performance.
- The Human Resources Manual requires an annual job evaluation for each employee. New employees have a probationary period. During that time, a corrective action plan will be developed for any deficiency noted as a result of an evaluation.

COMPONENT 2

RISK ASSESSMENT

GAO Green Book Principles 6 through 9

Having established an effective control environment, management assesses the risks facing the entity as it seeks to achieve its objectives. Generally speaking, risk assessment means asking questions about what could go wrong. There are four (4) principles related to risk assessment.

1. *Management should define objectives clearly to enable the identification of risks and define risk tolerances.* This includes:

Developing and regularly reviewing and updating a document that addresses:

- The organization's mission
- The organization's goals and objectives in sufficient detail to allow for performance risk assessments in a reasonably consistent manner
- The organization's risk tolerances or risk threshold for each objective in sufficient detail to allow for the appropriate design of an internal control system. Risk tolerances or thresholds should be assessed considering laws, regulations, generally accepted accounting principles, other standards, grant management, internal standards of conduct, oversight structure, organizational structure, and expectations of competence, etc.
- The organization's judgments about materiality, both qualitatively and quantitatively (i.e. risk threshold)

The City's Management has defined objectives clearly to enable the identification of risks and define risk tolerances as follows:

- The City's mission is found in the annual budget document as well as on its open government platform: www.performance.franklinton.gov
- The City has developed a strategic plan approved by the City's Board.
- The City mitigates risk through insurance coverages as found in Appendix D.
- The City has implemented strong internal controls, emphasizing separation of duties.
- The City's internal controls provide reasonable assurance that unlawful acts are not occurring.

- Surety bonds and/or employee dishonesty insurance is purchased to mitigate the risk of loss of funds due to errors, irregularities, or fraud.

2. *Management should identify, analyze, and respond to risks related to achieving the defined objectives.* This includes:

Developing and regularly reviewing and updating a document that addresses:

- The risks associated with the organization's objectives
- The methodology for determining if the risk identified is material to the organization
- The action(s) to be taken to mitigate the risk

The City's Management identifies, analyzes, and responds to risks related to achieving the defined objectives as follows:

- Performs risk assessments in connection with its insurance coverages.
- Performs internal control assessments (as shown in Attachment E).

3. *Management should consider the potential for fraud when identifying, analyzing, and responding to risks.* This includes:

Reviewing and attending training to identify types of fraud that can occur. Fraud types include fraudulent financial reporting, theft of assets, and corruption (i.e. bribery and other illegal acts). Fraud risk factors include incentive or pressure, opportunity, and attitude or rationalization. Internal controls specifically relate to opportunity. Review organization operations to determine if and how a fraud could occur. Consider the loss potential and determine the acceptable level of risk that the organization is willing to accept. Develop controls to limit the risk of fraud.

The City's Management considers the potential for fraud when identifying, analyzing, and responding to risks as follows:

- Emphasizing fraud training
- Understanding elements of fraud risk (incentive/pressure, opportunity, and rationalism)
- Implementing separation of duties wherever possible
- Evaluating risk in its entity-wide objectives of Operations, Reporting, and Compliance:
Operations Objectives –
 - Ensure that the entity's resources are adequately safeguarded
 - Provide taxpayer services efficiently and effectively
 - Limit the need for tax increases
 - Provide for the long-term stability of the municipality
 - Provide a stable and rewarding work environment for employees

Reporting Objectives –

- Provide timely interim financial reports and schedules for evaluating the results of operations
- Issue timely financial reports that comply with generally accepted accounting principles, the additional requirements of the Tennessee Comptroller of the Treasury, and federal grant requirements

Compliance Objectives –

- Comply with all relevant laws, regulations, contracts, and grant agreements

- 4. Management should identify, analyze, and respond to significant changes that could impact the internal control system.** This includes identifying risks during the planning process for all new grant programs, projects, and activities. Then, review the controls to determine what changes need to be made to ensure that objectives are met.

The City's Management identifies, analyzes, and responds to significant changes that could impact the internal control system as follows:

- Creating and updating City policies and procedures.
- Awareness of accounting standards changes.
- Awareness of state law or regulation changes.
- Awareness of federal law or regulation changes.
- Management reviews all new grant applications and agreements.
- Management reviews all new contracts.
- Management reviews all debt issuance documents.
- The City has implemented a debt capacity model in assessing the issuance of debt.
- Management will, at least annually, consider technological developments, employee turnover, new programs, new accounting standards, new laws and regulations, and economic growth or decline to determine whether or not changes in internal controls need to be implemented. Recommendations for changes will be reviewed and implemented as necessary. The implementation will include training for all personnel involved in the processes that require change.

COMPONENT 3

CONTROL ACTIVITIES

GAO Green Book Principles 10 through 12

Control Activities are the actions management establishes through internal control policies and procedures to achieve objectives and manage risks. There are three (3) principles related to control activities.

- 1. *Management should design control activities to achieve objectives and respond to risks.*** This includes:

Developing and periodically reviewing and updating a procedures manual that documents:

- The specific actions designed to address entity objectives and risks. These have been identified during the process of defining responsibilities, delegating authority, and assessing risks.
- The specific actions designed to address entity objectives and risk at various levels in the organization
- The division (i.e. segregation) of duties and/or implementing compensating controls designed to mitigate risks related to assigning duties and responsibilities among employees

The City's Management has designed control activities to achieve objectives and respond to risks.

- The City has identified objectives, risks, and relevant policies and procedures for activities shown in Appendix F.

- 2. *Management should design the entity's computerized information system and related control activities to achieve objectives and respond to risks.*** This includes:

Develop and periodically review and update guidelines for information technology documenting:

- The types of computerized information required to be compiled to meet the government's objectives
- The computer application controls necessary to ensure that information is valid, complete, and accurate
- The general computer controls addressing security management procedures,

contingency plans, configuration, logical and physical access

- Information technology infrastructure needs and the controls needed to ensure that adequate resources are available to meet the reporting needs (e.g. storage capacity)
- The external and internal security risks and the controls necessary to limit exposure to unauthorized access, corruption of data, or other misappropriation of information (e.g. personally identifiable information)
- Controls necessary to ensure that technology acquisition, development and maintenance activities are authorized, necessary, and properly integrated throughout the organization

The City's Management designed the entity's computerized information system and related control activities to achieve objectives and respond to risks.

- The City strives to improve the quality and level of services by upgrading information systems, including time and attendance, receipting, and utility billing. The IT director and assistant director review any reporting requirements or changes to programs that might impact the software and hardware maintenance schedule
- Assess and prioritize enhancements to meet any changes or additional needs in reporting requirements
- Assess the adequacy of general computer processes and controls

3. *Management should implement control activities through policies.* This includes:

Management will develop and periodically review and update a policies manual that documents:

- The overall general policies for the local entity that address the broad expectations (objectives and related risks, control activity design, implementation and operating effectiveness) of management and the responsibilities for each unit (office, division, department or other organizational segment) of the local entity
- Management's plan for monitoring departmental policies, procedures, and control activities developed by each unit to implement the general policies
- The means by which policies, procedures and control activities will be communicated to staff
- Management will ensure that each unit document policies, day-to-day procedures, and control activities to implement management's policies

The City's Management has implemented control activities through policies as follows:

- In addition to complying with federal and state laws and regulations, the City has adopted financial policies for investments, debt, fund balance reserves, pension funding, and cash receipting,
- The City periodically updates its Human Resources Manual.
- The Finance Department annually reviews financial policies for possible updating.

COMPONENT 4

INFORMATION AND COMMUNICATION

GAO Green Book Principles 13 through 15

Management is responsible for developing and providing internal and external information. This information supports the internal control system and validates its existence. There are three (3) principles related to information and communication.

1. ***Management should use quality information to achieve the entity's objectives.*** This includes:

Management should, on a regular basis:

- Review and document the information requirements to achieve key objectives and address the risks of the government
- Review and document changes that occur in the local government's objectives and the related changes in information requirements
- Identify and evaluate the reliability and timeliness of relevant data from both internal and external sources
- Review and evaluate whether data has been processed into quality information that allows management to make informed decisions and evaluate whether the local government is achieving its objectives

The City's Management uses quality information to achieve the entity's objectives.

- The City has a standardized format for information to be presented to the Board.
- The City Administrator, Assistant City Administrators, and Law Department review information being presented to the City's Board.
- Financial information needed from departments including receivables, inventory, donated assets, etc. is accumulated each quarter. It is reviewed by the Finance Department for accuracy.

INTERNAL CONTROL DOCUMENTATION

FOR CITY OF FRANKLIN TENNESSEE

- Financial information is obtained from outside entities such as Transit and non-profit agencies and reviewed by the Finance Department.
- Financial statements and budget amendments are reviewed by the City's Chief Financial Officer and City Administrator prior to release.

2. Management should internally communicate the necessary quality information to achieve the entity's objectives. This includes:

- Management clearly defines the lines of communication through policy manuals and organization charts
- Management has communicated the types of information required to achieve objectives and address risks
- All internal control documents and related reports will be available to all staff in an appropriate method based on confidentiality and relevance to job responsibilities
- The appropriate information delivery system has been determined (e.g. email, written memo, staff meetings, etc.) for changes and updates
- Reports containing personally identifiable information or other protected or confidential information will be made available through communication methods that restrict internal and external access
- Annual staff training meetings and new employee orientation, with relevant handouts and manuals, will be used to reinforce memo, email, intranet, and restricted communications

The City's Management internally communicates the necessary quality information to achieve the entity's objectives.

- The City's Board and the City Administrator communicate regularly about agenda items. The City's Management communicates with the Board and departments on upcoming changes in federal and state requirements.
- The City Administrator communicates regularly with other members of City Management in scheduled weekly meetings.
- City's Management has regular meetings on projects and information technology.

3. Management should externally communicate the necessary quality information to achieve the entity's objectives. This includes:

Management should develop policies and procedures for:

- Communicating with external parties, including.
 - Auditors
 - Federal grant agencies,

INTERNAL CONTROL DOCUMENTATION

FOR CITY OF FRANKLIN TENNESSEE

- SEC through the Electronic Municipal Market Access system (EMMA)
- Bond rating companies, prospective bond purchasers, and underwriters
- Vendors and contractors
- Insurance companies
- Law enforcement officials
- News media
- Individuals or public interest groups based on public information requests
- Evaluating the reliability of information provided to and received from external parties
- Ensuring that only authorized individuals provide information to external parties
- Ensuring that restricted information is provided only to authorized external parties
- Redacting of information when requested under the open records statutes

In summary, it is vitally important that information communicated to outside parties be accurate. This involves many different layers of internal controls including the control environment, the risk assessment process, and control activities. Before information is released to an outside party, management should be confident based on its internal policies and procedures, the information is accurate. The credibility of the entity, its governing body, and public officials is at stake whenever information is released to outside parties.

The City's Management externally communicates the necessary quality information to achieve the entity's objectives as follows:

- Management has identified specific departments and individuals in the organization to be responsible for external communications. For example, the Chief Financial Officer and Comptroller communicate with the auditors and ensure continuing debt disclosure.

COMPONENT 5

MONITORING

GAO Green Book Principles 16 and 17

Things change - the Operating Environment, Laws, Accounting Principles, Technology, Resources, and People, etc. For this reason, internal control policies and procedures must constantly be monitored and improved or updated. There are two (2) principles related to monitoring.

1. ***Management should establish and operate monitoring activities to monitor the internal control system and evaluate the results.*** This includes:

Management should:

- Evaluate and document the current state of the internal control system and document the differences between the criteria of the design and the current condition of internal control, for purposes of establishing a baseline
- Determine whether to change the design of internal control or implement corrective actions to improve the operating effectiveness of internal control for differences that exist
- Monitor internal control through built in monitoring activities and periodic separate evaluations and document the results
- Evaluate differences to determine if (1) changes in internal control have occurred but have not been documented, (2) internal control has not been properly implemented, or (3) internal control design changes are needed

The City's Management establishes and operates monitoring activities to monitor the internal control system and evaluate the results.

- The City's Chief Financial Officer and City's Comptroller, review the financial reports and expenditures to ensure that they comply with those requirements. A review of all relevant compliance issues would include, but not be limited to:

- federal and state grant requirements
- internal revenue service requirements
- budgeting and expenditures requirements
- financial reporting requirements
- state and federal laws and regulations
- debt issues
- The City's Comptroller periodically reviews
 - the cash receipts journal, cash disbursements journal, general ledger, and subsidiary ledgers to ensure that they are in balance
 - bank statements and the related reconciliations to determine that they are accurate and all activity is authorized and properly recorded, and
 - journal entries to determine that they are appropriate.
- The City's Assistant City Recorder/Records periodically reviews:
 - The minutes of actions taken by the governing body to determine that they are kept together and are complete and that actions taken are implemented and/or being accounted for as applicable and
 - Codified ordinances to ensure that they are up-to-date.
- The City's IT Director periodically reviews relevant computer programs to determine whether they need to be updated, upgraded or modified.
- The City's Budget and Finance Committee serves as the City's audit committee. The audit committee reviews financial reporting practices, internal control, compliance with laws, regulations, contracts and grant agreements, and ethics.

2. ***Management should remediate identified internal control deficiencies on a timely basis.*** This includes:

Management should:

- Adopt policies regarding ongoing monitoring processes and the method and timing of reporting issues and deficiencies to a designated individual
- Document the evaluation of issues noted during ongoing and periodic monitoring
- Propose a corrective action plan and implement the corrective action on a timely basis

The City's Management remediates identified internal control deficiencies on a timely basis as follows:

- A good internal control structure will only provide reasonable assurance that unlawful conduct does not occur or is detected on a timely basis. Though it is common to assume "it will never happen to us" it can happen. In fact, monitoring may be the means by which some unlawful conduct or fraud is detected. Unlawful conduct or fraud may be discovered because of tips from other employees, as a result of internal or external audits, because of internal control that has been established, and even by accident. Regardless of the method of discovery, the amount of

money involved, or the frequency of occurrence, all discoveries are to be reported in writing to the Comptroller. Unlawful conduct or fraud must be reported whether money is repaid and/or whether the employee is terminated. Simply because you do not believe that the person could ever have participated in unlawful activities or fraud or believe that they will not participate again, is not a basis for failing to report what has been discovered.

- Reporting when a public official believes unlawful conduct has occurred:
Tennessee Code Annotated, Section 8-4-501, defines unlawful conduct as "...theft, forgery, credit card fraud, or any other act of unlawful taking of public money, property, or services."
Tennessee Code Annotated, Section 8-4-503 states:

A public official with knowledge based upon available information that reasonably causes the public official to believe that a theft, forgery, credit card fraud, or any other act of unlawful taking of public money, property, or services has occurred shall report the information in a reasonable amount of time [i.e., five (5) working days] to the office of the comptroller of the treasury.

The form for reporting can be found on the web at:

GAO

What is the Green Book?

Important facts and concepts related to the Green Book and internal control

RELATED TO GAO-14-704G

What is internal control?

Internal control is a process that helps an entity achieve its objectives. It is the first line of defense in safeguarding public resources.

Objective identified
Controls designed
Controls in place
Objective achieved

Standards for Internal Control in the Federal Government, known as the Green Book, is the document that sets internal control standards for federal entities.

How does internal control work?

Internal control helps an entity

Run its operations efficiently and effectively
Report reliable information about its operations
Comply with applicable laws and regulations

Who would use the Green Book?

Here are some of the people who use it

Someone who manages programs for federal, state, or local government.

Someone conducting a performance audit or a financial audit

Someone responsible for making sure that personnel follow policies and procedures related to any and all job responsibilities

How is internal control organized?

Standards for Internal Control in the Federal Government (the Green Book) is organized by the five components of internal control, and apply to staff at all organizational levels and to an entity's operations, reporting, and compliance objectives.

What makes up the 5 components?

Principles

Each of the five components contains several principles. Principles are the requirements of each component.

Attributes

Each principle has important characteristics, called attributes, which explain principles in greater detail.

8. The City ensures that employees are adequately trained and aware of all relevant compliance issues.
9. The City provides policies and procedures for updating files to include the most current requirements as employees become aware of changes.
10. In accordance with Sections 6-54-901 through 6-54-907, Tennessee Code Annotated, the Board has adopted an ordinance to reimburse officials and employees whose salary is set by charter or general law for expenses incidental to holding office. The law requires that a written travel policy be enacted setting forth what expenses are reimbursable and how they are be reimbursed. Expenses for reimbursement must be reported on a standardized form in sufficient detail to determine allowability. In addition, adequate documentation must be required and maintained to support the expense report.
11. Precise maintenance and centralized control of payroll records is essential, even in the smallest City, because of social and labor legislation and the complex accounting and reporting problems involved.

12. Each employee has a current Internal Revenue Service Form W-4 withholding exemption certificate on file.

13. The City's separation of duties for payroll consists of the following:

Activity 3: Accounting and Financial Reporting

Objective 1: Prepare accurate and timely internal reports necessary to meet legal and organizational responsibilities

Objective 2: Prepare accurate and timely external reports necessary to meet legal and organizational responsibilities

Risks:

1. Incomplete or inadequate information is available or provided to users.

2. Records are discarded improperly or before all audit, contractual and legal retention limits are met
3. Annual report does not include all required statements, schedules, and disclosures

Policies:

1. TCA 6-56-401-408 Certified Municipal Finance Officer
2. TCA 9-2-102 Uniform Accounting System
3. TCA 54-4-204 Street Aid Fund
4. TCA 68-211-874 Sanitation Fund
5. TCA 53-11-415 Drug Fund
6. TCA 7-34-115 Water & Sewer Fund
7. TCA 7-36-401 Water & Sewer Authorized
8. TCA 68-221-1012 Unaccounted for Water
9. City of Franklin Fund Balance Policy

Procedures:

1. The City maintains a complete, self-balancing group of accounts for each fund. The City's accounting includes a general ledger, cash receipts journal, and cash disbursements journal for each fund, as well as subsidiary account records necessary to comply with legal provisions and generally accepted accounting principles and to present the financial position and changes in financial position.
2. The accounting records maintained by the City are consistent with the financial reporting of the City. That is, if the City reports a fund, the accounting records must include a separate fund in which activity is posted throughout the year. Likewise, if the accounting records include a fund in which activity is posted throughout the year, the financial report reflects that fund.
3. Subsidiary ledgers, such as utility accounts receivable listings, are used to maintain individual account transaction details to support the total in the general ledger control (summary) account.
4. The City issues a financial report that conforms to the requirements of the Governmental Accounting Standards Board (GASB) related to a comprehensive annual financial report (CAFR). However, audit reports for municipalities shall, at a minimum, conform to the general report outline as shown below and include the following supplemental information. The schedules required are significantly less than what would be required in a CAFR. Additional requirements and/or clarifications regarding the financial statements and required schedules are identified below.

5. Although GASB permits budgetary information for the general fund and each major special revenue fund to be included as Required Supplementary Information or as basic financial statements, the Comptroller's office requires detailed legally adopted budgetary information for the general fund and each major special revenue fund to be included in the basic financial statements. The auditor's opinion are cover this information. Budgetary information for other major funds would be included in supplemental information.
6. In addition to revenues being presented by source (e.g., taxes, intergovernmental revenues, licenses and permits, fines and forfeitures, etc.) as required by generally accepted accounting principles, taxes and intergovernmental revenues are be further detailed by specific source (e.g., property tax, TVA-in lieu of tax, beer tax, gasoline and motor fuel tax, etc.).
7. In addition to being classified by function (or program) and character (e.g., current, capital outlay, debt service and intergovernmental expenditures) as required by generally accepted accounting principles, expenditures are be further detailed by object classes. The detail presented for expenditures must be sufficient to exhibit legal and budgetary requirements (e.g., detail of state street aid fund expenditures: paving, street lighting, mowing, debt service, etc.).
8. The additional detail of revenues by specific source and expenditures by object classes are be either in the financial and/or budgetary statements or schedules of the major and nonmajor funds or, as additional supplemental schedules. Excessively detailed object classifications for expenditures are be avoided.
9. General Report Outline
 - a. Introductory Section
 - i. Table of Contents
 - ii. Letter of Transmittal
 - iii. Roster of Board Members
 - iv. Roster of Management Officials
 - b. Financial Section
 - i. Management's Discussion and Analysis
 - ii. Financial Statements including Notes to the Financial Statements
 - iii. Required Supplementary Information (GASB)
 - iv. Supplemental Information
 - v. Schedule of Expenditures of Federal Awards and State Financial Assistance
 - c. Statistical Tables
10. Supplemental Information:
 - a. Combining statements for nonmajor governmental and proprietary funds.
 - b. Combining statements for internal service funds.

- c. Combining statements for fiduciary funds (trust funds and agency funds).
- d. Individual budgetary schedules for all governmental funds with annual appropriated budgets that were not included as basic financial statements. (The schedule are include three (3) columns, one for the original budgetary amounts, one for the final budgetary amounts, and one for actual expenditures. An additional column is recommended, though not required, to display variances.)
- e. Fund information for discretely presented component units that do not issue a separate audit report.

11. Schedules.

- (1) A Schedule of Expenditures of Federal Awards and State Financial Assistance. (This schedule is required if the organization has expended any subrecipient funds, regardless of the amount expended. For additional guidelines governing reporting on separate audits of departments, divisions or funds, please refer to the Topical Index on the Division of Municipal Audit's web site <http://tn.gov/comptroller/ma/reference.htm>
- (2) The following schedules are required, if applicable, whether the City issues a CAFR or not (except as otherwise noted). Certain schedules may exceed GASB's minimum requirements; however, the information provided is used by other state departments.
 - (a) Schedule of Transfers (may be omitted if transfer disclosure in the notes to the financial statements is adequate, i.e., transfers disclosed by individual fund for all major and nonmajor funds).
 - (b) Schedule(s) of Long-Term Debt, Principal, and Interest Requirements (e.g., bonds, notes, and other long-term debt – by individual issue) by Fiscal Year – All Funds. Schedules are also be included for interfund and intrafund (i.e., between divisions within a utility fund) receivables and payables related to telecommunications, cable, etc.
 - (c) Uncollected Delinquent Taxes Filed in accordance with applicable laws
 - (d) Utility Rate Structure and Number of Customers
 - (e) Unaccounted for Water.
 - (f) Schedule of Changes in Property Taxes Receivable – By Levy Year (which are tie to the financial statements and may be omitted if a CAFR is issued)
 - (g) Property Tax Rates and Assessments – Last 10 Years
 - (h) Additional schedule(s), if necessary, of taxes and intergovernmental revenue by specific source and expenditures by object.

12. In accordance with Section 54-4-204, Tennessee Code Annotated, the City keeps all funds received from the state gasoline tax allocation in a separate fund designated as “State Street Aid Fund”. (Although not utilized, the City has received approval from the Comptroller of the Treasury of the State of Tennessee to account for such funds in the general fund).
13. In accordance with Section 53-11-415, Tennessee Code Annotated, the City of Franklin maintains a special revenue fund (not necessarily a separate bank account) for drug funds.
14. In accordance with Section 68-211-874, Tennessee Code Annotated, the City of Franklin maintains a special revenue fund for its sanitation fund.
15. Municipal utilities are established, operated and reported in many ways. Regardless of these differences, there are certain accounting and reporting requirements which are consistent. Municipal utilities must be accounted for and reported in such a manner that: the accounting and reporting demonstrates compliance with the requirement to be self-supporting. If each utility is reported in a separate fund, the activities of the utility will be adequately segregated to demonstrate whether the utility is charging rates sufficient to cover all costs of operation. If there is a single utility board and each type of utility service is reported as a division of a fund rather than as individual funds, the basic financial statements must generally be accompanied by additional supplemental schedules. These schedules are present sufficient detail for each of the divisions so that the utility board can demonstrate that each division is self- supporting.
16. The accounting and reporting demonstrates compliance with bond requirements. If revenue bonds are issued, the revenue stream that may be used to secure the debt is generally an individual division.
17. All shared costs are equitably divided among each of the individual divisions or funds.
18. The City ensures that, at least annually, a detailed review is made of all known compliance requirements. In addition, a search are be made to identify all new requirements relevant to the City’s operations. A review of all relevant compliance issues would include financial reporting requirements.
19. The City ensures the City’s Comptroller periodically reviews:
 - a. the cash receipts journal, cash disbursements journal, general ledger, and subsidiary ledgers to ensure that they are in balance.
 - b. bank statements and the related reconciliations to determine that they are accurate and all activity is authorized and properly recorded.

c. journal entries to determine that they are appropriate.

20. The Finance Department compiles, reviews and summarizes grant information throughout the year to ensure that the schedule of expenditures of federal awards and state financial assistance is complete and accurate.

Activity 4: Fiscal Year End Closing

Objective 1: Timely closing of fiscal year end

Risks:

1. Cash and investments may not be recorded or valued properly.
2. Material year-end receivables/revenues may not be recorded.
3. Material year-end payables/expenses/expenditures may not be recorded.
4. Estimates such as allowance accounts may be inaccurate. What documentation exists to prove the estimate?
5. Capital asset and depreciation accounts may not include material additions and disposals to capital assets.
6. Material debt activity may not be recorded. Have debt proceeds been recorded gross or net of issuance costs?
7. Material payroll activity, including pension liabilities, deferrals, and expense, may not be recorded.
8. Net position may not be properly classified.
9. Significant difficulties (complex new accounting standards, litigation, etc.), delays (grants, construction conflicts, pension data not available, etc.) or problems (computer system problems, key personnel leave, etc.) may be encountered causing data to be unavailable or to otherwise impede closing the books.
10. Who is assigned to gather this information?
11. Who is assigned to review the posting of year-end entries and conversion of balances from modified accrual basis to full accrual basis?
12. Who is responsible for determining compliance with generally accepted accounting principles (GAAP)?
13. What prior-year audit adjustments were considered necessary by auditors?
14. Other related risks.

Policies:

1. TCA 9-2-102 Close Accounting Records Within 60 Days

Procedures:

1. At the beginning of every fiscal year, immediately following the closing of the prior- year books of account, the Finance Department, in coordination with all other departments, will:
 - Review the prior year closing process and identify any difficulties, weaknesses or additional risks that were encountered.
 - Review any matters identified with management to determine whether any changes are required and, if so, oversee the development and design of those changes.
 - Review any new accounting standards and any accounting standards that are being developed that may be issued that will impact the upcoming year end closing.
 - Consider the effects of new laws such as for new taxes.
 - Set a tentative timeline for the upcoming year-end closing.
 - Communicate the plan to all department heads for dissemination to employees whose work will be impacted by the plan.
 - Revisit the plan with all departments near the end of the year.

Activity 5: Audit

Objective 1: Ensure that annual audit is performed

Objective 2: Ensure that annual audit is performed timely

Risks:

1. Not in compliance with state requirements
2. Not in compliance with federal requirements
3. Not in compliance with debt requirements

Policies:

1. TCA 6-56-105 & 8-4-109 Audits Required
2. TCA 9-3-212 Duty to Order and Pay for Audits
3. TCA 9-3-405 Audit Committee
4. TCA 47-10-101-103 Electronic Audit Contract and Audit Report

Procedures:

1. The City ensures that a contract to audit accounts is executed before the end of the fiscal year, to accommodate a timely audit. To facilitate this, an individual are be assigned to either begin the contracting process or notify the board when it is time to begin the contracting process, generally at least 3 months prior to the end of the fiscal year. A sample copy of the contract can be found on the web at: <http://tn.gov/comptroller/ma/contract.htm>
2. The audit contract is expected to be executed through the Comptroller's Contract and Report System (CARS), which can be accessed on the web at:
https://www.comptroller1.state.tn.us/RA_Upload/.
3. The City utilizes a request for proposal to evaluate independent audit firms. A sample request for proposal can be accessed on the web at: <http://tn.gov/comptroller/ma/auditmanual.htm>
4. The City performs year-end closing activities necessary to produce financial reports for audit purposes are be concluded as soon after the fiscal year end as is practicable.
5. The City's management takes responsibility for the annual financial report. Auditors for the City cannot maintain their independence under current standards if The City can't take responsibility for the annual financial report.
6. The annual financial report are be submitted through CARS by the audit firm in an electronic format. The format are be user friendly, which includes the use of bookmarks, internal document links, or other similar features.

Activity 6: Cash on Hand

Objective 1: Ensure that petty cash is secure and properly accounted for

Objective 2: Change funds are secure and properly accounted for

Risks:

1. Petty cash could be used for unauthorized purposes
2. Petty cash transactions are not properly recorded
3. Petty cash is not maintained at a fixed amount or is commingled with other receipts
4. Responsibility for petty cash is not clearly established

5. Change funds are not monitored resulting in loss of money, inappropriate use of money, excessive or inadequate cash on hand

Procedures:

1. The City ensures that petty cash accounts are authorized by the governing body and checks are written to the petty cash custodian to establish the petty cash fund. Each such “account” consists of an authorized, fixed sum of money set aside as an asset for the purpose of making miscellaneous purchases and making advances for emergency travel needs.
2. Petty cash disbursements are made only as needed and that an invoice/receipt accompanied by a petty cash voucher, prepared in ink, showing the items purchased, and signed by the person receiving the cash, is required in each case. The amount of cash on hand and petty cash vouchers and related invoices/receipts written must total to the originally authorized amount of the funds.
3. When the available cash has been reduced to an amount insufficient to meet routine requirements, a check is written to replenish the cash. The check, made payable to the petty cash custodian, are be delivered to the petty cash fund cashier to be cashed at the bank. The total amount reimbursed will be separated into amounts to be charged to each of the applicable expenditure accounts.
4. Someone other than the person responsible for handling the petty cash fund inspects, approves, dates, initials, and marks each voucher “PAID” to prevent reuse. The City are enforce the following restrictions:
 - a. The petty cash fund are be maintained at the lowest amount possible and are be replenished only after the strictest scrutiny of all supporting documentation for the petty cash disbursements.
 - b. Under no condition are the petty cash fund be commingled with personal funds of a city official or employee or used to cash personal checks or to make advances to employees.
 - c. Since checks to replenish the petty cash fund are charged to the expense accounts represented by the petty cash vouchers, the only entries to the petty cash fund asset account would be to establish the fund, increase or decrease the fund, or to close the fund.
 - d. Receipts from vending machines and other miscellaneous services are be recorded and deposited like other revenue and not maintained as a petty cash fund or used for miscellaneous purposes.
5. An established amount is maintained for change. Collections are be reconciled each day and amounts over or short, if any, are be accounted for in the accounting records and deposited if

applicable (in the accounting records as a revenue for over and as an expense/expense for short). Established change funds are never be used to absorb amounts over or short.

Activity 7: Cash in Bank

Objective 1: Ensure that all cash balances are adequately insured or collateralized

Objective 2: Cash flow forecasts are accurate so that investment returns can be maximized and cash shortfalls can be avoided

Risks:

1. Cash balances exceed insured limits and are not properly collateralized, which could result in loss of funds
2. Adequate information is not available to forecast cash flows or inaccurate information is used resulting in incorrect forecasts

Policies:

1. TCA 6-56-110 Deposits to be Secured by Collateral
2. TCA 9-1-107 Deposits Exceeding Insurance Limits
3. TCA 9-4-101 Collateral

Procedures:

1. Bank statements are reconciled with the cash balances presented in the accounting records (general ledger). Bank reconciliations are prepared within 30 days after the bank statements are received from the bank. Canceled checks must be retained on file with the applicable bank statements for future reference and audit purposes and are not be filed with paid invoices or purchase authorizations.
2. NOTE: Although by state law canceled checks must be maintained, because of current national legislation canceled checks may not be available. If imaged statements are issued, the City are require the bank to include both the front and back of each check and deposit slip, and require that the images be of such quality and size that they are clearly legible.
3. If a City wishes to use on-line banking, they will need to confirm with the bank that they

have a method in place that requires transactions to be authorized by two individuals before they can be processed. If the bank does not have a method that effectively requires two individuals' authorizations to execute a transaction, the City are not use on- line banking for payments.

4. When imaged copies are not included with the bank statement, the City are either request the bank to send the copies to the City, download copies from the bank's website, or determine an alternative way to obtain adequate supporting documentation for canceled checks and deposit slips.
5. Any alternative must meet the following criteria: (1) be cost effective; and (2) provide timely access to the documentation. Additionally, front and back copies are required regardless of the method used to obtain the copies or the format of the copies (paper or electronic).
6. The City ensures that bank accounts are classified as "public" accounts. If any other classification is used, the accounts will not be considered eligible for collateralization. If the depository is a part of the Bank Collateral Pool, accounts not identified as "public" will not be included in calculating collateral requirements of the Pool and money may not be adequately secured.
7. The City complies with state statutes governing collateralization of municipal deposits. These statutes generally require collateralization of 105 percent (105%) on all deposits above the FDIC/FSLIC insured amounts. Personnel in depository institutions and the City's attorney are be consulted to determine that collateral agreements, trustee custodian agreements, and the type of security being held is in accordance with all applicable legal provisions.
8. In 1995, the State of Tennessee Treasury Department implemented the Bank Collateral Pool as an efficient, cost effective, and safe alternative for securing public funds. Participation in the Collateral Pool relieves the City of most of the responsibility for ensuring collateral compliance since the collateral function is centralized in the State Treasurer's Office. For additional information regarding collateral requirements and the State of Tennessee Bank Collateral Pool, municipalities may contact the State Treasurer's Office, Division of Cash Management, (615) 532-1168 or visit their website at <http://www.tn.gov/treasury/> .
9. Check cashing for checks drawn on accounts other than those owned by the City, salary advances and similar activities are not in the best interest of the City and require the City to accept a certain level of risk of nonpayment. To avoid taking additional unnecessary risks, municipalities are not engage in such practices.

Activity 8: Investments

Objective 1: Investments are authorized, provide maximum returns with minimum risks and comply with legal requirements

Objective 2: Ensure that all investments are accurately recorded

Objective 3: Ensure that all investments are authorized and comply with all internal and external restrictions

Objective 4: Investments are adequately safeguarded

Risks:

1. Investments are not in compliance with state and local laws or are not as profitable or the risk of loss of funds is excessive
2. Investments are not properly timed or monitored resulting in lost revenue or early withdrawal fees
3. Negotiable investments are not adequately safeguarded

Objective: Ensure that all purchases are authorized and proper

Risks:

1. Purchases are not authorized or exceed available budgeted amounts or are not for a municipal purpose
2. Bids are not solicited for purchases exceeding bid limits which can result in the best price/product not being obtained

Policies:

1. T.C.A. § 6-56-301 *et seq.* (Municipal Purchasing Law of 1983)
2. T.C.A. § 12-3-1201 *et seq.* (Public Purchases – Local Governments)
3. T.C.A. § 62-6-101 *et seq.* (Contractors Licensing Act of 1994)
4. T.C.A. § 12-4-101 Personal Interest of Officers Prohibited
5. City ordinance on “Public advertisement and competitive bidding” (F.M.C. § 5-502)

6. City ordinance on “Debarment and Suspension” (F.M.C. § 5-1001 *et seq.*)
7. City ordinance on “Disposal of surplus personal property” (F.M.C. § 5-801 *et seq.*)
8. City ordinance on code of ethics (F.M.C. § 1-801 *et seq.*)
9. City of Franklin Purchasing Policy as most recently adopted by resolution of the Board of Mayor and Aldermen

Procedures:

1. Minutes of actions taken by the Board are to include summaries of action taken on competitive bids.
2. Minutes of actions taken by the Board are to include summaries of action taken on purchasing policy.
3. The Board, by resolution, has established a purchasing policy. The policy complies with the requirements of the Municipal Purchasing Law of 1983, Sections 6-56-301 through 6-56-306, Tennessee Code Annotated, or applicable charter provisions or private act requirements governing competitive bidding and purchasing. The procedures enumerated in this chapter are the minimum that are to be included in the policy.
4. The City’s purchasing policy designates persons authorized to make purchases who have the authority to determine that (1) the item/service is necessary, (2) the quantity/times requested is appropriate, (3) the expenditure is authorized by the budget (when applicable), (4) does not exceed budgeted amounts for the respective fund, and (5), when related to grant contracts, meets the requirements of the grant contract.
5. The policy requires use of pre-numbered purchase authorizations/orders for purchases over a predetermined amount.
6. The policy outlines alternate procedures for emergency and small-item purchases, if needed (i.e., purchases authorized to be made without approval).
7. The policy requires approval of pre-numbered purchase authorizations/orders by the finance officer or his designee to indicate that the expenditure is appropriate and authorized under the budget appropriation.
8. The policy designates individuals who are authorized to make purchases with municipal purchasing cards. The City clearly defines the types of purchases permitted to be made using the purchasing cards. Such purchases must be approved in the same manner as any other purchase. The number of cards maintained are to be kept to a minimum and are to be properly accounted for. A record of the current holder(s)/user(s) are to be maintained in the City’s files. Personal charges are to be strictly prohibited.

9. The policy requires competitive bids for purchases over a stated amount.
10. The policy requires that personnel retain sufficient documentation to substantiate that required competitive bids were requested. When a contract is not awarded to the lowest bidder, the reasons are also to be documented in the minutes.
11. The policy requires Board approval of any lease-purchase contracts which would extend beyond the current fiscal year.
12. The policy requires that when competitive bids are necessary, personnel do the following:
 - a. write the specifications and advertise for bids
 - b. release the specifications and bid requests to prospective bidders
 - c. maintain complete records of any bid deposits received
 - d. advertise the bid opening in a local newspaper at least one week prior to opening
 - e. hold a public bid opening at the time and place announced
13. The policy requires that the appropriate municipal official(s) and the successful bidder sign a written agreement after the contract is awarded. A copy of the signed contract is to be maintained in the City's files.
14. The policy requires for those purchases not subject to a competitive bid that the person authorized to make purchases obtain price quotations and avoid any purchase contracts which may involve a potential conflict of interest on the part of a public official. The municipal purchasing policy requires that a written record be retained when quotations are obtained.
15. Personnel of the City's various departments who are authorized to make City purchases must become, prior to or as soon as practicable upon being so authorized, and remain while so authorized, familiar with the City's purchasing policies and procedures. The Purchasing Manager shall regularly update departmental representatives designated by the City's various department heads so that that the designated departmental representatives may be informed, in a timely manner, of recent legislation, changes to purchasing policy and procedure, and other matters that affect how, when, what, where, and from whom City purchases may be made.
16. Separation of duties in the Purchasing function consist of the following:

Duty	City Administrator	Assistant City Administrator	Purchasing Manager	Purchasing Analyst	Purchasing Technician	Department Head or Designee
Receive Requisition from Departments for Purchase			x	x	x	
Approve the Requisition	x	x	x

2. Controls must be in place to reasonably ensure that developers have not left "back doors" that can be used to alter code, output, etc.
3. The City ensures that:
 - a. controls are in place to ensure that only authorized individuals have access to electronic data and municipal computers (this would include passwords, access limitations, procedures to revoke authorization when employment is terminated, etc.).

- b. backups are made of all data on a regular basis and are securely stored off-site.
-
- 4. When acquiring and utilizing computer programs for accounting, billing and other activities the City ensure that proper evaluation and testing on the software is performed. Without proper evaluation and testing this creates unknown risks to the City. When evaluating applications that are nationally recognized this will often require less additional testing than those that are internally developed, contracted for development, or are less widely used. That is not to imply that nationally recognized applications are more reliable than others, they have just been subjected to broader testing. The broader testing of a nationally recognized application may be considered by municipalities in determining if additional testing is necessary. Municipalities are not assume that a computer application is functioning properly without proper evaluation; therefore documentation are be maintained on file to document the City's evaluation of the application. For applications that are modified at a later date, additional testing and evaluation will be necessary at that time.
 - 5. The City's IT Director and Assistant Director review relevant computer programs to determine whether they need to be updated, upgraded or modified.

Activity 19: Billing

Objective: **Ensure that billings are complete and accurate**

Risks:

- 1. Billings do not include all customers
- 2. Billings have bills with calculation errors

Policies:

- 1. City of Franklin Title 18 (Water and Sewers)
- 2. City of Franklin Title 17 (Refuse and Trash Disposal)
- 3. City of Franklin Title 23 (Stormwater Management)
- 4. City of Franklin Title 24 (Special Assessment Districts)

Procedures:

The Billing Department is responsible for the management of the City's utility billing customer file and the preparation and delivery of all bills. Beyond the established procedures and experienced staff, there are notable internal control reviews that are performed with each billing cycle; each month; and, on an as needed basis (at least annually).

Billing Cycle Review

Review and edit procedures exist for each billing Cycle, include:

Reading Review at Account Level (Raw input review prior to bill run)

- Monthly consumption volume changes are reviewed for variances:
 - o High and Higher
 - o Low and Lower
 - o Acceptable
 - o Missing Readings
 - o Zero Consumption Readings
 - o Negative Consumption
 - o Consumption on Inactive Accounts

Review at Bill Run

- Identify system exceptions (accounts unable to bill), correct exceptions, rerun and re-review.

Bill Run Edit Reports –

- An output review reports of:
 - o Top 100 Accounts
 - o New Accounts
 - o Final (Terminated) Accounts
 - o Billed Prior Month Not This Month

Monthly Reviews

- Cycle billing register totals and counts are recorded by month and compared to prior months.
- Review all accounts with three months of consecutive zero consumption.

Annual Reviews

At least annually, Revenue Management will:

- Obtain a list of all City addresses from City records and reconcile it to the billing

system to determine that all service addresses are being billed.

- Obtain billing registers from Water Districts (3) for whom we provide sewer service and compare their dollar amounts billed for water to our amounts billed for sewer for billing computation verification.

Consideration Of DRAFT Resolution 2020-95, A Resolution Adopting A Grants Policy For City of Franklin.

PURPOSE:

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning Resolution 2020-95 to adopt a grants policy for the City of Franklin.

BACKGROUND/STAFF COMMENTS:

Similar to other financial policies, the goals of the grants policy are to follow best financial and compliance practices and to provide City-wide guidance

Whereas the policy provides that every department is responsible for executing, budgeting, administering, and closing their respective grants, the Finance Department provides citywide oversight. This process ensures we have executed grant contracts in place prior to disbursements, proper budgeting has been included in department annual budgets and, that the grants are properly documented as closed when projects are completed and approved.

FINANCIAL IMPACT:

Although no direct financial impact, the policy will guide the City in financial and compliance considerations regarding grants.

RECOMMENDATION:

Staff recommends approval of Resolution 2020-95 to the Board of Mayor and Aldermen.

DRAFT

RESOLUTION 2020-95

TO BE ENTITLED: "A RESOLUTION TO CREATE CITY OF FRANKLIN GRANTS POLICY"

WHEREAS, the City of Franklin desires to follow best financial and compliance practices for utilization of grants; and

WHEREAS, the City of Franklin desires to provide City-wide guidance; and

WHEREAS, the Board of Mayor and Aldermen believes it is in the best interest of the citizens of the City of Franklin to implement a grants policy.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF FRANKLIN, TENNESSEE, that the Grants Policy shall be adopted as follows:

Section 1. The policy shall be adopted as shown in Exhibit A.

Section 2. BE IT FINALLY RESOLVED that this resolution shall take effect from _____, 2020, the health, safety, and welfare of the citizens requiring it.

IT IS SO RESOLVED AND DONE on this _____ day of _____, 2020.

Grants Policy DRAFT
Exhibit A

1. PURPOSE

To encourage best financial and compliance practices in obtaining, spending, recovery, reporting, and closing of grants.

2. MANAGEMENT AND OVERSIGHT

The City of Franklin utilizes the services of its department personnel in applying for and accepting grants. Grants personnel are to have training on grants, including internal controls. Typically, through a resolution or contract, grants must be approved or acknowledged (if administratively approved) by the Board of Mayor and Aldermen before use. The department receiving the grant is responsible for its management through closure with citywide oversight by the Finance Department.

3. PAYMENTS

On or before the first payment, a copy of the executed grant agreement shall be submitted to the Finance Department. The payment request to accounts payable or purchasing card transaction needs to include the grant number that corresponds with the grant agreement.

4. REIMBURSEMENTS

Timely reimbursements after payment are critical with grants. After payment has been made, a reimbursement is to be requested within the time periods below unless the grant provides otherwise:

1. If \$100,000 or over, within 14 days of the payment.
2. If between \$25,000 and \$99,999, at least monthly within 14 days of month-end.
3. If between \$10,000 and \$24,999, at least quarterly within 14 days of quarter-end.
4. Under \$10,000 may be done annually within 45 days of fiscal year-end.

5. REPORTING AND SYSTEM ACCESS

Departments receiving the grants are responsible for program and financial reporting (with assistance from Finance as needed). Finance is to receive a copy of any reporting or permitted access to view the reports in the grant's online system. Finance will provide departments receipt information on grant reimbursements or online access to view the receipts.

Grants Policy DRAFT

Exhibit A

6. INDIRECT COSTS

For grants in which indirect costs, such as employee benefits, are eligible for reimbursement and anticipated to exceed 10% of direct costs, the recipient department shall submit an indirect cost plan with the grantor agency to negotiate an indirect cost rate. If no indirect cost rate is negotiated, the City uses the 10% de minimis indirect cost rate. For grants that do not permit indirect costs, only direct costs would be eligible for reimbursement. Some grants include management cost reimbursements as part of the grant.

7. MATCHING REQUIREMENT

Grants typically have a matching (funds provided by the City) requirement. If a matching requirement exists, the match must be budgeted by the Board of Mayor and Aldermen. The total costs are to be budgeted as expenses (appropriations). The reimbursements are to be budgeted under appropriate grant revenue.

8. OTHER REQUIREMENTS FOR GRANTS

The City follows all federal and state requirements for grants. Also, if administrative requirements such as posting of signs, etc. are included in the grant agreement, the department is to document compliance with each requirement.

9. AUDITS AND RECORD-KEEPING

An annual audit of federal and state grants is a requirement of Generally Accepted Accounting Principles. Audit steps may include reviewing payments, reimbursements, and compliance with the grant requirements. Department records need to be maintained to permit grantor to perform a compliance review of the use of the grant.

10. CLOSING

Department personnel are to close the grant with the grantor after all reimbursements are received and requirements of the grant are satisfied. Closing shall occur within a timely manner from completion of the project. A copy of the grantor's closing letter shall be provided to Finance by the initiating department.

11. REPORTS OF OUTSTANDING GRANTS

Finance will periodically submit reports of outstanding grants to the City Administrator as well as to the Budget & Finance Committee of the Board of Mayor and Aldermen.

SUBJECT:

Consideration Of Resolution 2020-104 Authorizing The Substitution Of The Form Of Collateral For The City's Bank Accounts In Accordance With Tennessee Code Annotated Title 9 Chapter 1.

PURPOSE:

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning Resolution 2020-104 Authorizing the Substitution of the Form of Collateral for the City's Bank Accounts in the Accordance with Tennessee Municipal Code Title 9 Chapter 1.

BACKGROUND/STAFF COMMENTS:

Tennessee Code Annotated requires public funds to be collateralized, or secured, while being held by banking institutions. Pinnacle Bank currently collateralizes the City's accounts using insurance provided by the State Collateral Pool program. The Bank has requested to change form of collateral to an Insured Cash Sweep ("ICS") form, which is also authorized by the State of Tennessee.

FINANCIAL IMPACT:

There is no direct expense to the City to pay for the form of collateralization on the City's accounts. The expense is incurred by the banking institution.

RECOMMENDATION:

Staff recommends approval of the change in form of collateral for the City's bank accounts.

RESOLUTION 2020-104

A RESOLUTION AUTHORIZING THE SUBSTITUTION OF THE FORM OF COLLATERAL FOR THE CITY'S BANK ACCOUNTS, IN ACCORDANCE WITH TENNESSEE MUNICIPAL CODE TITLE 9 CHAPTER 1.

WHEREAS, the State of Tennessee requires collateral for deposits of public funds held in financial institutions; and

WHEREAS, Pinnacle Bank currently serves as banking services provider to the City of Franklin and has requested substitution of the form of collateral for the City's bank accounts; and

WHEREAS, the request to substitute the form of collateral from the State Collateral Pool to Insured Cash Sweep ("ICS") is allowable per Tennessee Code Annotated § 9-1-118 and retains the safety and security of the City's funds on deposit with Pinnacle Bank; and

WHEREAS, in accordance with Tennessee Code Annotated § 9-1-118(a)5(e), the Board of Mayor and Aldermen must acknowledge the substitution of the form of collateral for the City's bank accounts.

NOW, THEREFORE, BE IT RESOLVED by the Board of Mayor and Aldermen of the City of Franklin, Tennessee, that the Board be and hereby is authorized and directed to acknowledge the substitution of the form of collateral to Insured Cash Sweep for the City's banking accounts in accordance with State of Tennessee law; and

RESOLVED FURTHER, that the officers and agents of the Board are hereby directed to take all such steps as may be necessary to accomplish the foregoing; and

RESOLVED FURTHER, that the officers of the Municipality are hereby authorized and directed to take all such steps as may be necessary to accomplish the foregoing.

IT IS SO RESOLVED AND DONE on this ____ day of _____, 20__.

Report From State Comptroller On Fiscal Year 2019 Annual Financial Report.

PURPOSE:

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the Fiscal Year 2019 Financial Report.

BACKGROUND/STAFF COMMENTS:

Each year, the City submits its annual financial report to the Comptroller of the State of Tennessee for review. The attached letter is the response from the Comptroller's office.

FINANCIAL IMPACT:

There is no direct financial impact from the report. The City will address the comments from the Comptroller's Office within the FY 2020 audit regarding the electronic file being searchable and reporting for the TCRS pension.

RECOMMENDATION:

There is no staff recommendation. This is an informational report only.

Honorable Mayor and Board
City of Franklin
109 Third Avenue South
Franklin, TN 37064

Honorable Mayor and Board:

I have reviewed the annual financial report on the City of Franklin for the fiscal year ended June 30, 2019, as audited by Crosslin, PLLC, Certified Public Accountants. As a result, this report has been filed as part of the public records of the State of Tennessee.

The audited financial statements are the responsibility of management. The following was observed during the review of the financial report.

The electronic file of the report was not searchable. The *Audit Manual* issued by the State of Tennessee Department of Audit requires electronic files that are in portable document format (pdf) to be searchable. The Electronic Contracting and Reporting Requirements are listed on pages A-6 through A-8 of the *Audit Manual* (June 2019 Edition).

It appears reporting the Tennessee Consolidated Retirement Plan as a fiduciary fund is not in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions – an Amendment of GASB Statement No. 27*. Please refer to the *Codification of Governmental Accounting and Financial Reporting Standards* (2019-2020 Edition), Section P20, for reporting guidance.

Responsible officials should ensure that future reports submitted to our office address the above items. If you need to contact our office, please call 615.747.8807 or email Bethany.Wilson@cot.tn.gov. You may also send a response to this letter to the Tennessee Comptroller of the Treasury Division of Local Government Audit, Cordell Hull Building, 4th Floor, 425 Fifth Avenue North, Nashville, TN 37243.

TO: Budget & Finance Committee

FROM: Mike Lowe, Comptroller

SUBJECT:

Monthly Finance Reports For June 2020.

PURPOSE:

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning critical revenue streams that influence performance versus budget.

BACKGROUND/STAFF COMMENTS:

The Finance Department and other departments of the City produce monthly reports on various revenues that the City receives. Those reports are included on the Budget & Finance committee agenda in order to keep the Committee apprised of revenue expectations and actual performance versus budgeted numbers.

Beginning with the executive summary, the reports include:

Schedule 1: Local Sales Tax - March 2020

Schedule 2: Building Permits - April 2020

Schedule 3: Road Impact Fees - April 2020

Schedule 4: Facilities Tax (City) - April 2020

Schedule 5: Facilities Tax (County) - April 2020

Schedule 6: Gasoline Taxes (State Street Aid Fund) - March 2020

Schedule 7: Hotel/Motel Tax - March 2020

Schedule 8: Conference Center - April 2020

Schedule 8: Grants Report - April 2020

FINANCIAL IMPACT:

There is no financial impact from the reports. Reports are provided to show any variance from budget.

RECOMMENDATION:

There is no staff recommendation. Reports are for information only.

Local Sales Tax

Fund

General

Account:

110-31300-00000

Summary: Tennessee Code Annotated 67-6-702 authorizes the levy of a local sales tax. The maximum rate authorized is 2.75%. The current rate increased from 2.25% to the maximum of 2.75% effective April 1, 2018. The tax is applied only to the first \$1,600 of any single article of personal property. The City receives 1/2 of the 2.75% rate collected within the City. Williamson County receives the other 1/2, plus an administrative fee of 1% of the City's 1/2 of the tax. Beginning with April 2018 taxes, the City contributes its share of the .5% increase to the County's School Debt Service. The County withholds the contribution for school debt service from the amount remitted to the City. Finance will track the 36 month contribution period, to end with March 2021 sales (to be received in May 2021).

Monthly Report for June 2020: The local sales tax remittance from the State of Tennessee for March 2020 sales (received by the City in May 2020) was \$2,744,230 compared to \$3,060,153 for the same month in 2019, a monthly year over year decrease \$315,923, or 10.3% less. May receipts (March sales) are the ninth month of the FY 2020 fiscal year for both the City of Franklin and the State of Tennessee. The additional local option sales tax rate of 0.50%, for a total local rate of 2.75%, became effective April 1, 2018. The City of Franklin has pledged its 2nd half share of this additional tax to School Debt Service for a period of 3 years. For March 2020, the funds foregone by the City and contributed to Schools is \$585,785. Total contribution to date to Schools from the City's portion is \$14,417,994.

Summary: A part of General Fund Revenues, these fees are paid to the City to offset and pay for the staffing costs borne by the City to extend services due to construction growth. There has been growth in both residential and commercial sides of development. This revenue has been difficult to predict by month because permits are often obtained and fees paid in advance of construction.

Monthly Report for June 2020: 2020 year-to-date is more than 2019 by 17.0%, and compared to 2020 budget is less by 7.2%.

Summary: The Road Impact Fund is a special revenue fund created for the accounting of expenditures in accord with City Ordinance 88-13 on the proceeds of road impact fees from new development. These funds can be used to pay for new arterial roads, directly or through payment of debt service on bonds associated with the projects. After completing an update of the major thoroughfare plan, the City re-examined the structure of road impact fees which was approved in April 2011. Effective 7/1/2017, collections pertaining to collector roads within the 4 quadrants of Franklin may begin. This report will be updated to show those collections when they occur.

Coll Area 1 - Area north of Murfreesboro Road/3rd Avenue South and east of East Main Street/Franklin Road and within the corporate boundaries of the city.

Monthly Report for June 2020: 2020 year-to-date compared to 2019 is 54.4% more, and compared to 2020 budget is more by 40.8%.

Note: Fees collected from Road Impact and Facilities Tax assessments are one time revenues used to fund infrastructure improvements and are highly dependent upon timing of development.

Facilities Tax (County)

Account:

132-31600-00000

Summary: City's share of Williamson county's Adequate School Facilities Tax. 30% of the proceeds are distributed to the incorporated cities within the county, and an additional 30% is divided pro rata among the incorporated cities based on population in the last decennia census. All funds are to be used for the purpose of providing public facilities, the need for which is reasonably related to new development. The County uses 100% of its amount for public school purposes.

Monthly Report for June 2020: 2020 year-to-date compared to 2019 is 29.7% more, and compared to 2020 budget is 23.6% less.

Note: Fees collected from Road Impact and Facilities Tax assessments are one time revenues used to fund infrastructure improvements and are highly dependent upon timing of development.

Note: Recorded in Capital Projects Fund beginning in FY 2011 (as per Resolution 2010-69). In June 2017, the County Facilities Tax Fund was created. Funds remaining in the Capital Projects Fund were transferred to the new fund.
