How to load and enjoy your new Boxxle!

Open Boxxle by pressing the lid release button. Then preload lifting mechanism by pushing down on the lift plate, until it locks into place.

Prepare your favorite Bag-in-Box wine by removing the interior bag from cardboard box. Twist spigot 180°, this is because Boxxle lifts the wine, rather than using gravity. Place wine bag into Boxxle, keeping tap at the top.

Align bag so that the spigot is in the front of the cavity and slide it neatly into the slot. At this point the spigot on the bag's tap should be pointing downward.

Close Boxxle lid snugly, applying pressure for a moment longer after you hear the click, and enjoy your beverage from an elegant and convenient service height...at the table, on the countertop, or on the go.

Boxxle was designed to work with all known 3 Liter Bag-in-Box bags and spigots, however there may be a very few brands of wine that use different bags. These bags should also work fine, but may require removing the first glass or two of wine before placing in Boxxle. Thank you and enjoy."

Safety Best Practice-Dish Washer:

IMPLEMENTATION OPTION 3

Allow Glassware to cool for a minimum of 5-10 minutes in holding rack once removed from Dish Washer. Pouring cold beverage into a hot glass could crack or shatter glass on contact.

BROKEN GLASS PROCEDURE

Never handle broken glass! When breakage occurs, one Team Member needs to secure the area and make sure no one walks through the broken glass. Another Team Member will assist by getting a lobby broom and dust pan to sweep up all glass particles. Be sure to sweep under any nearby tables and move items around the area such as trash cans.

All broken glass, along with disposable glass beer bottles, must be disposed of in your restaurant's designated glass receptacle. Glass can then be placed in an outside dumpster or designated trash bin if your restaurant participates in a glass recycling program.

GUEST SERVICE: SUGGESTIVE SELLING

Suggest this great, new beverage option to guests that appear to be of legal drinking age. Use the following script to respond to guests that want to know more about the option when suggested. Post the scripts in a non-visible area near POS.

UPSELL BEER + WINE: (POS)

"How about a cold beer or glass of wine with your meal?"

"What do you offer?" *(Guest)*

"We offer Bud Light, Stella Artois or {insert craft selections} or we serve Naked Grape Merlot and Pinot Grigio."

"I will try the Stella Artois, please!" *(Guest)*

"Are you at least 21 years of age?"

"I will need to see your ID, please. Could you remove it from your wallet?"

Guest gives you ID. Verify bona fide ID and hand back to the guest.

"Thank you!"

EDUCATIONAL POINTS

HOW TO SELL BEER + WINE

Your team's role in selling the new products is to:

- ✓ Educate the guest on the products we carry
- ✓ Understand the flavor profiles of the products
- ✓ Know your role as a Responsible Beverage Server

BUD LIGHT

Bud Light is a light-bodied brew with a fresh, clean and subtle hop aroma, delicate malt sweetness and crisp finish for ultimate refreshment.

STELLA ARTOIS

Stella Artois is a classic Belgian lager, golden in color with exceptional clarity and a spicy hop character. Stella Artois should be served between 36 and 38 degrees Fahrenheit using a nine-step process called the Belgian Pouring Ritual.

CRAFT BEER

Craft beer typically comes from small, independently owned breweries that craft beer whose flavor derives from traditional or innovative brewing ingredients and their fermentation, in small batches.

WINE

Wine is an alcoholic beverage made from fermented grapes or other fruits. Different varieties of grapes and strains of yeasts produce different styles of wine.

Your location will be serving one red and one white varietal:

White Wine – Pinot Grigio

Red Wine – Merlot

IMPLEMENTATION OPTION 3

WHITE WINE-PINOT GRIGIO

- White wines always contain citrus notes. Mostly lemon or lime. In addition, a Pinot Grigio contains notes of apple or pear and is considered a softer, more conservative tasting white wine.
- Naked Grape's Pinot Grigio is a go-everywhere wine. Aromas of pear and Myer lemon, it is crisp, fresh, light with a tangy style.

RED WINE-MERLOT

- Red wines always have notes of either red or black fruit. Merlots (black fruit), will have notes of berries or cherries.
- Naked Grape's Merlot is a soft, fruit-driven wine with rich plum and black cherry flavors.

IMPLEMENTATION OPTION 3

WHY CONSIDER DRINKING WINE OUT OF A BOX?

Naked Grape's 3L Box gives you the freedom to enjoy one glass at a time in a package that keeps the wine fresh for four weeks after opening! One box yields 4 bottles of wine. This fridge-friendly box can easily be stored in a reach in, and produces minimal waste. Naked Grape boxes are also 100% recyclable, making them earth friendly.

Product Shelf life may vary, but Pieology does NOT recommend serving after the 5th week once opened.

RESPONSIBLE BEVERAGE SERVICE

At the end of this guide Team Members should understand:

- The importance of checking ID's and knowing the alcohol laws
- How to check ID's, spot fakes, acceptable forms of ID.
- Signs of intoxication
- When and how to cut a guest off
- What is your responsibility?

IDENTIFICATION BASICS

Twenty-one is the legal age to purchase an alcoholic beverage in the United States. You are required to check bona fide identification prior to the sale of any alcoholic beverage sold at Pieology if the guest appears to be under the age of 40.

In order for a document to be considered bona fide it must include all of the following

- Ⓟ Issued by a government agency
- Ⓟ Name of the person
- Ⓟ Photograph
- Ⓟ Date of birth
- Ⓟ Physical description
- Ⓟ Currently valid (not expired)

*Passport or military ID is okay

IMPLEMENTATION OPTION 3

In addition to verifying the information on bona fide identification, each state has features that will help you identify a real ID from a fake. Please refer to this year's ID handbook for more information.

**Updated yearly, current copies of the Drivers License Guide are available free of charge through your Budweiser Rep.*

If you are unsure if someone's ID is real or valid, always ask for the MIC's assistance.

YOUR RESPONSIBILITY

According to the National Highway Traffic Safety Administration, a person is injured in a drunk driving crash every 2 minutes and 28 people in America die every day as a result. The average person metabolizes alcohol at a rate of about one drink per hour but everyone is different. It is critical that you be aware how to identify an intoxicated guest and when they need to be cut off. Failure to serve alcohol responsibly may result in a personal fine (by the ABC) and possible termination.

CUTTING OFF ALCOHOLIC BEVERAGE SERVICE TO A GUEST

Legally, intoxicated guests cannot be served. How will you know when to cut off alcoholic beverage service to a guest?

Signs of Intoxication:

- Slurred speech
- Aggressiveness
- Fumbling keys, money
- Loud
- Forgetfulness
- Blood shot eyes
- Sweating

BEER & WINE

IMPLEMENTATION OPTION 3

When refusing service, use the CARE method:

Clarify Refusal "Sorry, I think you've had enough already"

Alternatives "How about a soda? I can't serve you any more alcohol."

Report to Management Alert the MIC

Echo the Message "Nothing personal – it would be against the law for me to serve someone that is intoxicated."

- Ⓟ Avoid putdowns
- Ⓟ Keep your temper
- Ⓟ Use calming language and body language
- Ⓟ Be courteous
- Ⓟ De-personalize the situation (it's not just them)
- Ⓟ Offer alternatives
- Ⓟ Reinforce the message
- Ⓟ Allow them their dignity – let them have the last word

LEGAL AGE TO SELL/SERVE & POUR/OPEN

- Ⓟ To sell beer and wine (offer and ring up in POS) a Team Member MUST be 18+
- Ⓟ To open a bottle of beer a Team Member MUST be 21+
- Ⓟ To pour a glass of beer or wine a Team Member MUST be 21+
- Ⓟ To serve/deliver a glass of beer or wine a Team Member MUST be 18+

****Team Members under the age of 18 may not handle beer or wine at any time****

Only one alcoholic beverage can be sold to a guest at a time. Cut off is at the MIC's discretion.

BEER & WINE

IMPLEMENTATION OPTION 3

SCHEDULING FOR SUCCESS

In order to execute this program, you must schedule accordingly. The Team Member working at POS must always be 18+ - no exceptions. In addition, a Team Member that is 21+ must be scheduled in a nearby position if the MIC does not meet the legal age requirement of 21+ to pour/open.

Company Restaurant Employees:

Employees may NOT purchase and/or consume alcohol at any Pieology location.

- This includes before/after your shift or on days not scheduled to work.

Franchise Restaurant Employees:

Contact your Franchise owner / review franchise employee handbook for specific rules and regulations.

****Use the sign-off at the end of this implementation guide to keep track of Team Member training and authorization to sell/serve and pour/open.****
