MAFIAoZA's FRANKLIN

Responsible Alcohol Service and Training Policy

Some states require a picture ID for any persons drinking alcoholic beverages regardless of age. MAFIAoZA's Franklin recommends that all of its guests be asked to show proper ID prior to service. Beer is to be consumed on premise and not to be sold as a to-go item.

Acceptable Forms of Identification

Driver's License with Picture
State Issued Personal Information
Unexpired U.S. Passport
An Active Military ID

Policies Concerning Responsible Alcohol Service

1. The sale of alcohol to minors is prohibited.
2. The legal age to purchase alcohol in TN is 21.
3. No person under the age of 21 will be served alcoholic beverages.
4. Employees must ID anyone attempting to purchase an alcoholic beverage.
5. The sale or service of alcoholic beverages to intoxicated customers is prohibited.
6. Managers will visit any customer who has been served two (2) drinks within an hour prior to another drink being served so that the manager can evaluate the customer's level of intoxication.
7. All employees must report incidents to a manager and document them in an incident log within an hour of their occurrence.
8. Employees will offer to call a taxi, Uber, Lyft or other car service for any intoxicated customer at the customer's expense.
9. Employees will not physically restrain intoxicated customers to prevent them from leaving the establishment.
10. Employees will immediately notify a manager and will call the police to report any intoxicated customer who leaves the establishment and who gets behind the wheel of a motor vehicle.
11. It is against the law to serve alcohol to any person who is visibly intoxicated.
12. No alcohol is to be sold between the hours of 3:00 a.m. and 8:00 a.m. during the week and between the hours of 3:00 a.m. Sunday and 10:00 a.m. Sunday.
13. All servers and bartenders must present for inspection and copy their current TABC Card. If they do not have one, they must obtain one no later than 30 days after their first day of work.
14. No alcoholic beverages will be sold except in accordance with the terms of MAFIAoZA's Franklin's TABC and Beer Board permits.

Employee Coaching Tips:

The primary legislative purpose of the Alcohol Server and Responsibility Act of 1995 is to prevent intoxication-related deaths, injuries, and other damages through responsible serving practices and awareness.

What does this mean for you?

- Knowing and following the laws which govern the industry in which you are employed is your responsibility. Claiming ignorance if a problem arises from your service or sale of alcohol is not a defense in the eyes of the law.
- Under Third Party Liability, servers can be held liable for a guest causing injury to themselves or others if it can be proven that the party involved was served alcohol illegally (minors or obviously intoxicated) or negligently (carelessly, irresponsibly, without level of care).

What can you do?

- Good ID checking practices: everyone should be carded, regardless of appearance, even if they have already been served by someone else or been sold to on previous occasion. You have the right to refuse service or ask for additional documentation if you are not satisfied with their identification.
- Condition & consistency - if the ID is difficult to read, and inconsistent with the Driver's License Guide Book, you can refuse to accept it.
- Ownership - does the ID belong to the person using it?
- DOB - make sure that you know what day someone must be born on to be served alcohol.
- Expiration Date - it is against the law to sell alcohol to someone with an expired ID, so always check the expiration date.
- Seals and Signatures - these will be consistent across every ID issued from that state.
- Are there signs or impairment or intoxication? Have they already been drinking? If so, you may refuse service. If the guest is displaying any signs of impaired judgement or coordination, it is likely that they are intoxicated and should be refused service.
- High risk situations - bachelor parties, fraternity & sorority groups, women, known alcoholics, young drinkers (21-25). Pay extra attention to these groups, as they are more likely to experience alcohol intoxication quickly.
- What is the mood of the guest? What is their condition and size?

Set the Pace

- Serve water with the first round of drinks and endeavor to keep them full.
- Provide a MAFIAoZA's Franklin menu.
- If a guest hesitates in ordering, offer non-alcoholic suggestions.
- Note the guest's reaction to drinks - are they too strong?
- Serve only one drink at a time.
- Never give away drinks.
- Never "keep'em coming."
- ALWAYS get a manager if you are concerned about a guest's intoxication.

Note: This training policy is part of the MAFIAoZA's Franklin Employee Handbook that each employee receives upon their employment.

Alcohol Awareness

Alcohol Awareness is a growing concern within the hospitality Industry nationwide. By recognizing the “early” signs of intoxication, monitoring your customer’s consumption, and treating them as you would a guest in your own home; you fulfill your responsibility and protect the guest.

To serve or not to serve?

By understanding and fulfilling your responsibilities...

Your Role:

- Observe
- Monitor
- Report

Assisted by the guidance and support of management...

Your Manager's Role:

- Confirm
- Confront
- Resolve

With adherence to the company's policies....

1. We will not knowingly serve alcohol to an obviously intoxicated or underage customer.
2. We will offer alternatives to alcohol
3. We will create an atmosphere to promote responsible drinking.
4. We will make a reasonable attempt to prevent obviously intoxicated customers from driving.

We can accurately and confidently answer that very important question.

- Responsible service of alcohol requires a team effort.
- Know and watch for the signs of intoxication. If there is any question, avoid further service and report to a manager who will make the final decision and determine whether the guest should remain or leave.
- If you know what it takes to get someone drunk, you can prevent it but monitoring their consumption and offering alternatives.
- Do not allow drunks to come in, and do not allow intoxicated guests to drive.
- Hospitality is our business. Beverage service is only one element.
- Cooperation between employees and management allows us to exercise a degree of influence on the behavior of our customers that will result in an atmosphere of responsible drinking.
- This is just a portion of our company Alcohol Awareness program. Rules and regulations change daily and we will keep you up to date and apprised of all changes.
