SERVING ALCOHOL RESPONSIBLY

Foremost among the many duties of a server or host is meeting the need of guests by providing quality and hospitable service. Concern for guests' needs lends a personal touch to each guest's experience for which they are appreciative. This concern for the well-being of the guest must also extend to the service of alcoholic beverages.

In order to serve guests responsibly and to reduce the liquor liability exposure, Vision Hospitality Group Inc.'s policies are as follows:

1. Post policy notices regarding the serving of alcoholic beverages. It is our intent to prevent the consumption of alcohol by customers that will cause them to conduct themselves in a dangerous manner for themselves, vehicle passengers or others.
2. Make available to customers a Designated Driver Program where the person designated as the driver will not consume alcohol, and will be given non-alcoholic beverages free of charge.
3. Verify the age of all customers. At least one piece of identification is required, which should include a photograph ID.
4. Observe customers to detect signs of inebriation, including customers who may already be under the influence of drugs or alcohol when they arrive.
5. Refuse alcohol service to customers who show signs of intoxication upon arrival or after having consumed alcohol on the premises.
6. Discourage customers who show signs of intoxication from driving when they leave, but do not take any action to forcibly detain the customer. Offer to obtain alternative transportation in the form of a taxi, but do not drive customers home.
7. If a customer refuses alternative transportation, inform them you will notify the police if they leave the premise as the driver of the vehicle. Notify the police if an obviously intoxicated customer does leave the premises as the driver of the vehicle.
8. Document in writing on an Incident Report any actions taken as noted in the above items including date, time, number of drinks served, food consumed, customer's description, license plate number, type of car, etc.
9. All associates hired whose job requires serving alcohol must successfully complete the "Serving Alcohol with Care Program" within 14 days of hire.
10. Before employment starts, all associates are required to read this policy and acknowledge they have read and agree to abide by the rules. This includes all hotel associates.

All servers, hosts and any associates who handle alcohol must acquire all local and state certifications/licenses involved with serving or selling alcohol. This includes required training and alcohol serving permits, also known as pouring permits. These permits can be acquired at the local or state permit issuing office. All associates who are required to retain these permits must provide legal validation of the permit to the general manager. Associates who have not obtained or provided legal documentation to the general manager will not be permitted to work in the presence of alcoholic beverages. The general manager will be aware of associates' permit expiration dates, and will instruct renewal of all training and permits when required.

It is a violation of Vision Hospitality Group Inc. Policy the law, which also subjects the server to termination, to serve alcohol to any person who is either under the legal drinking age or intoxicated.
