CITY OF FRANKLIN
INFORMATION SHEET
for
BEER PERMIT APPLICATION

Permits shall be issued to the owner of the business, whether a person, firm, corporation, joint-stock company, syndicate, or association.

A permit is valid only for the business of the owner named in the permit.

If the business operates through a managing agent and the owner changes managing agents, it shall notify the Beer Board in writing within 30 days of the change and shall supply the name, address, drivers license number and phone number of the new managing agent. (For your convenience, a blank "change of managing agent" form has been provided in the packet).

Periodic renewal of beer permits is not required; however, there will be annual inspections for the on premises permit holders.

A permit holder must return a permit to the county or city that issued it within fifteen (15) days of termination of the business, change in ownership, relocation of the business or change of the business name. A change in ownership occurs for a corporate owner when at least fifty percent (50%) of the stock of the corporation is transferred to a new owner.

A permit is only for a single location and is valid for all decks, patios, and other outdoor serving areas that are contiguous to the exterior of the building in which the business is located.

Where an owner operates two or more restaurants or other businesses within the same building, the owner may, in his or her discretion, operate some or all of such businesses under the same permit.

The City of Franklin also has a liquor privilege tax for selling alcoholic beverages on premises. The tax is at the same rate as the State in the manner prescribed by State law and shall be collected annually.

A copy of the sales tax certificate must be provided within 10 days of approval of the permit. If you already have it, please submit with application.

Please note that all questions must be answered on the application. Failure to do so will only delay the process. The Beer Board will not approve any incomplete applications.

INFORMATION SHEET for BEER PERMIT APPLICATION

Permits shall be issued to the owner of the business, whether a person, firm, corporation, joint-stock company, syndicate, or association.

A permit is valid only for the business of the owner named in the permit.

The beer privilege tax fee is \$100.00 per year and is due January 1.

If the business operates through a managing agent and the owner changes managing agents, it shall notify the Beer Board in writing within 30 days of the change and shall supply the name, address, drivers license number and phone number of the new managing agent. (For your convenience, a blank "change of managing agent" form has been provided in the packet).

Periodic renewal of beer permits is not required; however, there will be annual inspections for the on premises permit holders.

A permit holder must return a permit to the county or city that issued it within fifteen (15) days of termination of the business, change in ownership, relocation of the business or change of the business name. Where an owner operates two or more restaurants or other businesses within the same building, the owner may, in his or her discretion, operate some or all of such businesses under the same permit.

The City of Franklin also has a liquor privilege tax for selling alcoholic beverages on premises. The tax is at the same rate as the State in the manner prescribed by State law and shall be collected annually.

A copy of the sales tax certificate must be provided within 10 days of approval of the permit. If you already have it, please submit with application.

Please note that all questions must be answered on the application. Failure to do so will only delay the process. The Beer Board will not approve any incomplete applications.
